A Girl's Guide to the Perfect Sleepover

This delightful story of an irrepressible bunny will engage readers on many levels as it celebrates creativity, making the best of circumstances, and the joy of the changing seasons. How can two friends share winter when one of them is hibernating? Beatrice and Bear meet one spring day and become best buddies. They play together through summer and fall. Then winter comes and Beatrice can't find Bear anywhere. She hears he's gone to hibernate—but where on earth is that? When Beatrice learns that hibernation is not a place and that Bear will be sleeping all winter long, she fears it will be a lonely season . . . unless she comes up with a brilliant plan to share winter with Bear too.

For fans of the oral history genre phenomenon World War Z, an inventive new spin on the apocalypse featuring a worldwide plague of insomnia. Remember what it's like to go an entire night without sleep? What if sleep didn't come the following night? Or the night after? What might happen if you, your friends, your family, your coworkers, and the strangers you pass on the street, all slowly began to realize that rest might not ever come again? How slowly might the world fall apart? How long would it take for a society without sleep to descend into chaos? Sleep Over is a collection of waking nightmares, a scrapbook collection of haunting and poignant stories from those trapped in a world where the pillars of society are crumbling, and madness is slowly descending on a planet without rest. Online vigilantism transforms social media into a blame game with deadly consequences. A freelance journalist grapples with the ethics of turning in footage of mass suicide. Scientists turn to horrifying experiments as they grow more desperate in their race for a cure. In Sleep Over, these stories are just the beginning. Before the Longest Day, the world record was eleven days without sleep. It turns out many of us will be forced to go much longer. Perfect for fans of Stranger Things, this middle grade graphic novel follows a group of kids trying to cheer up their friend after a recent loss with a fun-filled sleepover, but their plans soon take a dark turn when they discover his new nanny may literally be a monster. When the Russo family returns home from vacation to discover their nanny, Ruby, has unexpectedly passed away, Matthew takes the news the hardest. After weeks of reeling, his three best friends decide to cheer him up with a night of junk food, prank calls, and scary movies. But their plans for a sleepover are jeopardized when Matt's single mother—unable to take any more time off of work—is forced to hire a new nanny on the fly to watch over Matt and his younger sister, Judy. Miss Swan, however, is all too happy to have the boys over. And although she seems like the perfect babysitter, letting the kids eat whatever they want and mostly leaving them alone, there's something about her that Matt doesn't trust. He thinks she may actually be the witch from local legend—the one who torments children into the night and then eats them. Is he just having a hard time dealing with Ruby's replacement, as his friends suspect? Has he watched one too many scary movies, as his mom fears? Or are he and his horror-buff friends in for the fright of their lives as they come face-to-face with a real monster?

At least her best friend August will be there. Leilani and her guests decide to make Tutu's recipe for Sleepover Soup, which requires each of them to collect one ingredient that has significant meaning in their lives.
