"Frank Cook shows new agents, those who might want to be agents, and those who want to be better agents, the road to success."--Jacket.

'Anyone who loved the great Maeve Binchy will adore this gorgeous gem of a book' – Claudia Carroll The gripping new novel from Irish Times bestseller Carmel Harrington, shortlisted for Newcomer of the Year at the BGE Irish Book Awards. Every family has a story... Meet the Guinness family...

"I love the shit out of my daughter. I want to change the world, with words. This started as affirmations for Lilah, which turned into prayers, which turned into love letters, which turned into essays, which turned into poems, which then turned into all of the above. This has been written in the same vein as Claudia Rankine's Citizen, for context. I wanted to write something that could document my experience as a single father, a single Black father, raising a soon-to-be 2-year-old Afro-Latina in the 45th era. I wanted her to know me, and know herself, with the hope that it would help fathers learn their own daughters, and learn themselves, too." -Joel L. Daniels Joel I. Daniels is a storyteller, born and raised in the Bronx. He was the recipient of the Bronx Council of the Arts BRIO Award for poetry, and his work has been featured in the Columbia Journal, Café.com, The Boston Globe, CNN Money, The Towner, Fatherly, Thought Catalog, Philadelphia Printworks, The Smoking Section, Blavity, Huffington Post, BBC Radio, RCRD LBL, URB, BRM, AllHipHop, The Source, RESPECT, and HipHopDX. He's spoken/performed at the Apollo Theater, Joe's Pub, Rockwood Music Hall, Columbia University, Lehman College, City Tech, The National Black Theater, NYU, Webster Hall, Pianos, and Brooklyn Bowl.

"In the age of COVID and chaos, social media and sky-high rents, adulting can be hard. But it doesn't have to be! This book answers questions young adults sometimes don't even know to ask. Chapters are ordered in a way that puts at the forefront what young people are thinking about now, with a new generation going into adulthood more likely to be living with family; politically and civically engaged; and using social media as a communication tool or platform. Includes money, jobs, communication, social media, identity, health insurance, living situations, housework, travel and troubleshooting"--

Struggling with overwork and parenting angst, English village doctor Peter Radley endeavors to hide his family's vampire nature until their daughter's

oddly satisfying act of violence reveals the truth, an event that is complicated by the arrival of a practicing vampire family member.

INTERNATIONAL BESTSELLER "For anyone who wants to understand capitalism not as economists or politicians have pictured it but as it actually operates, this book will be invaluable."-Observer (UK) If you've wondered how we did not see the economic collapse coming, Ha-Joon Chang knows the answer: We didn't ask what they didn't tell us about capitalism. This is a lighthearted book with a serious purpose: to question the assumptions behind the dogma and sheer hype that the dominant school of neoliberal economists—the apostles of the freemarket—have spun since the Age of Reagan. Chang, the author of the international bestseller *Bad Samaritans*, is one of the world's most respected economists, a voice of sanity—and wit—in the tradition of John Kenneth Galbraith and Joseph Stiglitz. *23 Things They Don't Tell You About Capitalism* equips readers with an understanding of how global capitalism works—and doesn't. In his final chapter, "How to Rebuild the World," Chang offers a vision of how we can shape capitalism to humane ends, instead of becoming slaves of the market.

Have you ever felt the need to say a few last words to your ex, or to someone who hurt you? This book expresses feelings of hurt, resentment and healing. A short quote book but beautiful read.

"When I read a Tiffany L. Warren novel I know I'm going to get two things—a riveting story and a faith boost!" —ReShonda Tate Billingsley Kimberly.

