From the creator of Peanut Butter & Cupcake comes a birthday book starring everyone's favorite dessert! What's a cupcake to do when she needs to plan her birthday party? In this hilarious, kid-friendly homage to food and birthdays, Cupcake runs through tons of ideas while her best friend, Blueberry Muffin, finds reasons why they won't work: Soup gets seasick. Donut melts in the sun; someone might get squashed during

musical chairs; and Cupcake is not very good at limbo (her icing might get sliced off!). Just as Cupcake is ready to crumble, Blueberry Muffin has one last idea that just might save the day. With laugh-out-loud visual gags (like a band made up of beans--the musical fruit, of course), this book is sure to put a birthday smle on any kid's face (and on adult faces as well). Happy Birthday to You: You Belong in a Zoo

From New York Times Bestselling author Penelope Douglas comes a new forbidden love story... JORDAN He took me in when I had nowhere else to go. He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe. He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work. I have to stop this. It can't happen. My sister once told me there are no good men, and if you find one, he's probably unavailable. Only Pike Lawson isn't the unavailable one. I am. PIKE I took her in, because I thought I was helping. She'd cook a few meals and clean up a little. It was an easy arrangement. As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to. The more I find my path crossing hers, though, the more she's becoming a part of me. But we're not free to give into this. She's nineteen, and I'm thirty-eight. And her boyfriend's father. Unfortunately, they both just moved into my house. \*BIRTHDAY GIRL is a stand-alone, contemporary romance suitable for ages 18+.

They combined their talents to produce this song, suitable for children's voices as well as all others. Patty drew 3,000 teachers to a workshop she gave at the 1893 Chicago Worlds Fair. Shortly afterwards she was invited to establish the Department of Nursery School, Kindergarten, and First-Grade Education at Columbia University.
