

This Naked Mind

Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, *Sober Curious* is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, *Sober Curious* is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, *Sober Curious* is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

From the bestselling author of *This Naked Mind It's YOUR body It's YOUR mind It's YOUR choice*

"This invaluable work will contribute much to the battle against our number one disease."—from the Foreword by George McGovern, former senator and author of *Terry: My Daughter's Life-and-Death Struggle with Alcoholism*

Alcoholism is a disease. It's time we started treating it like one. Science has offered undisputed proof that alcoholism is a disease rather than a weakness of character, yet millions of alcoholics continue to suffer due to inappropriate treatment. Now the co-author of the modern classic *Under the Influence*

has teamed up with prominent alcoholism experts to provide new answers to this national epidemic. Based on the latest scientific research, *Beyond the Influence* clearly explains the neurological nature of the disease and reveals why some people drink addictively and others do not. It also spells out what needs to be done to treat alcoholism, including: Steps to take for an intervention How to find the right treatment program Which psychological approaches work best Why spirituality is essential to recovery New insights into relapse prevention What you should know about diet, exercise, and nontraditional treatments such as acupuncture Provocative and eye-opening, compelling and compassionate, *Beyond the Influence* is not only a message of hope for alcoholics--it is a blueprint for saving lives. *Beyond the Influence* explains that alcoholism is a disease of the body, not a weakness of character. Drawing on the latest scientific studies, the authors present new research on the central role of genetics and neurotransmitters in addiction. Continuing where the prior book left off, it also includes: Steps for diagnosis and intervention, plus ways to prevent relapses Various treatment models, including inpatient and out-patient programs and a review of new drug treatments The most effective types of psychological counseling The critical role of nutrition Non-traditional healing methods for recovery The importance of a spiritual component to recovery The authors also critique our nation's alcoholism policies, including education and prevention programs, efforts to curtail college bingeing and underage drinking, and the advertising and marketing strategies of the alcohol industry.

Craig Beck was a successful and functioning professional man in spite of a "two bottles of wine a night" drinking habit. For 20 years, he struggled with problem drinking, all the time refusing to label himself an alcoholic because he did not think he met the stereotypical image that the word portrayed.

Read Online This Naked Mind

Discover why all 'will-power' based attempts to stop drinking will fail (exactly as they are destined to do). Slowly Craig discovered the truth about alcohol addiction, and one by one, all the lies he had previously believed started to fall apart. For the first time, he noticed that he genuinely did not want to drink anymore. In this book, he will lead you through the same remarkable process. No need to declare yourself an alcoholic. A permanent cure, not a lifetime struggle. No group meetings or expensive rehab. No humiliation, no pain and 100% no "will-power" required. Treats the source of the problem, not the symptoms.

This Naked Mind: Control Alcohol, Find Freedom, Discover Happiness, & Change Your Life (2018) by Annie Grace is designed to show people the truth behind alcohol abuse. Alcohol, she warns, is an addictive substance, and therefore anyone can develop an alcohol addiction... Purchase this in-depth summary to learn more.

The project that captured a nation's imagination. The instructions were simple, but the results were

extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global

phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time. The author of *The Scent of Desire* examines the science behind the feelings of revulsion and disgust, describing where it originates in the human brain, what its initial purpose was and how it influences people's personalities and values. 20,000 first printing.

Liminal Thinking

This Naked Mind

Summary of This Naked Mind

The Naked Mind of Buddy Hackett

There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same light ever again after reading this book. Jason Vale takes an honest and hard hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!

