

The Wrecked And Ruined Series Box Set

My past taught me to play it safe. To stay far away from handsome men who promised it all. My life was good without them. Stable, secure, predictable. But one kiss showed me that I ’ d been playing it safe for far too long. One night and all I wanted was more of his wildfire. One challenge and my carefully constructed walls tumbled down. Amidst the rubble, I realized there was more to this man than I ever dreamed. When everything fell apart, he showed me what it meant to stay. How to truly live. But some demons don ’ t stay buried. The past can come knocking when you least expect. And the life he ’ s showing me might be shorter than either of us expected...

After a mix-up at the fertility clinic, two couples are forever changed when their lives suddenly collide. "The Retrieval Duet is an emotionally-gripping, twisty ride punctuated by intense chemistry and the hottest alpha male I've read in ages!" -New York Times Bestselling Author Meghan March RETRIEVALOne date. That was all it took for me to know Elisabeth was my soul mate. Five years, countless infertility treatments, and the loss of our only son. That was what it took for me to lose her. One phone call, a mix-up at the lab, and a little girl neither of us knew existed. That was the hell it took to bring her back to me.And this time, I wasn't letting go.This is the story of how I took back what had always been mine. The retrieval of my wife and my family.TRANSFERI married a monster.What started out as romance ended in hell.My sole job in life was to protect our daughter.Until a police officer informed me of a mix-up at the lab. My little girl was the only thing keeping me alive.And I didn't even know if she was mine.This is the story of how I escaped the man who thought he owned me.The transfer of my life and my family.

Sound is an abstract concept for most people. We spend our lives blocking out the static in order to focus on what we believe is important. But what if, when the clarity fades into silence, it's the obscure background noise that you would give anything to hold on to? I've always been a fighter. With parents who barely managed to stay out of jail and two little brothers who narrowly avoided foster care, I became skilled at dodging the punches life threw at me. Growing up, I didn't have anything I could call my own, but from the moment I met Eliza Reynolds, she was always mine. I became utterly addicted to her and the escape from reality we provided each other. Throughout the years, she had boyfriends and I had girlfriends, but there wasn't a single night that I didn't hear her voice. You see, meeting the love of my life at age thirteen was never part of my plan. However, neither was gradually going deaf at the age of twenty-one. They both happened anyway. Now, I'm on the ropes during the toughest battles of my life. Fighting for my career. Fighting the impending silence. Fighting for her. Every night, just before falling asleep, she sighs as a final conscious breath leaves her. I think that's the sound I'll miss the most.

Breslin-I was in love with Asher Holden the moment I saw him...and I knew nothing would ever be the same. Then he hurt me. He wrecked me. He ruined me. I spent three years putting myself together-fixing what he broke.I never thought I'd see him again after that day. I was counting on it. Little did I know-life had other plans...and things were going to become a lot more complicated.

Asher-I finally know who I am. I own it, I embrace it...I'm no longer afraid. I live my life with no regrets now, because I've learned my lesson-the hard way.I thought I had it all figured out. But then my past collides with my present...and things become complicated.Turns out I don't really know myself after all. Landon- My life was all mapped out. I knew exactly what direction I was heading in-I didn't have time for any roadblocks or obstacles.Then I meet her.And him. Now, my heart is split right down the middle. She controls the rhythm. He controls the melody. Complicated doesn't even begin to cover it...and there's only one way this can end. Warning: This story is for mature readers only, due to language and sexual themes. This duet contains explicit content featuring m/f, m/m, m//m. Reader discretion is advised.Trigger Warning: This story is strange and unconventional. It's everything you hate. That's the only warning I can offer you.

Fighting Solitude

He was supposed to protect me. Instead, he made me fear the dark. He was supposed to love me. In the end, his love was sickening, cruel and filled with malice. Five years ago, the only bright lights in my world were extinguished. One decision. One text. One sentence and my fragile life shattered. I never expected the depravity and lies that greets me when I return to Montecito, leaving me with one goal... To flee and never look back. Everything changes when three gorgeous guys crash into my life. They're determined to mark me as theirs, and make me question everything I hold true. But when the ghosts of my past and future collide, who will be left standing? Me... or the monster who coveted me for all of the wrong reasons, turning me into what I am today... Tarnished. *Tarnished is the first book in the Tainted by Ruin Trilogy and cannot be read as a standalone. It is a Dark High School Reverse Harem Romance that contains scenes that may be triggering to some. Including: sexual assault (minor), physical abuse & self harm. Recommended for readers 18+.