Hahna. Twila. Three successful forty-somethings who broke all their dating rules. They found more straight-up satisfaction—and commitment—than they ever believed possible. But with their bold choices have come unexpected challenges . . . At last, shy Kimberly has the love she's longed for—complete with a lavish destination wedding. But her fiancé's past relationships, and her own personal baggage, are about to turn their special dream day into a perfect nightmare. . . . Meanwhile, a shattering business reversal has all-about-the-money Hahna at odds with the young boho writer she loves—and tempted big-time by the man who got away. . . . And Twila is still reeling from a sexual assault—and out for revenge, no matter what the personal cost. Now the trio must push their sisterhood bonds to the breaking point to hold on to their sanity—and their hard-won happiness. Praise for Tiffany L. Warren's novels "The twists and turns will keep readers engaged. . . . Fans of ReShonda Tate Billingsley and Victoria Christopher Murray will find familiar characters and themes, but Warren's novel will appeal to any reader who enjoys stories about couples in crisis." —Booklist on *The Outside Child* "In a fine blend of suspense and inspirational fiction, Warren spins an entertaining tale about folks misbehaving behind the pulpit in a modern African American church." —Library Journal on *The Pastor's Husband*

Benge gives voice to the mundane and overlooked. His open-ended photographic sequences record small moments of everyday life. Do you ever feel like you could do more with your life, but you don't know where to start? Do great ideas keep going through your mind, barely changing from year to year? Do you need the tools to get you going in the right direction? This book has one purpose: To help you make your dream come true, no matter how big that dream might be. To change your life you need the desire to change and the commitment to make that change possible through action. Mind to Mind Conversations will help start you on the path to a new life.

NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* “Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage.”—Glennon Doyle **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE** It's a crazy idea: trying to name the phrases that make love and connection possible. But that's just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she's back with a deeply personal, unfailingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In “I Don't Know,” Corrigan wrestles to make peace with uncertainty, whether it's over invitations that never came or a friend's agonizing infertility. In “No,” she admires her mother's ability to set boundaries and her liberating willingness to be unpopular. In “Tell Me More,” a facialist named Tish teaches her something important about listening. And in “I Was Wrong,” she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand “the thing behind the thing,” Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan's work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to change everything. Praise for *Tell Me More* “It is such a comfort just knowing that Kelly Corrigan exists:

she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to.”—Ariel Levy, author of The Rules Do Not Apply “With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so.”—Lena Dunham

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she can't shake the feeling that something isn't right. The official story doesn't ring true. Her interviews become front-page news. So does her suicide, a year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sister's effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Juni's laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks won't be the ones she finds. Told through an inspired mix of puzzle pieces—news stories, phone transcripts, press releases—and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--Provided by the publisher.

The Grey Woman

50 Things I Wish I'd Told You

Lucia van der Post has dispensed advice on living stylishly for more than three decades, and her common sense, confidence, and wit have garnered her legions of fans worldwide. A bestseller in the United Kingdom, Things I Wish My Mother Had Told Me offers in van der Post's distinctively warm, aphoristic style everything a woman needs to know about living well, with elegance and glamour. Leaving no aspect of a woman's life unconsidered, sections include How to Work and Have a Life; Cheap Chic; Ten Easy Main Courses; How to Wear Black; and Love, Marriage, and Happiness.

Growing into manhood has been challenging as men often don't talk about the steps they take. What makes it harder is when there is no

man around to lead by example. This book gives solid examples of young men as they grow and the traps that await. It also lets the reader learn that true wisdom is the ability to learn from other peoples mistakes as well as your own.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

(And You Should Have Listened To!)

A Guide to Living with Impeccable Grace and Style

The award-winning author of What Looks Like Crazy on an Ordinary Day reminisces on the art of balancing family, politics and a writing career during her pre-fame years in the 1970s and 1980s, tracing her rise from a small-time columnist and her friendships with such notables as Richard Pryor, Avery Brooks and Jesse Jackson.

Things I Should Have Told My Daughter Lies, Lessons & Love Affairs Simon and Schuster
Things I Wish My Father Had Told Me is a collection of sayings for a happier life and for

dealing with life's struggles from former U.S. Army counselor, Leonard Adams, whose childhood trauma from abusive parents was rejected and his own life was turned around. The motivational sayings are random snapshots of how to embody love in one's life and relationships, resulting in an affirmation of the possibilities for any of us, no matter how terrible are the conditions we are currently experiencing.

