

Thirty And A Half Excuses Denise Grover Swank

Life in Henryetta, Arkansas is turned upside down with the arrival of a televangelist, but it's the death of a little old lady on Rose's street that catches her attention. The Henryetta police deem her death natural causes, but Rose suspects foul play and so does an unlikely supporter--the president of the Busy Body Club, her eighty-two year old neighbor Mildred. But Rose is in the middle of opening her nursery with her sister Violet, who's separated from her husband Mike, as well as stalling her boyfriend Joe's family, rich socialites who are determined to meet her. Along with her multiple encounters with Fenton County's new assistant DA, Mason Deveraux III, it's just another day in the life of Rose Gardner--chaos. Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK Their lives began together, but their worlds couldn't be more different. After thirty years of missed connections, they're about to meet again... Minnie Cooper knows two things with certainty: that her New Year's birthday is unlucky, and that it's all because of Quinn Hamilton, a man she's never met. Their mothers gave birth to them at the same hospital just after midnight on New Year's Day, but Quinn was given the cash prize for being the first baby born in London in 1990--and the name Minnie was meant to have, as well. With luck like that, it's no wonder each of her birthdays has been more of a disaster than the one before. When Minnie unexpectedly runs into Quinn at a New Year's party on their mutual thirtieth birthday, she sees only more evidence that fortune has continued to favor him. The gorgeous, charming business owner truly seems to have it all--while Minnie's on the brink of losing her pie-making company and her home. But if Quinn and Minnie are from different worlds, why do they keep bumping into each other? And why is it that each fraught encounter leaves them both wanting more? A moving, joyful love story, *This Time Next Year* explores the way fate leads us to the people we least expect--no matter what the odds.

The second book in the New York Times, Wall Street Journal, and USA Today bestselling Rose Gardner Mystery series. When Rose reports for Fenton County jury duty she figures she's lucky to get out of a morning working at the DMV. Instead, despite a disastrous encounter with the new assistant district attorney, Mason Deveraux, she's picked as a juror on a murder case. As the case progresses, she realizes an ominous vision she had in the men's restroom proves the defendant is innocent. And there's not a cotton picking thing she can do about it. Or is there? As if things weren't bad enough, Rose's older sister Violet is going through a mid-life crisis. Violet insists that Rose stop seeing her sexy new boyfriend, Arkansas state detective Joe Simmons, and date other men. Rose is done letting people boss her around, but she can't commit to Joe either. Still, Rose isn't about to let the best thing in her life slip away.

A New York Review Books Original Everything Flows is Vasily Grossman's final testament, written after the Soviet authorities suppressed his masterpiece, Life and Fate. The main story is simple: released after thirty years in the Soviet camps, Ivan Grigoryevich must struggle to find a place for himself in an unfamiliar world. But in a novel that seeks to take in the whole tragedy of Soviet history, Ivan's story is only one among many. Thus we also hear about Ivan's cousin, Nikolay, a scientist who never let his conscience interfere with his career, and Pinegin, the informer who got Ivan sent to the camps. Then a brilliant short play interrupts the narrative: a series of informers steps forward, each making excuses for the inexcusable things that he did—inexcusable and yet, the informers plead, in Stalinist Russia understandable, almost unavoidable. And at the core of the book, we find the story of Anna Sergeevna, Ivan's lover, who tells about her eager involvement as an activist in the Terror famine of 1932–33, which led to the deaths of three to five million Ukrainian peasants. Here Everything Flows attains an unbearable lucidity comparable to the last cantos of Dante's Inferno. Laid out with an introduction all about unleashing the power within....Self discipline, the book goes into short obtainable steps in a day by day fashion to help you focus, commit and achieve in only 1 month!What is self-discipline? What does it mean to lack it? Why do you think you're not as disciplined as you would like? Is it becauseYou manage your time poorly?You lack organizational skills?You lack motivation?Procrastination is your greatest enemy?You're just too

lazy?What many people don't realize is that all of these issues, which they see as causes of poor self-discipline, are actually symptoms. Are you confronting one or more of them?If you're contemplating purchasing the book, then you've decided it's time for a change of significant proportions, a change that might take only 30 days to implement, but that will last you for a lifetime. Your conviction is admirable, but to undergo such a change, you must first understand what self-discipline is and what it is not.Self-discipline is not:A personality trait that some people have and others don't.Using willpower to force yourself into action.On the contrary, self-discipline is:A skill that anyone can learn and train.becoming aware of your conscious or subconscious resistance to action and using different techniques to overcome, but not to crush that resistance.As you go through this life-changing 30 days challenge, remember that what you are doing is exercising your willpower muscle for the long run. Good luck!