One of Ballantyne's last published works, Wrecked But Not Ruined was written as a part of the author's effort to reach out to youths--thus, it is shorter than his other tales--and trying to instill in them the desire for a good, honest life. The story is set at the "Cliff Fort" off the Gulf of St. Lawrence in Canada, detailing life at the fort and in the wilderness

"Jennifer L. Armentrout is a master of weaving rich contemporary realism with magic and mayhem. Her characters will grab hold of your heart and refuse to let go. Every page left me wanting more."—New York Times bestselling author Brigid Kemmerer BOOK TWO IN THE NEW YORK TIMES BESTSELLING HARBINGER SERIES Half-angel Trinity and her bonded gargoyle protector, Zayne, have been working with demons to stop the apocalypse while avoiding falling in love. The Harbinger is coming...but who or what is it? All of humankind may fall if Trinity and Zayne can't win the race against time as sinister forces gather. As tensions rise, they must stay close together and patrol the DC streets at night, seeking signs of the Harbinger, an entity that is killing Wardens and demons with no seeming rhyme or reason. But as deaths pile up and they uncover a plot endangering someone dear to Zayne, Trin realizes she is being led...herded...played for some unknown end. As anger builds and feelings spiral out of control, it becomes clear that rage may be the ruin of them all. The Harbinger Series: Storm and Fury Rage and Ruin Grace and Glory Can't get enough of Zayne? Read about his past in The Dark Elements series: The Dark Elements Series: Bitter Sweet Love (ebook-only prequel) White Hot Kiss Stone Cold Touch Every Last Breath

I met Sarah Kate Erickson when I was twenty-one years old. I was lucky enough to keep her for seven years before a tragic accident stole her from me. She didn't die, but sometimes I think it would have been easier if she had.I lived in a haze for those four years after the accident. Catering to her every need, even though she hated the very sight of my face. I tried to hold on to her and the future that we were supposed to build together. But you can't hold on to someone that doesn't exist anymore.It wasn't until I met Jesse Addison, a barista at the local coffee shop, that I realized I didn't just lose Sarah that tragic night, I lost myself as well. Jesse taught me how to let go of the past and learn to love again. But what happens when your past haunts your present and the woman you used to love refuses to accept the woman you can't live without?**Intended for readers 18+.* Each book in this series can be read as a standalone.**

The Shipwrecked Mind

Ruined by Design

Fighting Silence

Written with Regret

‘This strange story of love and loneliness, which explores how we all long to belong, is simply wonderful.’ Daily Mail
When, in 1859, George Hills is pulled from the wreck of the steamship Admella, he carries with him the uneasy memory of a fellow survivor. Someone else - or something else - kept him warm as he lay dying, half-submerged in the freezing Southern Ocean, kept him bound to life. As George adapts to his life back on land, he can’t quite escape the feeling that he wasn’t alone when he emerged from the ocean that day, that a familiar presence has been watching him ever since. What the creature might want from him - his life? His first-born? Simply to return to its home? - will pursue him, and call him back to the water, where it all began. [A] singular novel . . . [From the Wreck] movingly explores themes of loss, loneliness and guilt.’ Guardian
‘An absorbing, disturbing read, full of deep currents and lurking fears.’ Adrian Tchaikovsky, Arthur C. Clarke Award-winning author of The Children of Time
It was supposed to be a summer we’d never forget. Instead, everything was stolen from me. The best friend who was more like a sister. The innocent way I looked at life. Leaving me with only unanswered questions. Returning to the island is the second chance I didn’t know I needed. And Hunter is the surprise that knocks me sideways. There’s a hurt in him that calls to my own. A strength I find in sharing our scars. Igniting a spark that turns to flame. But someone isn’t happy about the world I’m building for myself. And nothing will stop them from tearing it all apart...