"We Are the Luckiest is a masterpiece. It's the truest, most generous, honest, and helpful sobriety memoir I've read. It's going to save lives." – Glennon Doyle, #1 New York Times bestselling author of Love Warrior: A Memoir What could possibly be "lucky" about addiction? Absolutely nothing, thought Laura McKowen when drinking brought her to her

knees. As she puts it, she “kicked and screamed . . . wishing for something – anything – else” to be her issue. The people who got to drink normally, she thought, were so damn lucky. But in the midst of early sobriety, when no longer able to anesthetize her pain and anxiety, she realized that she was actually the lucky one. Lucky to feel her feelings, live honestly, really be with her daughter, change her legacy. She recognized that “those of us who answer the invitation to wake up, whatever our invitation, are really the luckiest of all.” Here, in straight-talking chapters filled with personal stories, McKowen addresses issues such as facing facts, the question of AA, and other people’s drinking. Without sugarcoating the struggles of sobriety, she relentlessly emphasizes the many blessings of an honest life, one without secrets and debilitating shame.

"Why do some people succeed at change while others fail? It's the way they think! Liminal thinking is a way to create change by understanding, shaping, and reframing beliefs. What beliefs are stopping you right now? You have a choice. You can create the world you want to live in, or live in a world created by others. If you are ready to start making changes, read this book."

A breakthrough solution from the author of This Naked Mind and the author of Alcohol Explained, to shift your mindset and help you quit smoking and vaping for good. Tobacco is

bad for us; that's a given. But even though you may know the negative health effects, nicotine's hold is strong, subconscious, and emotional: It tastes good, it's a companion when you're alone, and it can be a shield against stress. What if none of these things were true, though? What if nicotine actually tasted bad and didn't make you less lonely? What if it didn't relax you? It may seem hard to believe, and it's okay to be skeptical, but coming to a new mindset about smoking and vaping is the key to quitting. In *This Naked Mind: Nicotine*, Annie Grace and William Porter combine their trusted approaches to overcoming problem drinking—science-backed, habit-breaking systems that have worked for thousands—to vanquish tobacco addiction. Grace and Porter uncover the subconscious beliefs about smoking and vaping that keep us addicted to it despite its well-known costs. With thought-provoking questions and exercises that will spark clarity, this essential book will help you jump-start your no-smoking journey easily and heal your brain and body.

The Radical Choice to Not Drink in a Culture Obsessed with Alcohol

Control Alcohol, Find Freedom, Discover Happiness & Change Your Life

Alcohol Explained

30 Days to Take Control, Cut Down Or Give Up for Good

Alcohol Explained is the definitive, ground-breaking guide to alcohol and alcohol addiction. It explains how alcohol affects human beings on a chemical, physiological and psychological level, from our first drinks right up to chronic alcoholism. Despite being entirely scientific and factual in nature the book is presented in an accessible and easily understandable format. For those with an alcohol problem it will explain why they have a problem and what they can do about it. For those who are unsure whether they have a problem or not it provides them with firm guidance. For those who have someone close to them who has an alcohol problem it will help them to understand what that person is going through, how they ended up where they are, and what they can do to help them. However this is not just a book for people with links to problem drinking, it is compulsive reading for anyone who has ever, or will ever, drink an alcoholic drink. How many people have inadvertently drunk too much on occasion? Virtually every drinker on the planet has done that! But how many people have actually stopped to think why? There is in fact a logical, scientific explanation for this phenomenon, it is fully and simply explained in this book. Even for those who have never imbibed alcohol this book provides a fascinating insight into addiction generally and, more

specifically, into a substance that has pervaded our society to such a great extent that it is now an integral part of our culture.

Now complete with daily prompts to reflect on each day of a month-long, alcohol-free plan, the author of *This Naked Mind* helps readers challenge their thinking, find clarity, and form new habits. Changing your habits can be hard without the right tools. This is especially true for alcohol because habits are, by definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In *The Alcohol Experiment*, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what

feels good for you. It's your body, your mind, and your choice.