The New York Times bestselling first book in the Rose Gardner Investigation series by New York Times, Wall Street Journal, and USA Today bestselling author Denise Grover Swank. Trouble always comes to those who court it. Rose Gardner's ability to see glimpses of the future has gotten her into hot water time and again, but so have her curiosity and her sense of daring. Those very qualities helped her defeat the most powerful man in Arkansas—a man so adept at hiding his crimes there was no way to defeat him inside of the law—but her success came at a steep personal price. Now she's throwing herself into her landscaping business, trying to live a life that's as orderly as one of her gardens. Rose's best friend, Neely Kate, is struggling with her own losses, so when she suggests they help a local man find a missing necklace, Rose agrees. It'll give both of them a welcome distraction, and besides, it's a simple investigation. What harm could befall them? But things that should be simple rarely are. In seeking out the necklace, Rose and Neely Kate find themselves in the thick of a power struggle in the Fenton County underworld, one that could dethrone Rose's friend James Malcolm, the surprisingly moral king. The last thing Rose should do is court more trouble, but she's not the type to step away from a friend in need—and she's also not so sure she wants an orderly life.

Ten short stories in which the lives of young people in different circumstances are changed by their encounters with books.

Book Four in the New York Times and USA Today bestselling Rose Gardner Mystery Series! While Rose recovers from a broken heart, she finds herself at odds with her sister—and business partner—Violet. Rose buries herself in her landscaping work, but becomes worried when her employee and friend, Bruce Wayne Decker, goes missing. In the meantime, Fenton County assistant D.A., Mason Deveraux has been patiently waiting to begin a relationship with Rose, but she realizes she needs to confront the demons of her past before she can embrace a new future. She needs to find out the truth about her birth mother. But her past isn't her only demon. An undercurrent of tension has been spreading through Henryetta, Arkansas since drug lord, Daniel Crocker's arrest six months ago. Still, she's not prepared for a nightmare come true: Crocker's escape from prison. Crocker carries a grudge and he's determined to make Rose pay, but he plays a game of cat and mouse, forcing Mason and the Fenton County Sheriff's department to hide Rose on her birth mother's farm. But will it be enough to save her?

Third book in the New York Times, Wall Street Journal, and USA Today bestselling series! Life in Henryetta, Arkansas is turned upside down with the arrival of a televangelist, but it's the death of a little old lady on Rose's street that catches her attention.

The Henryetta police deem her death natural causes, but Rose suspects foul play and so does an unlikely supporter— the president of the Busy Body Club, her eighty-two year old neighbor Mildred. But Rose is in the middle of opening her nursery with her sister Violet, who's separated from her husband Mike, as well as stalling her boyfriend Joe's family, rich socialites who are determined to meet her. Along with her multiple encounters with Fenton County's new assistant DA, Mason Deveraux III, it's just another day in the life of Rose Gardner— chaos.

A guide to achieving financial stability and prosperity by the co-authors of The Two-Income Trap encourages readers to change the ways they think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt. 150,000 first printing.

Rose Gardner collects secrets the way other people collect junk—and now she's being asked to expose them. Special Prosecutor Mason Deveraux has called a grand jury to investigate the corruption in the Sweet Branch Police Department, and he's summoned Rose as a witness. Any topic is fair game, and the criminals in Fenton county are rightly scared of what she might share under oath. While trying to placate the lawless men, Rose is also caring for her dying sister, Violet. Only Violet's doctor has fled town after selling prescriptions, and Rose is sure big-time drug dealer Denny Carmichael has his hand in the situation. She has no intention of investigating, but like with a lot of her cases, clues keep falling into her lap. Then, just when it feels like everything's at a boiling point, Rose gets shocking news that turns her life upside down. Now, she's not just soothing the criminals' anxiety, but actively seeking allies for a fight she hasn't asked for—and her enemy just might be the man she loves. As the fallout from J.R. Simmons death begins to settle, some of the victims are still dealing with the results of that deadly night. Rose mourns the changes in her life and struggles to move on. Neely Kate is devastated when Joe leaves Henryetta two weeks after his father's death and refuses to speak to her. Joe is left dealing with his father's business and the consequent FBI investigation, while he wonders where he belongs. But when Rose's former neighbor's family dog runs away, Neely Kate

convinces Rose to look for the pet and both discover a few things about themselves in the process.