National bestselling author of APOCALYPSE NEVER skewers progressives for the mishandling of America’s faltering cities. Progressives claimed they knew how to solve homelessness, inequality, and crime. But in cities they control, progressives made those problems worse. Michael Shellenberger has lived in the San Francisco Bay Area for thirty years. During that time, he advocated for the decriminalization of drugs, affordable housing, and alternatives to jail and prison. But as homeless encampments spread, and overdose deaths skyrocketed, Shellenberger decided to take a closer look at the problem. What he discovered shocked him. The problems had grown worse not despite but because of progressive policies. San Francisco and other West Coast cities — Los Angeles, Seattle, Portland — had gone beyond merely tolerating homelessness, drug dealing, and crime to actively enabling them. San Fransicko reveals that the underlying problem isn’t a lack of housing or money for social programs. The real problem is an ideology that designates some people, by identity or experience, as victims entitled to destructive behaviors. The result is an undermining of the values that make cities, and civilization itself, possible.

Every little girl dreams of the fairytale. The one where the white knight rushes in to save her from the clutches of evil. They fall in love, have babies, and live happily ever after.By that definition, my life should have been a fairytale too.When I was eight years old, Caven Hunt saved me from the worst kind of evil to walk the Earth. It didn't matter that I was a kid. I fell in love with him all the same.But that was where my fairytale ended.Years later, a one-night stand during the darkest time imaginable gave us a little girl. It was nothing compared to the pitch black that consumed me when I was forced to leave her with Caven for good.At the end of every fairytale, the happily-ever-after is the one thing that remains consistent. It wasn't going to be mine, but there hadn't been a night that passed where I hadn't prayed that it would be hers.I owed Caven my life. However, I owed that innocent child more. And that included ripping the heart from my chest and facing her father again.

“Not gonna lie, this is probably the coolest journal you’ll ever see. . . . Wreck This Journal is here to inspire you.”—Buzzfeed A spectacular coloring and painting edition of the incredible journal that started it all, in celebration of the tenth anniversary of the 10-million-copy international bestseller Perhaps you're a seasoned Wreck-er, having made your way through one or more copies of Wreck This Journal. Or maybe you're new to the phenomenon (little do you know, this experience might just change your life). Whatever the case, you've found the perfect book to destroy... Welcome to an all new-edition of Wreck This Journal, now in spectacular full color! Inside, you'll find prompts for painting, shredding, transforming, and unleashing your creativity. With a mix of new, altered, and favorite prompts, Wreck This Journal: Now in Color invites you to wreck with color: mixing colors to make mud, letting chance dictate your color choice, weaving with brightly colored strips of paper, and more. What colors will you use to you wreck your journal? “A conceptual artist and author luring kids into questioning the world and appreciating every smell, texture and mystery in it.” —TIME Magazine “Keri Smith may well be the self-help guru this DIY generation deserves.” —The Believer

I lost my virginity at age thirteen. I know what you're thinking, and the answer is no. I wasn't raped or molested. Nothing horrible happened to me. I don't have a daddy complex, or a shit life that I need to be rescued from. I just happen to like boys...a lot. I like them all. Tall, short, skinny, buff, light hair, or dark, I don't discriminate. I realized early on that one man wasn't enough for me. It's a simple mathematical fact. Why have one man when you can have two? Any more than two gets complicated. Hell, half the time even two gets complicated. But it's worth it. Sometimes every woman has to make an exception though, two crappy losers or one smoking hot man. The night I laid eyes on Hunter Coy, I made my choice. At least until he introduced me to Mason Wynn.

From USA Today Bestselling Author Aly Martinez comes an emotional new standalone. Growing up, Ramsey Stewart branded my soul in ways time could never heal. At twelve, he asked me to be his girlfriend. At thirteen, he gave me my first kiss. By sixteen, we'd fallen in love, planned a future together, and had our eyes set on the horizon. Love never fails, right? But for Ramsey, it did. Love failed him. I failed him. The entire world failed him. At seventeen, Ramsey was convicted of killing the boy who assaulted me. Move on, he wrote in his first and only letter from prison. Start a new life, he urged. I don't love you anymore, he lied. There was no such thing as giving up on Ramsey. Love may have been our curse, but he was mine-then, now, and forever. So here I am, twelve long years later, waiting for a man I don't even know to emerge from between the chain link gates.

