A comprehensive study guide offering in-depth explanation, essay, and test prep for Chinua Achebe's *Things Fall Apart*, regarded as one of literature's first counter narratives. As a classic novel written two years before Nigeria's independence, *Things Fall Apart* showcases a pre-colonized Nigeria and the transformation of culture after English colonization. Moreover, Achebe is a colorful and gifted storyteller, allowing readers to experience a culture they otherwise might not have the pleasure of knowing. This Bright Notes Study Guide explores the context and history of Achebe's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, *No Longer at Ease* concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are *Things Fall Apart* and *Arrow of God*.

Of French and Malagasy stock, involved in South African politics from an early age, Alex La Guma was arrested for treason with 155 others in 1956 and finally acquitted in 1960. During the State of Emergency following the Sharpeville massacre he was detained for five months. Continuing to write, he endured house arrest and solitary confinement. La Guma left South Africa as a refugee in 1966 and lived in exile in London and Havana. He died in 1986. *A Walk in the Night and Other Stories* reveals La Guma as one of the most important African writers of his time. These works reveal the plight of non-whites in apartheid South Africa, laying bare the lives of the poor and the outcasts who filled the ghettos and shantytowns.

Still Life: Sketches from a Tunbridge Wells Childhood (the sub-title is important) was first published in 1984. It won the J.R. Ackerley Prize for Literary Biography in that year. It is a classic among middle-class memoirs. In twenty-one short chapters the town is vividly anatomized. So too are its residents: meet Dr Ranking and, best of all, meet the Limbury-Buses living a life of contented ossification. 'Cobb remembers, and that, as well as his redeeming freedom from all conventional standards of dignity and relevance, is what makes this offbeat, capricious book a rare treasure'. John Carey, *Sunday Times* 'A remarkable feat of making

purest autobiography part of a general, social history... Cobb has broken one of the strangest silences in English social commentary; on the missing history of the English bourgeoisie'. Michael Neve, Times Literary Supplement

*** PRE-ORDER NIGHTS OF PLAGUE, THE NEW NOVEL FROM ORHAN PAMUK ** Winner of the Nobel Prize for Literature Winner of the International IMPAC Dublin Award 'Wonderful' The Spectator 'Magnificent' Observer 'Sumptuous' New Yorker 'Unforgettable' Guardian My Name is Red is an unforgettable murder mystery, set amid the splendour of sixteenth century Istanbul, from the Nobel prizewinning author In the late 1590s, the Sultan secretly commissions a great book: a celebration of his life and his empire, to be illuminated by the best artists of the day - in the European manner. At a time of violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three days, perhaps the clue lies somewhere in the half-finished pictures . . . Orhan Pamuk is one of the world's leading contemporary novelists and in My Name is Red, he fashioned an unforgettable tale of suspense, and an artful meditation on love and deception.*

Chinua Achebe is Africa's most prominent writer, the author of Things Fall Apart, the best known--and best selling--novel ever to come out of Africa. His fiction and poetry burn with a passionate commitment to political justice, bringing to life not only Africa's troubled encounters with Europe but also the dark side of contemporary African political life. Now, in Home and Exile, Achebe reveals the man behind his powerful work. Here is an extended exploration of the European impact on African culture, viewed through the most vivid experience available to the author--his own life. It is an extended snapshot of a major writer's childhood, illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and, indeed, go one better than the Empire, they run the danger of undervaluing their homeland and their own people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another culture is to give that power away. Home and Exile is a moving account of an exceptional life. Achebe reveals the inner workings of the human conscience through the predicament of Africa and his own intellectual life. It is a story of the triumph of mind, told in the words of one of this century's most gifted writers.

Clinical practice related to sleep problems and sleep disorders has been expanding rapidly in the last few years, but scientific research is not keeping pace. Sleep apnea, insomnia, and restless legs syndrome are three examples of very common disorders for which we have little biological information. This new book cuts across a variety of medical disciplines such as neurology, pulmonology, pediatrics, internal medicine, psychiatry, psychology, otolaryngology, and nursing, as well as other medical practices with an interest in the management of sleep pathology. This area of research is not limited to very young and old patients—sleep disorders reach across all ages and ethnicities. Sleep Disorders and Sleep Deprivation presents a structured analysis that explores the following: Improving awareness among the general public and health care professionals. Increasing investment in interdisciplinary somnology and sleep medicine research training and mentoring activities. Validating and developing new and existing technologies for diagnosis and treatment. This book will be of interest to those looking to learn more about the enormous public health burden of sleep disorders and sleep deprivation and the strikingly limited capacity of the health care enterprise to identify and treat the majority of individuals suffering from sleep problems.

A Vintage Shorts "Short Story Month" Selection Mrs. Emenike resents that her husband drives a Mercedes while she is relegated the "noisy Fiat," and she loathes the words "free primary education," a new government initiative for which three of her servants have abandoned her. But, when the program is recalled, ten-year-old Vero, whose hopes of going to school have been dashed, is Mrs. Emenike's next willing recruit—young, innocent, and desperate to do anything and everything she must to earn an education. In this masterful story by "the father of Nigerian writing," Chinua Achebe portrays the devastating injustice done to young women by government corruption and wealth inequality. Selected from Achebe's much-lauded collection of short fiction, Girls at War. An ebook short.

From the legendary author of Things Fall Apart comes a long-awaited memoir about coming of age with a fragile new nation, then watching it torn asunder in a tragic

civil war The defining experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War, of 1967–1970. The conflict was infamous for its

savage impact on the Biafran people, Chinua Achebe's people, many of whom were starved to death after the Nigerian government blockaded their borders. By

then, Chinua Achebe was already a world-renowned novelist, with a young family to protect. He took the Biafran side in the conflict and served his government as a

roving cultural ambassador, from which vantage he absorbed the war's full horror. Immediately after, Achebe took refuge in an academic post in the United States,

and for more than forty years he has maintained a considered silence on the events of those terrible years, addressing them only obliquely through his poetry. Now,

decades in the making, comes a towering reckoning with one of modern Africa's most fateful events, from a writer whose words and courage have left an enduring

stamp on world literature. Achebe masterfully relates his experience, both as he lived it and how he has come to understand it. He begins his story with Nigeria's

birth pangs and the story of his own upbringing as a man and as a writer so that we might come to understand the country's promise, which turned to horror when

the hot winds of hatred began to stir. To read There Was a Country is to be powerfully reminded that artists have a particular obligation, especially during a time of

war. All writers, Achebe argues, should be committed writers—they should speak for their history, their beliefs, and their people. Marrying history and memoir, poetry

and prose, There Was a Country is a distillation of vivid firsthand observation and forty years of research and reflection. Wise, humane, and authoritative, it will

stand as definitive and reinforce Achebe's place as one of the most vital literary and moral voices of our age.

Understanding Things Fall Apart

When Things Fall Apart

No Longer at Ease

From the renowned author of The African Trilogy, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts—and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted coup in 1966, A Man of the People is an essential part of Achebe's body of work.

Critical essays discuss the language, symbolism, characters, and themes of the classic novel about British colonialism in Nigeria.