So Many Things I Want To Tell You is a small collection of life lessons that I penned for my daughter as she was stepping out into the world on her own as a college student. Even after 18 years I found that there were still so many things that I wanted to tell her, life lessons I wanted her to remember, teachings that would help her along her journey. It is my hope that she will look back on this book and remember the things I have told her and carry them close to her heart. From money, to love, dating, to faith, it is all contained in these few pages. In writing this book, I found these were not just lessons for her, but lessons for all women and reminders that as a woman you possess the power within you to live free, to live happy, to live with peace, to embrace your sexiness, to cherish everything about yourself that makes you uniquely special and wonderful.

Tell Me More

An absolutely gripping emotional page-turner with a heartbreaking twist

Things I Should Have Told My Daughter

That College Book

Tell Me Three Things

Anna, a German mill-owner's daughter, marries a French aristocrat and moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

"With tenderness and skill, Beth Vogt examines the price of secrets, the weight of tragic loss, and the soul-deep poison of things left unsaid." —Lisa Wingate, NYT bestselling author of Before We Were Yours It's been ten years since Payton Thatcher's twin sister died in an accident, leaving the entire family to cope in whatever ways they could. No longer half of a pair, Payton reinvents herself as a partner in a successful party-planning business and is doing just fine—as long as she manages to hold her memories and her family at arm's length. But with her middle sister Jillian's engagement, Payton's party-planning skills are called into action. Which means working alongside her opinionated oldest sister, Johanna, who always seems ready for a fight. They can only hope that a wedding might be

just the occasion to heal the resentment and jealousy that divides them . . . until a frightening diagnosis threatens Jillian's plans and her future. As old wounds are reopened and the family faces the possibility of another tragedy, the Thatchers must decide if they will pull together or be driven further apart.

If you've ever wanted to go back in time and talk to your younger self--to give advice, to say what you wish you had known then that you know now, to promise that even when it gets bad, it will get better--then this book is for you. If you are still young enough that most of life's lessons stretch ahead in front of you, then save yourself a heap of trouble and read what's on these pages. "This book is a must-have for readers who wish to garner the wisdom of a gifted writer who has lived it and learned a lot about life's journey along the way." --Dayton Daily News "Shuly Xóchitl Cawood opens her new book light-heartedly: with good advice on bangs. It's not all fun and games though: she also counsels her younger self on more serious topics--love and faith and health and remembering that patience is sometimes required." --Courtney LeBlanc, author of The Violence Within "Here are three more things to tell yourself at any age: 1. This book belongs in the hands of everyone turning 17--or even 57! You won't find a better birthday gift. 2. Even if you don't read it until you're 57, it will still bring you tears, solace, and wisdom. 3. Here is a writer to follow closely: the beauty, delight and humor that emanates from her work will stay with you for a very long time." --Carla Sameth, author of One Day on the Gold Line: A Memoir

Life is full of valuable lessons, yet none more so than those passed from parent to child. Whilst mothers and fathers always mean to pass on their esteemed nuggets of wisdom, time and practicalities often get in the way. The time to fly the nest comes around quickly, and some of those lessons may come in handy. 50 Things I Wish I Told You captures all of these intentions, from practical lessons on how to make a bed, how to iron a shirt and how to rent your first flat to personal advice on the perfect handshake and making small talk. These are the lessons that would have been passed on had there been a few more hours in the day. Including amusing guides on how to curb bad habits and invaluable tips on keeping a plant alive, 50 Things I Wish I'd Told You is illustrated throughout by celebrated artist Laura Quick, with her characteristic drawings both poignant and comical. This book at once reassures, encourages, enlightens and amuses and is the perfect gift for any parent who didn't quite have enough time to declare all of their wisdom.

afterwards. Sex is a great tool use it to maximise pleasure in your relationship and not as a reward tool. Pleasure should be about reciprocity and not mandatory. You should have sex because you want to and not because you feel pressured. Sex is your bargaining power and once you give it up you have nothing else to barter with. All men are hypocrites at their worst. Use your eyes because it does not matter what a man tells you with his mouth, your eyes always see the truth. Do not shuffle your king for a joker. Be careful of the games you play because men can be dogs but women will never play the game as dirty or as nasty as them.