*My name was Dr. Erica Hill. I was a victim, then a witness, and then I ceased to exist altogether. I may still be breathing, but stripped of my identity, I have long since stopped living. I am invisible, and my life depends on my ability to stay in the shadows. But he sees me. Slate Andrews is the embodiment of everything I have been taught to avoid. He's rich and famous, and one image of him with a woman would earn millions for any paparazzi lucky enough to snap it. He has vowed to protect me with his life, yet he exposes me with his every breath. I should be stronger and walk away. I should disappear. But I'm terrified he would come after me. I'm on the run, determined not to take him down with me but absolutely unable to let him go. My name is Riley Peterson...at least for today. *Among The Echoes is a stand alone novel which contains material that may be offensive to some readers. Including sexual abuse, graphic language, and adult situations. Intended for readers 18+.**

An Age Gap Romance

Wrecked But Not Ruined

The Lumatere Chronicles

Twisted City Duet Book 1

When a Broken World Slams into Your Comfortable Life

The world is working exactly as designed. And it's not working very well. Which means we need to do a better job of designing it.

In her seventh volume of poetry, Adrienne Rich searches to reclaim—to discover—what has been forgotten, lost, or unexplored. "I came to explore the wreck. / The words are purposes. / The words are maps. / I came to see the damage that was done / and the treasures that prevail." These provocative poems move with the power of Rich's distinctive voice.

The climactic conclusion of Printz Award winner Melina Marchetta’ s epic fantasy trilogy! Separated from the girl he loves and has sworn to protect, Froi and his companions travel through Charyn searching for Quintana and building an army that will secure her unborn child’ s right to rule. While in the valley between two kingdoms, Quintana of Charyn and Isaboe of Lumatere come face-to-face in a showdown that will result in heartbreak for one and power for the other. The complex tangle of bloodlines, politics, and love introduced in Finnikin of the Rock and Froi of the Exiles coalesce into an engrossing climax in this final volume.

Truth: Penn Walker entered my life like a summer storm-dark, ominous, and filled with thunder. After witnessing my husband's murder, I didn't have much of a heart left to offer a man. But Penn took it all. Every jagged shard. Every broken bit. Even the dirty and twisted pieces that I wish never existed. Lie: I didn't need him to save me. Lie: I knew exactly who he was. Lie: Losing him wouldn't destroy me. But that's the thing about lies-you never know who to believe.

Diving into the Wreck: Poems 1971-1972

Wrecked Palace

Wreck & Ruin

You Complicate Me

My life is boring. Monotonous. And then tall, dark, and dangerous walks into the bar where I work. Before I know it, I'm in his arms asking him to rescue me. He's Colt Weston, President of the Blue Angels MC. Colt makes me feel alive...and wanted. The Blue Angels embrace me as one of their own, and when a violent rival threatens to tear us apart, I learn what loyalty truly means. Family. Sacrifice. Revenge. There's nothing Colt won't do to protect me.

One night was all it took for everything to change. From college student to guardian in a single breath. My siblings became my world. No time for date nights or romantic dreams. I traded quiet weekends for sleepless nights. Giving my all to make sure they were cared for. But Griffin had a brokenness that called to me—one that mirrored my own. Gruff and just a little bit reckless. He was the last thing I needed. But everything I wanted. Only someone isn't happy about this new life I'm building. Deciding to set fire to everything I hold close. And when the smoke clears, there might be only ashes left behind...*** Read what others are saying about Wrecked Palace: "A tortured hero, an inspirational heroine, suspense, and a slow-burn romance are the perfect recipe for a book that will utterly captivate readers. I come from a family of fighters. I always thought I'd follow in their shadows, becoming unstoppable in the ring. That changed the day I saved the life of a woman I loved, but could never have. My brother hailed me as a hero, and my reward was a wheelchair. Paralyzed, my life became an inescapable nightmare. Until I met her. Ash Mabie had a heart-stopping smile and a laugh that numbed the rage and resentment brewing inside of me. She showed me that even the darkest night still had stars, and it didn't matter one bit that you had to lie in the weeds to see them. I was a jaded asshole who fell for a girl with a knack for running away. I couldn't even walk but I would have spent a lifetime chasing her. Now, I'm on the ropes during the toughest battles of my life. Fighting the shadows of our past. Fighting to reclaim my future. Fighting for her.

