

Think Public Speaking

It is not uncommon for seasoned business executives to feel confident in their fields of expertise, yet find themselves struggling when it comes to expressing their ideas clearly and effectively to sales teams, clients, and employees. And yet the ability to present well in front of a group is an essential skill for success at leadership levels in the business world. John M. Vautier, the author of Speak As Well As You Think, has coached more than a 1000 CEOs and senior leaders, and more than 3,000 executives, sales professionals and next-generation leaders. He has enabled them to leap the gap – from struggling speaker and presenter to charismatic communicator. The Vautier system offers a set of proven techniques to instill skills executives can master and utilize to take their communication skills to the next level – to learn how to “speak as well as they think.”

Developed by controversial and leading experts, from exhaustive studies conducted in real-world situations, and embraced by Fortune 100 senior leaders, the executive communication skills coaching the Vautiers offer has been tried and proven effective – again and again. Whether you seek to excel at the podium or in seated presentations in meeting rooms, this book can help. You will learn how to move, gesture, and connect with your members. You will know when to speak and when to be a stand-out commander. The results? Leaders learn to present well at the podium and you earn respect and grow your opportunities. Your audiences will be actively engaged, motivated, and inspired. Your message will be elevated to new levels of status. What happens next? The sky’s the limit! The contents of Speak As Well As You Think include – An overview of what happens when you speak as well as you think - The 7 elements of executive presence (what they hear, why, what they hear) - Why comfort is optional - How two days of coaching helped an NFL star shine on letterman - The do’s and don’ts of executive presence - How to communicate with charisma, presence and power - Making the most of your speech and presentation options–informal to formal - The recipe for sharing a viewpoint - How to calmly weather the unexpected media interview or hostile O&A - Communicating to the C-Suite - why, what they better - Some thoughts on executive communications and authentic leadership

with Pearson eText online with a credit card at www.mycommunicationlab.com. A strategic approach to public speaking Public Speaking: Strategies for Success is based on the premise that successful public speaking is strategic. Critical thinking and strategic planning are emphasized throughout the text. David Zarefsky, one of today's leading scholars in speech communication, encourages students to think through and about the public speaking process. Zarefsky urges students to consider the diversity of audiences, occasions, and speakers and to choose a specific purpose, a relevant topic, and the appropriate material to make their speeches successful. Because public speaking is situation-specific, the author stresses the integration of theory and practice throughout the text. Students learn how to develop and apply strategies for speaking situations they will encounter throughout the rest of their lives. MyCommunicationLab is an integral part of the Zarefsky program. Key learning applications include MediaShare, assessment and sample speeches. This text is available in a variety of formats — digital and print.
