of Their Own Special Magic

Need help to find new love or a better job, get a cranky boss to lighten up, release stress or simply find a parking space? The Witch's Journal is full of charms, spells, potions, enchantments, lore and simple rituals. Unlike many spell books, the tools and ingredients listed in these pages are common household items (and if not, then an easy-to-find alternative is recommended). Pitched at apprentice spellcasters, the content is presented in a graphic and attractive way making it a book to dip in and dip out of, learning as you go. Based on Wiccan philosophy, this book provides practical, hands-on information for spellcraft that is easy to understand and simple to use. It offers a

Access Free The Witches Journal

complete magical introduction, including creating a sacred place, magical ethics, the magical properties of colour, common herbs, stones and flowers.

About the author Selene Silverwind has been a practising witchcraft for over 15 years. She has taught workshops on love magic at Pagan conventions and book shops and is the author of two Wiccan romance novels and two non-fiction guides: Magic for Lovers and The Everything Paganism Book. Silverwind is also a co-founder of Pagan Pride Los Angeles, a religious tolerance group affiliated with the Pagan Pride.

The perfect day planner and journal to organize the dis-organized witch.

Includes images and excerpts from Pebbles in Hot Soup, the forthcoming first book in the October City Vampire

Access Free The Witches Journal

Tales series. Also includes, monthly calendar pages that are not dated, so they can be used ANY YEAR. Also includes, a gemstone guide, color correspondences, elemental information, spells, recipes, and more. A must for pagan, wicca, witchcraft, vampire, comic, or gothic fans.

Craft a life filled with your own magic--a guided grimoire journal for new witches A witch's grimoire, or book of spells, is their magical companion and most powerful tool--and The Grimoire Journal is your personal guide to building your own. Learn to bless your home, scry with stars, craft your own tarot reading, or brew an enchanted tea. Then follow the journal prompts to create your own spells, recipes, and rituals for clearing writer's block,

Access Free The Witches Journal

protecting a friend, opening yourself up to new opportunities, and so much more. The Grimoire Journal provides: For all kinds of magic--You'll work with candles, crystals, herbs, and more. Plus, find inspiration in quotes about magic, illustrations of the moon phases, and a write-in Wheel of the Year. Empower yourself--Tune in to your inner magic and develop a custom keepsake that will evolve along with your craft. Ample writing space--Find plenty of room to reflect on the included spells, along with enough space to write your own. Explore, channel, and preserve your magic with a journal that guides you as you build a beautiful grimoire. This is a "hands-on" journal - pictures to color, extra pages for your own recipes, and lots of lists to add your own

Access Free The Witches Journal

personal touches throughout. Lots of witchy tidbits to satisfy the inner witch in you, including candle colors and their meanings, how to read tea leaves, tree magic, animal magic, and lots, lots more. With this book, being a witch has just become so much fun! In fairy-tales of long ago, witches dressed in flowing black gowns, wore pointy hats, and flew around on broomsticks at night. By the light of the silvery moon, they would steal little children from their beds... I'm sure some still do, but know this - not all witches have pointy noses, warts and eat small children. Some are just ordinary people, men, and women, who happen to believe there is magic in this world. The Witches' Journal (book 1) is a fun collection of lots of things magical from a coven of whimsical folk. We hope you

Access Free The Witches Journal

enjoy the words and pictures contained within these pages. Blessed are those who carry kindness and love in their hearts, for they shall always have magic in their lives! I believe, so mote it be.

Symbol: 5 X 8 Paperback with 110 Dot Grid, Lined and Spell Pages. Book of Shadows, Wiccan Notebook and Grimoire.

A Book of Shadows is a journal where witches record their spells--and this keepsake one, by the authors of Wiccapedia, accompanies that stylish guide. It features basic information distilled from Wiccapedia on spells, key herbs and crystals, moon phases and magick, and more. In the journal portion, witches can note the details of their spellcraft, including the date, ingredients, phase of the moon . . . and results.

When a banished witch falls in love with the legendary trickster Loki, she risks the wrath of the gods in this moving, subversive national bestselling

Access Free The Witches Journal

debut novel that reimagines Norse mythology. Angrboda's story begins where most witches' tales end: with a burning. A punishment from Odin for refusing to provide him with knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into the farthest reaches of a remote forest. There she is found by a man who reveals himself to be Loki, and her initial distrust of him transforms into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who Angrboda is keen to raise at the edge of the world, safely hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life—and possibly all of existence—is in danger. With help from the fierce huntress Skadi, with whom she shares a growing bond, Angrboda

Access Free The Witches Journal

must choose whether she'll accept the fate that she's foreseen for her beloved family...or rise to remake their future.

From the most ancient of tales this novel forges a story of love, loss, and hope for the modern age.

From the author of Secret of a Thousand Beauties and Peach Blossom Pavilion comes a beautifully written novel of self-discovery and intrigue. Chinese-American assistant professor Eileen Chen specializes in folk religion at her San Francisco college. Though her grandmother made her living as a shamaness, Eileen publicly dismisses witchcraft as mere superstition. Yet privately, the subject intrigues her. When a research project takes her to the Canary Islands—long rumored to be home to real witches—Eileen is struck by the lush beauty of Tenerife and its blend of Spanish and Moroccan culture. A stranger invites her to a local market where women sell amulets, charms, and love spells. Gradually Eileen immerses herself in her exotic surroundings,

Access Free The Witches Journal

finding romance with a handsome young furniture maker. But as she learns more about the lives of these self-proclaimed witches, Eileen must choose how much trust to place in this new and seductive world, where love, greed, and vengeance can be as powerful, or as destructive, as any magic.

ranging from colors, to moon phases, herbs, tarot and much more. Being completely blank and dateless, this Journal is suited to witches from all walks of life, and either hemisphere, proving to be an asset for all users from novice to expert, Let this journal be your starting point to creating your perfect, personalized book of shadows, and fall in love with your craft.

The Crystals of Empire series span the years of conflict instigated by the efforts of Tyrus Hammersvold, the creator of powerful crystals capable of restoring health or combining the 'qualities' of different species. The Cosmic has thrust Kazi Boku into the core of opposition to Tyrus' efforts of dark domination. In

reading The Witch's Journal, Kazi confirms how the crystals perform 'miracles' by first extracting the total life force from any creature. He also discovers how new creatures are being constructed by Tyrus' manipulations of life force. Tyrus, with a long life extended by his murderous crystals, has spent many generations using his religion's wealth and teachings to indoctrinate the populace and corrupt the aristocracy. Tyrus' plans have now reached a culmination of racial strife and divisive hate to fuel a war he will lead from behind the facade of his Temple. His minions will attack Vissing from land and sea. Kazi carries the truth he hopes will ally Clousen and Bragetti,