Truth: From over a thousand miles away, I watched on the screen of my phone as two men murdered my wife. And I was helpless to save her. Consumed by hate and rage, I spent four years running from my memories. Until a shattered woman gave me a reason to stop. Cora lived in a nightmare, but through sheer force of will, she'd turned it into something beautiful. She had

a smile that could pierce the darkest soul. And with one glance, she shredded mine. Lie: I was only there for a fresh start. Lie: I had no idea what I was getting myself into. Lie: There was nothing I could do to save her, either. But that's the thing about lies-you never know who to believe.

Savor Me: a Novella

Quintana of Charyn

Ruined

Stolen Course

The Great Mistake

I wanted to jump. He made me fall. As a celebrity, I lived in the public eye, but somewhere along the way, I'd lost myself in the spotlight. Until he found me. Sam Rivers was a gorgeous, tattooed stranger who saved my life with nothing more than a simple conversation. But we were both standing on that bridge for a reason the night we met. The secrets of our pasts brought us together-and then tore us apart. Could we find a reason to hold on as life constantly pulled us down? Or maybe there's only one direction to go when two people fall in love at rock bottom-up.

We don't understand the reactionary mind. As a result, argues Mark Lilla in this timely book, the ideas and passions that shape today's political dramas are unintelligible to us. The reactionary is anything but a conservative. He is as radical and modern a figure as the revolutionary, someone shipwrecked in the rapidly changing present, and suffering from nostalgia for an idealized past and an apocalyptic fear that history is rushing toward catastrophe. And like the revolutionary his political engagements are motivated by highly developed ideas. Lilla begins with three twentieth-century philosophers—Franz Rosenzweig, Eric Voegelin, and Leo Strauss—who attributed the problems of modern society to a break in the history of ideas and promoted a return to earlier modes of thought. He then examines the enduring power of grand historical narratives of betrayal to shape political outlooks since the French Revolution, and shows how these narratives are employed in the writings of Europe's right-wing cultural pessimists and Maoist neocommunists, American theococonservatives fantasizing about the harmony of medieval Catholic society and radical Islamists seeking to restore a vanished Muslim caliphate. The revolutionary spirit that inspired political movements across the world for two centuries may have died out. But the spirit of reaction that rose to meet it has survived and is proving just as formidable a historical force. We live in an age when the tragicomic nostalgia of Don Quixote for a lost golden age has been transformed into a potent and sometimes deadly weapon. Mark Lilla helps us to understand why.

I fell in love with Manda Baker eight years ago, and I loved her to the core of her soul. We were supposed to have that elusive happily every after and spend a lifetime together. But that was all before she was STOLEN from me. Her best friend, Sarah Erickson, killed her. It wasn't intentional. It was far worse.

I was born a fighter. Abandoned by my parents, I spent my life forging my own path-one guided by my fists and paved with pain. Untouchable in the ring, I destroyed everyone who faced me, but that's where my victories ended. Outside the ropes, I repeatedly failed the few people who loved me. Including my best friend, Liv James-the one person I'd die to protect. Even though I didn't deserve her, Liv never stopped believing in me. Never gave up. Never let go. After all, she understood what I'd lost, because she'd lost it too. Liv was everything to me, but she was never truly mine. That was going to change. I lost my first love, but I refused to lose my soulmate. Now, I'm on the ropes during the toughest battles of my life. Fighting to be the man she deserves. Fighting the solitude of our pasts. Fighting for her.