Now a National Bestseller! In this intimate memoir, actress and musician Jamie Lynn Spears opens up for the first time, telling her unfiltered story on her own terms. You've read the headlines, but you don't know Jamie Lynn Spears. The world first met Jamie Lynn as a child star, when it was her job to perform, both on set and for the press. She spent years escaping into different characters on *All That* and *Zoey 101*. But as she grew up, faced a teen pregnancy, raised her daughter on her own, pursued a career, and learned to stand on her own two feet, the real Jamie Lynn started to take center stage — a raw, blemished, and imperfect woman, standing in her own power. Despite growing up in one of America's most tabloid-famous families, Jamie Lynn has never told her story in her own words. In *Things I Should Have Said*, she talks frankly about the highs and lows, sharing what it was like traveling the world as a kid, how she moved into acting and performing herself, what life as a child star took from her, and the life-changing reality of becoming a teen mom. She talks about how she finally found love and how the mistakes she has made have taught her more than anything else. She also shares vulnerably about how the ATV accident that nearly took her daughter's life brought her back to her faith and caused her to reevaluate and redirect her life. Frank, courageous, and inspiring, *Things I Should Have Said* is a portrait of a wife, momma, sister, daughter, actress, and musician doing the best she could to show up for herself and teach her daughters to have the courage to love every part of themselves, too.

“ This book. There are no words and five stars seems such a low bar when this book is as shockingly good as it is. I even found myself screaming NO WAY and almost woke my baby just because the twists and turns had me that shocked. I read this late into the night simply because I had to know how it ended. ” Goodreads reviewer

They say home is where the heart is, yet somehow my heart is split in two. New York, the city I live in and love, and Ireland, the home of my ancestors—somewhere I have lived only in my dreams. And now I have no choice but to go looking... Brooklyn, New York: Broken-hearted and home alone on New Year's Eve, Bea O'Connor finds a letter she wrote to herself nearly twenty years before... In the letter, she'd wished for many things. To never lose touch with her two best friends. For her father to be happier. To one day go back to the picturesque Irish village of Kilmore Quay, so she could find out more about her mother who'd died when Bea was tiny. Bea had also dreamed that she'd one day find love—even if her heart is too fragile since losing Dan to think about that right now. Impulsively she starts writing new little wishes in the margins of the letter. But as the moon goes down over New York City and another year begins, a little magic seems to be in the air. And, as shocking family secrets come to light and Bea finds herself having to travel to Kilmore Quay at last, some of those wishes start to feel like they really could come true. Even if fate has one last twist in store... An absolutely gripping and powerful story that will break your heart into thousands of tiny pieces, perfect for fans of Jojo Moyes, Maeve Binchy and Jean Grainger. Readers are loving *The Moon Over Kilmore Quay*: “ It's FULL of heart and I'm warning you, it'll SMASH yours — but put it back together again just before the end. It should really come packaged with tissues and a box of Barry's Tea, which as a Corkonian I'm happy to say features prominently. ” USA Today bestselling author, Catherine Ryan Howard “ Wow, where do I start ... Her best yet — a completely

Sometimes it may not be too good of an idea to look too closely into your into family background. My father told me a number of useful things that should prove beneficial to any parent pursuing the difficult task of raising their children. This book lists 35 things that my father told me that have proven useful to me during my life and will be helpful to any reader of this book. His criteria for success are marvelous.

Includes an excerpt from What to say next.

In *Forty Things I Wish I'd Told My Kids*, John Allcock presents the essentials of mindfulness—not as something special and exotic, but as practical, down-to-Earth principles for living. Written in clear, simple language, *Forty Things I Wish I'd Told My Kids* is for anyone interested in living a fuller, happier life—including parents, young adults, and readers of Anna Quindlen's *A Short Guide to a Happy Life* or H. Jackson Brown's *Life's Little Instruction Book*.

