Set in early nineteenth-century Britain, *Bloodlust & Bonnets* follows Lucy, an unworldly debutante who desires a life of passion and intrigue—qualities which earn her the attention of Lady Violet Travesty, the leader of a local vampire cult. But before Lucy can embark on her new life of vampiric debauchery, she finds herself unexpectedly thrown together with the flamboyant poet Lord Byron

The unlikely trio lie, flirt, fight, and manipulate each other as they make their way across Britain, disrupting society balls, slaying vampires, and making every effort not to betray their feelings to each other as their personal and romantic lives become increasingly entangled. Both witty and slapstick, elegant and gory, Emily McGovern's debut graphic novel pays tribute to and pokes fun at beloved romance tropes, delivering a joyous, action-packed world of friendship and adventure.

From the author of *Our Chemical Hearts* comes the hilarious, reality-bending tale of two outsiders facing their greatest fears about life and love--one debilitating phobia at a time. Ever since Esther Solar's grandfather was cursed by Death, everyone in her family has been doomed to suffer one great fear in their lifetime. Esther's father is agoraphobic and hasn't left the basement in six years, her twin brother can't be in the dark without a light on, and her mother is

terrified of bad luck. The Solars are consumed by their fears and, according to the legend of the curse, destined to die from them. Esther doesn't know what her great fear is yet (nor does she want to), a feat achieved by avoiding pretty much everything. Elevators, small spaces and crowds are all off-limits. So are haircuts, spiders, dolls, mirrors and three dozen other phobias she keeps a record of in her semi-definitive list of worst nightmares. Then Esther is pickpocketed by Jonah Smallwood, an old elementary school

Despite the theft, Esther and Jonah become friends, and he sets a challenge for them: in an effort to break the curse that has crippled her family, they will meet every Sunday of senior year to work their way through the list, facing one terrifying fear at a time, including one that Esther hadn't counted on: love.