BY THE AUTHOR OF NEW YORK TIMES BESTSELLER THE AUTHENTICITY PROJECT, THE BRAVE AND FUNNY MEMOIR THAT IS CHANGING LIVES. How one mother gave up drinking and started living. This is Bridget Jones Dries Out. Clare Pooley is a Cambridge graduate and was a Managing Partner at one of the world's biggest advertising agencies, and yet by eighteen months ago she'd become an overweight, depressed, middle-aged mother of three who was drinking more than a bottle of wine a day, and spending her evenings Googling 'Am I an alcoholic?' In a desperate bid to turn her life around, she quit drinking and started a blog. She called it Mummy Was a Secret Drinker. This book is the story of a year in Clare's life. A year that started with her quitting booze having been drinking more than a bottle of wine every day. It sees her starting a hugely successful blog, then getting and beating breast cancer. By the end of the year she is booze free and cancer free, two stone lighter and with a life that is so much richer, healthier and more rewarding than ever before. Sober Diaries is an upbeat, funny and positive look at how to live life to the full. Interwoven within Clare's own very personal and frank story is research and advice, and answers to questions like: How do I know if I'm drinking too much? How will I cope at parties? What do I say to friends and family?

How do I cope with cravings? Will I lose weight? What if my partner still drinks? And many more.

Kick the Drink...Easily!

Do you want to take a break from alcohol easily and safely? When you stop drinking, it takes up to 10 days for the alcohol to completely leave your system. It's a tricky time. You get cravings and your thinking becomes emotional. Most people struggle in the early days. But now there's a modern, scientific solution. The 10-Day Alcohol Detox Plan walks you through the detox period painlessly and explains everything you need to carry on to your personal sobriety goal, whether short-term or long-term. Written in an engaging and informative way, the 10-Day Alcohol Detox Plan is practical and easy to follow. There's no doom and gloom or going to meetings. It just does the job, and is suitable for anyone: If you want to try a sober break from

alcohol If you want to stop drinking to help fitness or weight-loss If you need to give up alcohol for health reasons If you've simply had enough and want to quit drinking for good The author is a therapist working in public health who has helped countless drinkers to quit alcohol, and is the author of the bestseller "Alcohol and You: How to Control and Stop Drinking" and "Mindfulness for Alcohol Recovery". Order this book today and find a better way.

The long-awaited sequel to THE UNEXPECTED JOY OF BEING SOBER - the Sunday Times bestseller 'Exquisite' - Fearn Cotton 'A paean to the longer-term pleasures of staying booze-free' - The Guardian 'The kind of book that changes lives, and very possibly saves them' - The Lancet Psychiatry 'A reflective, raw and riveting read. A beautiful book on what it takes to root for yourself' - Emma Gannon, Ctrl Alt Delete 'No other author writes about sober living with as much warmth or emotional range as Catherine Gray. Her deep insight into the subtle psychologies of drinking, and of life, means that everything she writes is both utterly relatable and stretches our minds. Hers is a rare wisdom.' - Dr Richard Piper, CEO, Alcohol Change UK What's it like to give up drinking forever? We know now that being teetotal for one, three, even twelve months brings surprising joys and a recharged body... but nothing has been written about going years deep into being alcohol-free. As Catherine Gray, author of runaway bestseller The Unexpected Joy of Being

Sober, streaks towards a decade sober, she explores this uncharted territory in her trademark funny, disruptive and warm way. This is a must-read for anyone sober-curious, whether they've put down the bottle yet or not. Praise for *The Unexpected Joy of Being Sober*: 'Fascinating' - Bryony Gordon 'Truthful, modern and real' - Stylist 'Brave, witty and brilliantly written' - Marie Claire 'Gray's tale of going sober is uplifting and inspiring' - Evening Standard 'Not remotely preachy' - Sunday Times 'Jaunty, shrewd and convincing' - Sunday Telegraph 'Admirably honest, light, bubbly and remarkably rarely annoying' - Guardian 'An empathetic, warm and hilarious tale from a hugely likeable human' - The Lancet Psychiatry

