Pastor Robert Morris encourages readers to keep praying. Many people give up praying because they don't see results and feel discouraged or angry that their prayers haven't been heard. But Robert Morris reveals why it is so important not to stop—to never give up. This book provides hope and evidence for readers that God does hear their prayers, cares about them personally, and intervenes in their lives in ways beyond their imaginations. Bestselling author Robert Morris brings encouragement and compelling biblical teaching on the topic of prayer. Reverend Morris is the senior pastor at Gateway Church, which has a congregation of more than 36,000 people.

Bestselling author Anne Graham Lotz will teach you how to pray effectively for your nation, for your families, and for yourself. Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through

your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. For extended study into The Daniel Prayer message, Anne has also created The Daniel Prayer video study and study guide. Available now.

When You Don't See Results

When God's people pray, they want answers. Yet many Christians don't know how to pray both effectively--in a way that gets results--and humbly--in a way that aligns with God's will. Prayer is a powerful weapon against the true adversaries of God's people: principalities, powers, dark rulers, and spiritual wickedness in high places. These forces are the perpetrators of all kinds of evil: addiction, abuse, poverty, and spiritual bondage run rampant through families, churches, cities, and nations. What can believers do to battle these forces? They can pray. Not just any prayer, but the prayer of petition, known throughout Christian history as the prayer that gets results. Prayer of Petition explores this powerful prayer in detail, from the many examples found in God's Word to more recent instances of incredible miracles ushered in by this prayer. Readers will learn the biblical definitions of petition and supplication and examine the key components of preparation, thanksgiving, and humility. As readers learn to petition the Ruler of All, their confidence that God will prevail--no matter what--will grow. As they learn to rest in His promises, peace will reign over their hearts through the coming revival.

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word... All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent."

"You'll never find Him on your own... He is far away in one sense, but in another He is as near as your heartbeat, for the cross has bridged the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

This volume carefully analyses Polycarp of Smyrna's literary dependencies, paying special attention to Polycarp's verbal and conceptual relationships

to the Apostle Paul and his writings.

Many Christians have tried to discover their spiritual gifts only to find the process frustrating and complicated. Rarely in our search do we actually ask what should be our central question: What are spiritual gifts? Kenneth Berding believes we have misunderstood spiritual gifts, which has led to a misguided search. His convincing and readable study suggests that the Holy Spirit does not give special abilities (the conventional view), but rather calls us and places us into various ministries to build up and strengthen the body of Christ. - Back cover.

God's Prayer Book The Power and Pleasure of Praying the Psalms Tyndale House Publishers, Inc.

Jesus died with a psalm on his lips. For millennia, humans have been shaped by the Psalms. And before the Nazis banned him from publishing, German theologian Dietrich Bonhoeffer published this book on the Psalms. What comfort is found in the Psalter? What praise, and what challenge? What threat? In the pages of Psalms: The Prayer Book of the Bible, discover the richness this book of Scripture held for Bonhoeffer, and learn to pray psalms along with Christ. First published in 1940, this classic reveals how the Psalms are essential to the life of the believer and offers Bonhoeffer's reflections on psalms of thanksgiving, suffering, guilt, praise, and lament. Now with an introduction by Walter Brueggemann and excerpts from the Psalms, Bonhoeffer's timeless work offers contemporary readers ancient wisdom and resources for the living of these days. Includes a biographical sketch of Bonhoeffer written by his friend and biographer Eberhard Bethge.

"Loren Cunningham's dream began with a vision--waves of young people moving out across the continents announcing the Good News of Jesus Christ. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the gospel to this generation. Loren speaks and teaches internationally, and his missionary travels have taken him to every nation on earth. Loren Cunningham illustrates that trusting God in every area, including finances, is not just for those Christians called into "full-time" ministry. Every Christian, regardless of vocation, can enter into the adventure of living by faith by firmly committing to obey God's will. A Christian who has experienced God's provision will be spoiled for the ordinary. Are you tired of your prayers lacking power? Would you like them to be authoritative and prevailing instead? If you're ready for a revitalized prayer life that illustrates the marvelous capability of your Christian walk, then God Delights in the Prayers of His Children can help you get there. This collection of faith-building prayers is a powerful resource, designed to encourage believers to communicate intimately with God. “Praying God's Word” is a work by author Henry McBride that is the culmination of several years of conscientious reverent study of the Bible's New Testament Epistles and the direction given in them to those who want to adhere to the teachings of Jesus Christ and the will of God. With all due diligence, Henry has transposed the admonitions and instructions given by the Apostle Paul and the authors of the other “Letters” into fluid, fervent personal prayers that are in the very words used by them. The universal applications from the Book of Romans through the Book of Jude has for centuries been self-evident and trusted in the pulpits, so why not use them as a basis for individual prayer? “Praying God's Word” is not just a book, it is an experience. It is not a tutorial; instead it is a face-to-face involvement with the God of Heaven. It is not the entirety of prayer, but an encouragement to prayer, for which there is neither substitute nor shortcut. It is the author's hope that you will begin a life altering conversation with God that will conclude when you hear Him say to you those long sought after words, “Well done you good and faithful servant!”

Are you going to let God be the focal point of your life when you are at college? Will you follow Him, even when it's not the popular thing to do? Popular author and speaker Mark Matlock helps incoming freshmen figure out if they are ready to combine faith and college by encouraging them to think about their faith in new ways.

When a Christian prays, does it make any difference? Does it change anything? Though our prayers do not change God's mind, He ordains prayer as a means to accomplish His will. We can be confident that prayer does change things--including our own hearts. In this booklet, Dr. R.C. Sproul argues that prayer has a vital place in the life of the Christian and calls us to come before God's presence with joy and

hope. Dr. Sproul shares practical wisdom and helps us understand the purpose, pattern, practice, prohibitions, and power of prayer. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

In almost 500 years of evangelical praying, there has never been a book like this. *Teach Us to Pray* is in effect four books in one. It begins with a detailed analysis of the biblical theology of prayer, surveying each part of the Scriptures in turn. Next comes an investigation of prayer and spirituality within Hinduism, Buddhism, Islam, historic Christianity (Puritanism) and a different Christian contemporary tradition (Roman Catholicism). In addition, expert commentators offer *Lessons in Prayer from the Worldwide Church*, featuring Korea, China, Latin America and Africa. Finally a group of Christian leaders write about prayer in their individual experience, adding a personal dimension to this comprehensive book. This is a full library on the subject of prayer, conserving the best insights of the past and breaking new ground with penetrating original thinking.