Filthy Little Pretties

Release

The Truth about Us

Why Progressives Ruin Cities

Beneath the Wreckage

Grace Montgomery has a very simple plan. Fly to her younger brother's wedding, stop the wedding, go home, make partner at her law firm. Almost getting arrested by air marshal Nick O'Connor? Not part of the plan. Neither was puking on him. (Don't ask) Finding out he's her soon-to-be brother-in-law...also a minor setback to her plan. And don't even get her started on her untimely attraction to the tall, dark, and dead-sexy jerk. If Nick had a plan, it wouldn't include getting involved with a woman as complicated as Grace. It especially wouldn't include road tripping with her to attend a week of pre-wedding family events. But as it turns out, traveling-and sparring-with the lovely, sharp-witted Grace is the most fun Nick's had since, well, ever. And their sexual chemistry? Off. The. Charts. It doesn't take long for Grace to realize there's a lot more to her air marshal than a pretty face and a big, um, gun. If she's not careful, she just might lose her highly prized control-not to mention her heart-to Nick. But before Grace and Nick can set foot on the road to happily ever after, they'll have to deal with Grace's meddling ex, a slew of dysfunctional family members, and a contaminated pumpkin bisque (long story) ... and that's all before the end of day two. It's gonna be a long, complicated week...

Wren I always knew darkness crept through this city, like a shadow, it never really goes away, always watching, always waiting. People sin and people kill, it's a way of life. I just never expected to be thrown into the middle of a war I had no hope of surviving. Alexander Silver is as brutal as he is beautiful. A Devil in disguise. The man destined to end me. I didn't go looking for trouble and yet it found me, nonetheless. I could either join it or let it crush me. Lex Wren Valentine My sweet Little Bird. I had no right dragging her into my world of violence and bloodshed, but I did it anyway. I am the King, sitting on a throne of chaos. She was supposed to be the enemy, the means to an end, but she became much more than that. In this life, you take what you want and strike down those who oppose you. She is mine. And I'll paint the streets red if anyone dares to take her. Little Bird is Book 1 in the Twisted City Duet. If you like dark, dirty and suspenseful romance, this one's for you! Warning! This is a dark romance and contains themes common in dark romances including, kidnap, violence, drug and alcohol use, sexual content and strong language. It is not recommended for readers under the age of 18. This book ends on a cliffhanger.

Old Murphy's unexpected return to the Eagen home in New Orleans sparks off reminiscences of the family's history from the 1930s to the 1960s, when a misunderstanding leads to tragedy. Reprint.

Seven years ago, my life changed forever. One accident and the person I saw in the mirror no longer resembled the woman I used to be. I was lost and confused inside my own body. I felt alone and disconnected from the world, carrying the incredible weight of guilt and loss that wasn't even mine to harbor. Then fate led me to Leo James. He taught me that crazy could be perfectly normal and it shouldn't hurt to breathe. Don't get me wrong. Leo isn't perfect. He has his own cross to bear, and the truth is, that might be why I fell for him in the first place. But despite everything he does for me, learning to forgive myself is infinitely harder than overlooking the flaws of another. Now, the secrets and lies of our past have begun to dictate our future-threatening to ruin us before we get the chance to try. Perhaps we were cursed from the start. Or maybe, just maybe, the remnants of our fractured lives will fit together to form one whole, where love isn't questioned and being happy is...well, easy. Can a second broken soul be enough to fill the voids of my own? Or will such scarred pasts prove too much for our love alone to overcome?

Among the Echoes

San Fransicko

Rage and Ruin

The Complete Retrieval Duet

Toxic

Sticks and stones will break my bones, but words will never harm me. Whoever coined that phrase is a bald-faced liar. Words are often the sharpest weapon of all, triggering some of the most powerful emotions a human can experience. "You're pregnant." "It's a boy." "Your son needs a heart transplant." Sticks and stones will break my bones, but words will never harm me. Lies. Syllables and letters may not be tangible, but they can still destroy your entire life faster than a bullet from a gun. Two words-that was all it took to extinguish the sun from my sky. "He's gone." For ten years, the darkness consumed me. In the end, it was four deep, gravelly words that gave me hope of another sunrise. "Hi. I'm Porter Reese."