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will

open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

An empowering, sex-positive, behind-the-scenes look at both Hollywood and the porn industry in this celebrity memoir unlike any other. Perfect for fans of *Pleasure Activism* and *How to Make Love Like a Porn Star*. Maitland Ward got her start in acting as a teenager when she was cast in *The Bold and the Beautiful*, but it wasn't until she joined the later seasons of the sitcom *Boy Meets World* that she got her first taste of fame. As the loveable, sexy (but not too sexy) co-ed Rachel McGuire, Ward soon found herself being typecast as the good girl next door and was repeatedly denied darker, more intriguing roles. So she made a career change—one that required her to turn away from the Disney universe—and eventually established herself as one of the most-respected actresses in the porn industry today. Now, Ward reveals the ups and downs of her fascinating career, including personal stories from her time on one of the most beloved shows of the 1990s, in this anything but a run-of-the-mill memoir. By showing Hollywood and triple-X stardom in a whole new light, she offers a fresh and

stirring perspective on the sex industry. Ultimately a story of hope and triumph, Rated X is a sharp and provocative look at a former Disney princess who found her fairy tale in porn.

NEW YORK TIMES BESTSELLER • “An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself.”—Glennon Doyle, #1 New York Times bestselling author of Untamed “You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in

particular. What's more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don't need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

Alcohol Lied to Me: The Intelligent Escape from Alcohol Addiction

Stop Drinking Now

READ ALLEN CARR'S EASY WAY TO CONTROL

ALCOHOL AND BECOME A HAPPY NON-DRINKER FOR

THE REST OF YOUR LIFE. Allen Carr established himself as the world's greatest authority on helping people stop smoking, and his internationally best-selling Easy Way to Stop Smoking has been published in over 40 languages and sold more than 10 million copies. In this classic guide, Allen applies his

revolutionary method to drinking. With startling insight into why we drink and clear, simple, step-by-step instructions, he

shows you the way to escape from the 'alcohol trap' in the time it takes to read this book. • A UNIQUE METHOD THAT

DOES NOT REQUIRE WILLPOWER • STOP EASILY, IMMEDIATELY AND PAINLESSLY • REMOVES THE

PSYCHOLOGICAL NEED TO DRINK • REGAIN CONTROL OF YOUR LIFE

What people say about Allen Carr's Easyway method: "The Allen Carr program was... nothing short of a miracle." Anjelica Huston "It was such a revelation that

instantly I was freed from addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The

Sunday Times

Theda Perdue examines the roles and responsibilities of

Cherokee women during the eighteenth and nineteenth centuries, a time of intense cultural change. While building on the research of earlier historians, she develops a uniquely complex view of the effects of contact on Native gender relations, arguing that Cherokee conceptions of gender persisted long after contact. Maintaining traditional gender roles actually allowed Cherokee women and men to adapt to new circumstances and adopt new industries and practices. A fresh take on the Allen Carr method with all-new text. Includes free hypnotherapy CD. Most drinkers are convinced that it's almost impossible to stop drinking and to free themselves from addiction; they also feel unable to solve any of the widespread problems drinking causes. The wonderful news is that this book shows you how to stop immediately, painlessly and permanently. This book understands drinkers and how they think and, without being judgemental or patronising, takes them through the process of how to get alcohol out of their lives. Demonstrates how drinkers fall into the trap of drinking, the psychology behind being addicted and how to quit this mug's game once and for all. This book has more compelling evidence than ever before that your addiction to alcohol is much less physical than it is mental. Alcohol is not something your body needs, but something your mind thinks it needs. Stop Drinking Now explains the mental process of addiction and how to reverse that process easily, painlessly and permanently.

The Naked Mind is an imaginative and original collection of poetry. Author Melissa S. Neill has been writing poetry for most of her life, but only recently decided to share her thoughts with the world. Melissa spent a great deal of her childhood at a totally remote wilderness lodge in Alaska's Denali National Park, homesteaded by her mother and father. Her experiences in Alaska shaped much of her personality, and thus inspire a lot of her work. Melissa's poems come from

the open heart and are drawn directly from her naked mind. She hopes that her readers will enjoy a glimpse of the world through her eyes, and that maybe they will even savor a little piece of the great Alaskan spirit that glows so strongly within her.

