

The Winners Curse Trilogy 1 Marie Rutkoski

Paired with a dark prince in a murderous game of survival, Maia Graystone discovers the only thing more dangerous than the Emperor's court is her conflicted heart.

Marie Rutkoski's startling debut novel, the first book in the Kronos Chronicles, about the risks we take to protect those we love, brims with magic, political intrigue, and heroism. Petra Kronos has a simple, happy life. But it's never been ordinary. She has a pet tin spider named Astrophil who likes to hide in her snarled hair and give her advice. Her best friend can trap lightning inside a glass sphere. Petra also has a father in faraway Prague who is able to move metal with his mind. He has been commissioned by the prince of Bohemia to build the world's finest astronomical clock. Petra's life is forever changed when, one day, her father returns home – blind. The prince has stolen his eyes, enchanted them, and now wears them. But why? Petra doesn't know, but she knows this: she will go to Prague, sneak into Salamander Castle, and steal her father's eyes back. Joining forces with Neel, whose fingers extend into invisible ghosts that pick locks and pockets, Petra finds that many people in the castle are not what they seem, and that her father's clock has powers capable of destroying their world. *The Cabinet of Wonders* is a 2009 Bank Street - Best Children's Book of the Year.

Intrigue, romance, and magic abound in *The Hollow Heart*, the heart-stopping conclusion to Marie Rutkoski's *Forgotten Gods* duology. At the end of *The Midnight Lie*, Nirrim offered up her heart to the god of thieves in order to restore her people's memories of their city's history. The Half Kith who once lived imprisoned behind the city's wall now realize that many among them are powerful. Meanwhile, the person Nirrim once loved most, Sid, has returned to her home country of Herran, where she must navigate the politics of being a rogue princess who has finally agreed to do her duty. In the Herrani court, rumors begin to grow of a new threat rising across the sea, of magic unleashed on the world, and of a cruel, black-haired queen who can push false memories into your mind, so that you believe your dearest friends to be your enemies. Sid doesn't know that this queen is Nirrim, who seeks her revenge against a world that has wronged her. Can Sid save Nirrim from herself? Does Nirrim even want to be saved? As blood is shed and war begins, Sid and Nirrim find that it might not matter what they want...for the gods have their own plans.

New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper.
