It feels like paradise, but deadly secrets lie beneath the waves off the coast of Kauai. Sometimes Kaia Oana thinks her dolphins are more humane than humans. As a mammal intelligence researcher, Kaia has learned a thing or two about the goodness and intelligence of dolphins—and as a natural scientist in close proximity to weapons developers, she's learned a thing or two about humans as well. When a tourist catamaran explodes off the coast of the Hawaiian island of Kauai, Kaia and her trained dolphin, Nani, rush to aid the search and rescue effort. After hours of searching, an exhausted Kaia is pulled from the water by Lieutenant Commander Jesse Matthews of the U.S. Navy. Lieutenant Matthews is accustomed to following protocol—and a civilian-dolphin rescue is not typical operating procedure. But when his colleagues ignore the possibility that missile research had something to do with the sunken catamaran, Jesse recruits Kaia and her dolphin to help him conduct his own investigation. The olive-skinned mermaid had impressed him—in more ways than one. As their rogue investigation takes them into the waters surrounding the sunken boat—and their personal chemistry takes them into other uncharted territory—Kaia and Jesse discover that they have become targets themselves. Someone doesn't want them snooping around that wreckage . . . someone desperate enough to kill.

Do you ever question God's ability to catch you when you fall? Do shame, fear, and brokenness keep you from fully trusting God? Do you secretly believe your dreams are unreachable? Do you secretly believe your dreams are unreachable? You are not alone. This is a book about trust. How we fight it. How we learn to do it. How it transforms us. Life is not safe. That reality slips over us as we grow. Our response to the Father in that reality allows us either to swing higher and higher with the trust of a child . . . or fearfully shrink back from the swing set altogether. As we weigh that choice, God whispers: Trust me. In a remarkably transparent account, author and speaker Sheila Walsh opens wide her lifelong battle with trust and the moment-by-moment choices she made to follow where God led. Sheila has lived a life ruled by the "hidden places" of insecurity and brokenness and knows the overwhelming beauty of a life wholly handed over to Christ. As you encounter her struggles and triumphs, you also meet ten of the Bible's transformed—Tabitha, David, Paul, and others—who teach us that in spite of overwhelming circumstances, just one trusting encounter with Christ sets beautiful things in motion. It can resurrect dreams, instill purpose, and ignite hope.

Selected by the Modern Library as one of the 100 best novels of all time Published in 1975, Ragtime changed our very concept of what a novel could be. An extraordinary tapestry, Ragtime captures the spirit of America in the era between the turn of the century and the First World War. The story opens in 1906 in New Rochelle, New York, at the home of an affluent American family. One lazy Sunday afternoon, the famous escape artist Harry Houdini swerves his car into a telephone pole outside their house. And almost magically, the line between fantasy and historical fact, between real and imaginary characters, disappears. Henry Ford, Emma Goldman, J. P. Morgan, Evelyn Nesbit, Sigmund Freud, and Emiliano Zapata slip in and out of the tale, crossing paths with Doctorow's imagined family and other fictional characters, including an immigrant peddler and a ragtime musician from Harlem whose insistence on a point of justice drives him to revolutionary violence.