Offering tips and advice on how to stay sober in a world that revolves around drinking, this**

handbook will empower you to transform your relationship with alcohol so that you can lead your most fulfilling life. It's time to join the Sober Girl Society: 'I LOVE this book already, just received today and I can't put it down!' 'I recommend this to anyone; whether they want to stop drinking permanently, or even would just like to cut down on their drinking.' 'I love how relatable and non-preachy this book is.' 'Approaches what can be a tricky and confusing subject for many with humour and wit.' 'Perfect for those reconsidering their relationship with alcohol. Brilliant book.'

The Sober Survival Guide - How to Free Yourself from Alcohol Forever - By Simon Chapple. Foreword by Annie Grace - Author of This Naked Mind - Control Alcohol Are you tired of thinking about drinking? Hands up if you believe any of the following about drinking alcohol to be true: I can't have fun without alcohol. Imagine going to a party without drinking! it makes me feel less anxious or depressed; it helps me sleep; I can't relax without it; it makes me entertaining to be around; it fits the lifestyle of my boozy friends; I like the taste of alcohol; it's cool and sophisticated; I'm not confident enough to talk to new people

without it; it helps me deal with all the problems life throws my way; it stops me worrying about how much I'm drinking (ironic, I know). If you find yourself nodding at even one of these statements, then I know how you feel. I was a heavy daily drinker for over twenty years, I too used to believe that I couldn't live without alcohol, and that once I'd had a few drinks I was funny to be around (hilarious in fact). Are you too are tired and fed up with the routine of drinking, and want to make a change and improve your life? Or you may simply be curious about how an alcohol-free life might look for you. Could it be better? Happier? Calmer? More peaceful? Perhaps you're already on the path to changing your relationship with booze and might have read other 'sober books' or taken part in programmes to help you quit. I want you to know you can do the same as me and find complete freedom from alcohol, and that you don't have to wait for years like I did. Also, I want to reassure you that alcohol addiction is never a person's fault, and that there's no need to blame yourself for finding it hard to give up. It honestly isn't as difficult as you might think, and this book will provide the support, tactics and advice you need as you progress on your sober journey. The

Sober Survival Guide is unique in that it is split into two parts. The first is designed to set you up for success and put you in a place where you can find freedom from alcohol if that's what you want. The first part of the book contains essential information for when you're in the early stages of controlling your drinking. The second part serves as a handbook as you move forward into an alcohol-free life and is where this book comes into its own. As you read it you'll see I've used my own experiences and those of the people I've worked with to help ensure you're ready for the challenges, fears, and questions that will come up in the years after quitting drinking. You'll learn how to handle the work Christmas party without a glass of bubbly in hand, the joys of sober holidays, what to do when you stop drinking but your partner won't, and a whole lot more. With this part you can dip in and out, picking the chapters that address the problems you're facing that day or week. This unique quit alcohol book also shares my own stories and personal accounts that helped me learn (sometimes the hard way), so as well as providing vital tools and tactics it will also leave you with a smile on your face and provide you with a fun and enjoyable read. Part memoir, part sober

guide and 100% alcohol free - The Sober Survival Guide is perfect for anyone looking to free themselves from the grip of alcohol. Simon Chapple is the founder of Be Sober one of the largest online 'quit drinking' communities, he is also a speaker and works as a Certified Alcohol Coach working with This Naked Mind helping people change their relationship with alcohol. He has helped thousands of people quit drinking and has made it his life mission to spread the word about the benefits an alcohol-free life brings. Join Simon and the alcohol freedom revolution on Instagram @besoberandquit or visit www.besober.co.uk to discover more. Thousands of people have forever regained control of their drinking through This Naked Mind. Now, they're telling their stories. This Naked Life offers forty-eight raw and real stories of people who have found freedom from alcohol. In these pages, discover how Bryan went from hopeless certainty that drinking would eventually kill him to absolute peace over the course of a single day. See how reading one book gave Jennifer total freedom after twenty years of binge drinking. Witness Becca thrive in ways she had never thought possible, all because she learned it was okay to question her

