***Now including an excerpt from Lust & Wonder, a new memoir coming in March 2016. Running with Scissors is the true story of a boy whose mother (a poet with delusions of Anne Sexton) gave him away to be raised by her psychiatrist, a dead-ringer for Santa and a lunatic in the bargain. Suddenly, at age twelve, Augusten Burroughs found himself living in a dilapidated Victorian in***

***perfect squalor. The doctor's bizarre family, a few patients, and a pedophile living in the backyard shed completed the tableau. Here, there were no rules, there was no school. The Christmas tree stayed up until summer, and Valium was eaten like Pez. And when things got dull, there was always the vintage electroshock therapy machine under the stairs.... Running with Scissors is at turns foul and harrowing, compelling and maniacally funny. But above all, it chronicles an ordinary boy's survival under the most extraordinary circumstances.

Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she

hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

Sometime in the late summer of 1976, Sanjay Gandhi asked if I wanted to go flying with him... After first attempting to teach Karan Thapar to fly (not very successfully) Sanjay Gandhi took the controls and performed a series of aerobatics, not particularly dangerous but nonetheless thrilling. Once they were further away from Delhi, he became even more daring. Suddenly, he decided to scare the farmers working in the fields below by aiming the aircraft straight at them. As he dived down, they scattered

and ran, fearing for their lives. At the last moment, Sanjay pulled up dramatically and waved at the bewildered farmers, clearly chuffed with the whole performance. The manoeuvre required nerves of steel and tremendous self-confidence, both of which Sanjay possessed in plenty. In Devil's Advocate, Karan dives deep into his life to come up with many such moments. Included here are stories of warm and lasting friendships, such as with Benazir Bhutto, whom he met while he was an undergraduate. He also talks about his long association with Aung San Suu Kyi and Rajiv Gandhi. However, not all friendships lasted--for example, with L.K. Advani, with whom he shared a close bond until an unfortunate disagreement over an interview caused a falling-out. The tension generated during an interview has

spilled over off-screen multiple times, and Karan discusses these incidents in detail. For instance, when Amitabh Bachchan lost his cool during a post-interview lunch or when Kapil Dev cried like a baby. And there's the untold story of two of his most controversial interviews--with Jayalalithaa and Narendra Modi. While Jayalalithaa laughed it off later, the after-effects of Modi's infamous walkout have grown worse with time. Riveting and fast-paced, Devil's Advocate is as no-holds-barred as any of Karan Thapar's interviews.

than two million people have been displaced, and Ukrainians fight one another on a second front—the crucial war against corruption. With *In Wartime*, Tim Judah lays bare the events that have turned neighbors against one another and mired Europe's second-largest country in a conflict seemingly without end. In Lviv, Ukraine's western cultural capital, mothers tend the graves of sons killed on the other side of the country. On the Maidan, the square where the protest that deposed President Yanukovich began, pamphleteers, recruiters, buskers, and mascots compete for attention. In Donetsk, civilians who

rather like taking coals to Newcastle since her father was so wealthy; but much desires more, and Sir Charles wanted a rich son-in-law. Dan could not supply this particular adjective, and therefore--as he would have put it in the newest slang of the newest profession--was out of the fly. Not that he intended to be, in spite of Sir Charles, since love can laugh at stern fathers as easily as at bolts and bars. And all this time Lillian stared at the door, and then at Dan, and then at her plate, putting two and two together. But in spite of her feminine intuition, she could not make four, and turned to her lover--for that Dan was, and a declared

**he had plundered the hallowed heights of Troy." So begins Robert Fagles' magnificent translation of the Odyssey, which Jasper Griffin in the New York Times Book Review hails as "a distinguished achievement." If the Iliad is the world's greatest war epic, the Odyssey is literature's grandest evocation of an everyman's journey through life. Odysseus' reliance on his wit and wiliness for survival in his encounters with divine and natural forces during his ten-year voyage home to Ithaca after the Trojan War is at once a timeless human story and an individual test of moral endurance. In the myths and legends retold here, Fagles has**

**This is a book of poetry written through the eyes  
of Dan DeWolf. In this book you will find a  
sample of several of Danas writing styles. Dan  
was born in 1962, when the world was changing  
in so many ways. Raised in the small town of  
Shelby, Ohio, by his mother, who later married  
his stepfather, Dan sought out peace of mind and  
the small amount of sanity he could find in his  
music and writing. Once he started to write it  
became an addiction, but a very colorful and**
