Ultimate Play-Along for Drums

*Alfred's Ultimate Play-Along series gives you everything you need to jam with your favorite songs. This book contains exact drum transcriptions, music notation, lyrics, and chords to eight Journey classics. For your convenience, in addition to the complete song charts, drum-only charts are included in the book and printable PDF versions are embedded on the provided enhanced CDs. There are two audio versions of every song on the included CDs: an instrumental sound-alike recording, and an instrumental accompaniment track without drums so you can play along. When you use the CDs in your Mac or Windows-based computer, the TNT (Tone 'N' Tempo) Changer lets you access three versions of each song: the full-instrumental sound-alike, the instrumental accompaniment without drums but with a constant click track, and the instrumental accompaniment without drums and without a click track. Plus, the TNT software allows you to easily loop sections for practice, slow tracks down or speed them up without changing the pitch, change the key, and switch back and forth between the full-instrumental and play-along tracks. Proficiency as a drummer has always come from great hand dexterity. However, with the introduction of modern drumming techniques, it has become increasingly necessary to gain complete independence of both the hands and feet. With various rhythmic exercises in easy-to-read notation, 4-Way Coordination is designed to guide the drummer from simple patterns to advanced polyrhythms. Through the study of this method book, the student will gain invaluable listening skills and techniques that will provide insight to drumming in all styles.

The goal of this play-along series is to provide the jazz drummer with material that will be challenging, informative, and musical. It features jazz tunes based on standard jazz repertoire. While there is no written melody, there are a number of melodies that one can sing over the existing chord changes. These tunes give the player a chance to practice comping, soloing, trading fours and eights, working on ride cymbal sound, etc. Contents: Introduction * How to Improve Your Time * Bebop Drum Patterns * Slow-Medium Tunes * Fast Tunes * Drum Tracks * Essential Recording List * Tunes Every Musician Should Know * CD Index.