relationship with alcohol before she hit rock bottom. Find out how Kari broke a family legacy of deadly alcohol abuse that stretched back generations. Alternately poignant and humorous, This Naked Life will surprise, challenge, and inspire you. These stories, written by relatable humans from all walks of life, pull no punches and prove that, no matter where you are in your journey with alcohol, you are not alone. Witness the power of transformed minds today in This Naked Life, the collection Annie Grace calls "the most important book I never wrote." From This Naked Life "I'm finally able to move forward into the future with confidence and poise, interacting with others on my own terms instead of through the haze of alcohol." -Nancy "It feels good to be alive-truly alive!" -Ryan "Past me-the me who drank-wouldn't recognize present me. But over those intervening years, I was able to design my lifestyle, to purposefully choose who I want to be without alcohol. . . . And in place of alcohol, I found a life I'm in love with that's only getting better. I love who I am today." -Mike J.

For those who have suffered the loss of a loved one, here are strength and thoughtful words to inspire and comfort.

The Naked Mind

**Summary of Annie Grace's This Naked Mind
by Milkyway Media**

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got

drunk at the holiday party Praise for Ask a Manager
“A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

ALCOHOL ADDICTION RECOVERY: IF THIS DOESN'T CHANGE YOUR ALCOHOL USE DISORDER AND GIVE YOU CONTROL OVER YOUR INCESSANT DRINKING OF ALCOHOL AFTER READING, NOTHING WILL In this book, I

From USA Today bestselling author of *The Hating Game* Sally Thorne comes something a little unexpected... a historical rom-com that imagines Victor Frankenstein's sheltered younger sister, and her attempts to create the perfect man. For generations, every Frankenstein has found their true love and equal, unlocking lifetimes of blissful wedded adventure. Clever, pretty (and odd) Angelika Frankenstein has run out of suitors and fears she may become the exception to this family rule. When assisting in her brother Victor's ground-breaking experiment to bring a reassembled man back to life, she realizes that having an agreeable gentleman convalescing in the guest suite might be a chance to let a man get to know the real her. For the first time, Angelika embarks upon a project that is all her own. When her handsome scientific miracle sits up on the lab table, her hopes for an instant romantic connection are thrown into disarray. Her

resurrected beau (named Will for the moment) has total amnesia and is solely focused on uncovering his true identity. Trying to ignore their heart-pounding chemistry, Angelika reluctantly joins the investigation into his past, hoping it will bring them closer. But when a second suitor emerges to aid their quest, Angelika wonders if she was too hasty inventing a solution. Perhaps fate is not something that can be influenced in a laboratory? Or is Will (or whatever his name is!) her dream man, tailored for her in every way? And can he survive what was done to him in the name of science, and love? Filled with carriages, candlesticks, and corpses, *Angelika Frankenstein Makes Her Match* is the spooky-season reimagining of the well-known classic that reminds us to never judge a man by his cadaver!

Summary of This Naked Mind The author starts her book by telling her readers that everybody, no matter for how long they have been drinking or in what quantities, can reset their brains to a time before starting alcohol consumption, a time when the desire for drinking or for fitting into society's norms, was nonexistent. Only by understanding the psychological and neurological reasons behind drinking can we stop craving it. As most of us tend to blame and punish ourselves for our weaknesses, Grace unravels that most often it is the strongest, smartest, and most successful people that drink too much. The author's approach towards quitting drinking is gentle and gradual, advising us that the only way we can convince our brains to see things from a different perspective is by taking small

steps each day and by not adding too much stress to our bodies. Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc Get a copy of this summary and learn about the book.

Little changes can make a big, big difference! In *The Little Book of Big Change*, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.