New York Times bestseller Amy Tintera ' s YA fantasy trilogy blends the romance of Kiera Cass ' s Selection series and the epic stakes of Victoria Aveyard ' s Red Queen in a story of revenge, adventure, and unexpected love. Emelina Flores has nothing. Her home in Ruina has been ravaged by war; her parents were killed and her sister was kidnapped. Even though Em is only a useless Ruined—completely lacking any magic—she is determined to get revenge. Her plan is simple: She will infiltrate the enemy ' s kingdom, posing as the crown prince ' s betrothed. She will lead an ambush. She will kill the king and everything he holds dear, including his son. The closer Em gets to the prince, though, the more she questions her mission. Her rage-filled heart begins to soften. But with her life—and her family—on the line, love could be Em ' s deadliest mistake.

Sadie O'Connor had successfully avoided Gage Montgomery for years. Hell, she was practically a ninja at avoiding him. And if it weren't for a stray dog, some barbed wire, and the giant gash across her left ass cheek (long story), she might've been able to go on avoiding him. But now Gage-the sexiest, grumpiest jerk she's ever laid eyes on-is right here, within reach. And it's not long before her heart's ready to hurl itself at him. Again. Too bad she can't afford to trust her heart. Not after what happened the last time...Gage certainly wasn't expecting to come face-to-face-or, face-to-ass, he supposed-with Sadie again, either. Their smokin' physical chemistry had been complicated when they first met. (Mostly because she'd been engaged to his cousin at the time. But that's another story...) Now Gage knows exactly what he wants, and that's Sadie-in his arms, in his bed, forever. All he has to do is convince the woman of his dreams to un-friend zone him once and for all...But before Gage and Sadie can figure out how to stow their emotional baggage and move forward together, they have to deal with a crazy pregnant lady, Gage's even crazier family, and the re-appearance of a particularly pesky ghost from Sadie's past. Looks like things might get even more complicated this time around...You Wrecked Me is book 2 in the You Complicate Me duet but can be read as a standalone. Not intended for anyone who doesn't like characters who cuss, tons of nerdy pop culture references, and all manner of familial silliness. For the rest of you, happy reading!

What happens when a broken world slams into your comfortable life? Wrecked is about the life we are afraid to live. It ' s about radical sacrifice and selfless service—how we find purpose in the midst of pain. It's a look at how we discover fulfillment in the least likely of places. It's about living like we mean it. It ' s a guide to growing up and giving your life away, helping you live in the tension between the next adventure and the daily mundane. This book is for us—a generation intent on pursuing our life's work in a way that leaves us without regrets. Author Jeff Goins shares his own experience of struggling as a missionary and twentysomething who understands the call to live radically while dealing with the everyday responsibilities of life. Wrecked is a manifesto for a generation dissatisfied with the status quo and wanting to make a difference.

From The Wreck

Little Bird

"If Gossip Girl and Cruel Intentions had a baby, this book would be it!" Grey McCallister is a brooding hero that plays a helluva villain when he so chooses. Liam Brooks is a charmer with puppy dog eyes you can't say "no" to. They're the kind of guys that make time stand still when they walk by. And when their childhood best friend, Donovan Kennedy, comes back to New York, friendships get tested. Choices are made they can't take back. And one boy gets a taste of what it's like to want someone so bad that you'd burn down the city to have her. "Trilina delivers an addictive high school romance high on angst and drama and a book that is total sexy perfection. Prepare to be twisted into delicious knots! I loved it!"--Siobhan Davis, USA Today bestselling author Donovan Kennedy is the girl dreams are made of. Five years ago, she was our best friend. Our moral compass. The girl that held our hands everywhere we went. We were young. Innocent. Nothing could touch us -- not even heartache. That was then. Now she's back. All grown up. With red lips and long legs -- a challenge waiting to be accepted. A prize that'll turn our world upside down. Brothers turned to enemies. Friendships decimated. Lies told. Hearts torn apart. Prep school's never been so scandalous. USA Today Bestselling author, Trilina Pucci, brings you an addictive, sexy friends-to-lovers high school romance packed with off-the-chart chemistry, competition, and raw emotional angst.

A powerful, hopeful critique of the unnecessary death spiral of higher education, The Great Mistake is essential reading for those who wonder why students have been paying more to get less and for everyone who cares about the role the higher education system plays in improving the lives of average Americans.
