*A Penguin Classic In Monterey, on the California coast, Sweet Thursday is what they call the day after Lousy Wednesday, which is one of those days that are just naturally bad. Returning to the scene of Cannery Row—the weedy lots and junk heaps and flophouses of Monterey, John Steinbeck once more brings to life the denizens of a netherworld of laughter and tears—from Doc, based on Steinbeck’s lifelong friend Ed Ricketts, to Fauna, new headmistress of the local brothel, to Hazel, a bum whose mother must have wanted a daughter. This Penguin Classics edition features an introduction and notes by Robert DeMott. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.*

*The Crown*

From the jail cell that once held John Dillinger to quaint shops with dark beginnings, the restless spirits of Crown Point purportedly result from a century-old hex. Legend had it that a caravan of gypsies found themselves unfairly exiled from town. Forced to leave their beloved dead behind in unmarked graves, they invoked a venomous curse on the townspeople and vowed that no ancestor would be allowed eternal peace. Paranormal researcher Judith Tometzak exposes evidence of this deceptively quiet town's dark side. (Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do \* Don't Lose Ur Head \* Ex-Wives \* Get Down \* Haus of Holbein \* Heart of Stone \* I Don't Need Your Love \* No Way \* Six. "Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaís Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from HADEStown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaís Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. As good as it gets,” by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from “the underground” evolved, and became the songs we sing again and again.

"Saad Z. Hossain continues to blow through the filmy walls of genre like a whirlwind with The Gurkha and the Lord of Tuesday, sweeping science-fiction, fantasy, myth, and satire into the wildly imaginative vortex of his ever-expanding fictional universe of alternate djinn-history and futures. Hossain's wit and wry compassion create a vision of humanity's hurtling path through time and space as both farcical and epic, leaving a blazing trail of casualties and wonders."—Indra Das When the djinn king Melek Ahmar wakes up after millennia of imprisoned slumber, he finds a world vastly different from what he remembers. Arrogant and bombastic, he comes down the mountain expecting an easy conquest: the wealthy, spectacular city state of Kathmandu, ruled by the all-knowing, all-seeing tyrant Al Karma. To his surprise, he finds that Kathmandu is a cut-price paradise, where citizens want for nothing and even the drags of society are distinctly unwilling to revolt. Everyone seems happy, except for the old Gurkha soldier Bhan Gurung. Knife saint, recidivist, and mass murderer, he is an exile from Kathmandu, pursuing a forty-year-old vendetta that leads to the very heart of Karma. Pushed and prodded by Gurung, Melek Ahmer finds himself in ever deeper conflicts, until they finally face off against Karma and her forces. In the upheaval that follows, old crimes will come to light and the city itself will be forced to change. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

The triple Caldecott winner David Wiesner brings his rich visual imagination and trademark artistry to the graphic novel format in a unique coming-of-age tale that begins underwater. A young mermaid, called Fish Girl, in a boardwalk aquarium has a chance encounter with an ordinary girl. Their growing friendship inspires Fish Girl's longing for freedom, independence, and a life beyond the aquarium tank. Sparkling with humor and brilliantly visualized, Fish Girl's story will resonate with every young person facing the challenges and rewards of growing up.

**#1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn’t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man’s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.**

A rich, funny and irresistible new story full of dragons, humour and romance, by the author of Dragonskin Slippers

Continuing the New York Times bestselling series, Jessica Day George brings readers on another magical adventure in Castle Glower.

Michael Nesmith’s eclectic, electric life spans his star-making role on The Monkees, his invention of the music video, and his critical contributions to movies, comedy, and the world of virtual reality. Above all, his is a seeker’s story, a pilgrimage in search of a set of principles to live by. That search took Nesmith from a childhood in Dallas, where his single mother Bette invented Liquid Paper, to the set of The Monkees in Los Angeles; to the heart of swinging London with John Lennon and Jimi Hendrix; and to an unexpected oasis of brilliance in the Santa Fe desert, where his friendships with Douglas Adams and Los Alamos scientists would point him toward the power of the infinite and the endless possibilities of human connection. This funny, thoughtful, self-aware book is a window onto an unexpected life, inflected at every turn by the surprising candor and absurdist humor of an American original. Opening Infinite Tuesday is like stepping into the world of Michael Nesmith, where something curious is always unfolding, and where rifts on everything from bands to dogs to the nature of reality make for an endlessly engaging journey.

The Magus, or Celestial Intelligencer; being a Complete System of Occult Philosophy is a handbook of the occult and ceremonial magic compiled by Francis Barrett and published in 1801. This book facilitated the modern revival of magic by making information from otherwise rare books readily available. It may have influenced novelist Edward Bulwer-Lytton and occultist Eliphas Levi. More controversially, it has been identified as an influence on Joseph Smith, Jr., founder of the Latter Day Saint movement, in Reed C. Durham, Jr.'s speech "Is There No Help for the Widow's Son?"