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police

investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

A New York Times, Wall Street Journal, and USA Today bestseller! The final book in the Rose Gardner Mystery series. Rose Gardner should be celebrating the arrest of her fiercest enemy, J.R. Simmons. But problems are like weeds—pluck one and five more spring up. Rose's boyfriend is on the verge of leaving her for good, her best friend, Neely Kate, is grappling with marriage problems, and her sister has a devastating secret. To make matters worse, she discovers J.R. Simmons has not been neutralized. His network of allies and henchman extends further than she suspected, and J.R.'s so intent on revenge, his lackeys might just destroy Fenton County to get it for him. But the girl who once spent her days alone and afraid is now a strong, independent woman with a network of her own, including Neely Kate, Skeeter Malcolm—the reigning king of the Fenton County underworld—and other loyal friends on both sides of the law. Racing against time, they must dig up J.R.'s empire by the roots, unmasking his allies and unearthing his secrets, both the behind-the-scenes manipulation he's been orchestrating in Fenton County for decades and the dark stains of his personal life. If Rose succeeds, she tells herself the quiet and peaceful life she once dreamed of will be at the end of the tunnel. But her quest to destroy J.R. will require her to explore the person she has become, what she wants, and what that means for her future.

A Pulitzer Prize-winning journalist's groundbreaking account of the crime that shocked New York City—and the world In the early hours of March 13, 1964, twenty-eight-year-old Catherine “Kitty” Genovese was stabbed to death in the middle-class neighborhood of Kew Gardens, Queens. The attack lasted for more than a half hour—enough time for Genovese's assailant to move his car and change hats before returning to rape and kill her just a few steps from her front door. Yet it was not the brutality of the murder that made it international news. It was a chilling detail Police Commissioner Michael Joseph Murphy shared with A. M. Rosenthal of the New York Times: Thirty-eight of Genovese's neighbors witnessed the assault—and none called for help. To Rosenthal, who had recently returned to New York after spending a decade overseas and would become the Times's longest-serving executive editor, that startling statistic spoke volumes about both the turbulence of the 1960s and the enduring mysteries of human nature. His impassioned coverage of the case sparked a firestorm of public indignation and led to the development of the psychological theory known as the “bystander effect.” Thirty-Eight Witnesses is indispensable reading for students of

journalism and anyone seeking to learn about one of the most infamous crimes of the twentieth century.

After she returns to Pennsylvania to rebuild her family horse farm, Rachel Parker discovers someone vandalizing the property, leaving ominous warnings she can't ignore.

Soon after the sexual misconduct allegations against film producer Harvey Weinstein became public in late 2017, the #MeToo movement went viral, opening up an explosive conversation about rape culture around the globe. In the US, someone is sexually assaulted every 98 seconds. More than 320,000 Americans over the age of twelve are sexually assaulted each year. Men are victims too. One in thirty-three American men will be sexually assaulted or raped in his lifetime. Yet only 3 percent of rapists ever serve time in jail. Learn about the patriarchal constructs that support rape culture and how to dismantle them: redefining healthy

manhood and sexuality, believing victims, improving social and legal systems and workplace environments, evaluating media with a critical eye, and standing up to speak out. Case studies provide a well-rounded view of real people on all sides of the issues. First book in the New York Times , Wall Street Journal, and USA Today bestselling Rose Gardner Mystery series. For Rose Gardner, working at the DMV on a Friday afternoon is bad even before she sees a vision of herself dead. She's had plenty of visions, usually boring ones like someone's toilet's overflowed, but she's never seen one of herself before. When her overbearing momma winds up murdered on her sofa instead, two things are certain: There isn't enough hydrogen peroxide in the state of Arkansas to get that stain out, and Rose is the prime suspect. Rose realizes she's wasted twenty-four years of living and makes a list on the back of a Wal-Mart receipt: twenty-eight things she wants to accomplish before her vision comes true. She's well on her way with the help of her next door neighbor Joe, who has no trouble teaching Rose the rules of drinking, but won't help with number fifteen-- do more with a man. Joe's new to town, but it doesn't take a vision for Rose to realize he's got plenty secrets of his own. Somebody thinks Rose has something they want and they'll do anything to get it. Her house is broken into, someone else she knows is murdered, and suddenly, dying a virgin in the Fenton County jail isn't her biggest worry after all.

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course; ...and much more.

Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