In this inspiring memoir—that Jane Fonda raves “will make you braver...want to live your life better and make a difference”—the award-winning playwright and bestselling author of *What Looks Like Crazy on an Ordinary Day* reminisces on

the art of juggling marriage, motherhood, and politics while working to hone her craft as a writer. Before she become one of America's most popular playwrights and a bestselling author with a novel endorsed by Oprah's Book Club, Pearl Cleage was a struggling writer going through personal and professional turmoil. In *Things I Should Have Told My Daughter*, Cleage takes us back to the 1970s and 80s, when she was a young wife and mother trying to find her voice as a writer. Living in Atlanta, she worked alongside Maynard Jackson, the city's first black mayor and it was here among fraught politics that she began to feel the pull of her own dreams—a pull that led her away from her husband as she grappled with ideas of feminism and self-fulfillment. In the tradition of literary giants such as Joan Didion, Nora Ephron, and Maya Angelou, Cleage crafts an illuminating and moving self-portrait in which her “extraordinary experiences, deep social concerns, passionate self-analysis, and personal and artistic liberation, all so openly confided, make for a highly charged, redefining read” (Booklist).

Approved-by-Mother proverbial sayings on over 180 topics covering body, mind and soul.

Marriage, parenting, driving, faith, character ... Pentz has collected maternal advice on a wide range of topics. After all, "an ounce of mother is worth a pound of clergy". This collection of homespun wisdom offers mother-approved proverbial sayings on over 180 topics, covering body, mind, and soul.

The instant #1 New York Times bestselling mystery and Reese Witherspoon Book Club pick that's captivated more than a million readers about a woman searching for the truth about her husband's disappearance...at any cost. “A fast-moving, heartfelt thriller about the sacrifices we make for the people we love most.” —Real Simple Before Owen Michaels disappears, he smuggles a note to his beloved wife of one year: Protect her. Despite her confusion and fear, Hannah Hall knows exactly to whom the note refers—Owen's sixteen-year-old daughter, Bailey. Bailey, who lost her mother tragically as a child. Bailey, who wants absolutely nothing to do with her new stepmother. As Hannah's increasingly desperate calls to Owen go unanswered, as the FBI arrests Owen's boss, as a US marshal and federal agents arrive at her Sausalito home unannounced, Hannah quickly realizes her husband isn't who he said he was. And that Bailey just may hold the key to figuring out Owen's true identity—and why he really disappeared. Hannah and Bailey set out to discover the truth. But as they start putting together the pieces of Owen's past, they soon realize they're also building a new future—one neither of them could have anticipated. With its breakneck pacing, dizzying plot twists, and evocative family drama, *The Last Thing He Told Me* is a riveting mystery, certain to shock you with its final, heartbreaking turn.

British Muslim Women Write

It's Time for Black Youth to Know the Truth about Their Parents, America, and Themselves

Stories About the 12 Hardest Things I'm Learning to Say

You might learn a few useful things at school, but most of what matters, most of what makes you into a fully functioning human being, no teacher will ever tell you. This diamond-sharp, honest book of hard-earned wisdom is one mother's effort to equip her daughter for survival in the real world. Heartbreakingly funny, *Navigating Life* has invaluable tips for students of life of all ages. It will challenge you to lead a more meaningful life and to tackle the bumps along the way with grit, style, and ingenuity. From established literary heavyweights to emerging spoken word artists, the writers in this ground-breaking collection blow away the narrow image of the ' Muslim Woman ' . Hear from users of Islamic Tinder, a disenchanted Maulana working as a TV chat show host and a plastic surgeon blackmailed by MI6. Follow the career of an actress with Middle-Eastern heritage whose dreams of playing a ghostbuster spiral into repeat castings as a jihadi bride. Among stories of honour killings and ill-fated love in besieged locations, we also find heart-warming connections and powerful challenges to the status quo. From Algiers to Brighton, these stories transcend time and place revealing just how varied the search for belonging can be. Between them the writers in this anthology have been short- or long-listed for four Orange Prizes, two Man Booker Prizes and won countless other awards. Alongside renowned authors are emerging voices published here for the first time.
