

Tiger Writing Paper

Paper Tiger is a small concise picture of my thirteen years spent contracting in Iraq and Afghanistan. Starting with securing weapons of mass destruction in Southern Iraq to giving away billions of US tax dollars while leading teams in Hillary's army. This book was written in the most sarcastic manner; as sarcasm was my endurance formula for the incompetence of leadership provided to us in mission accomplishment. If the enemy ever knew how much we improvised and the illusions we created, then we would all be getting our heads lopped off on the Internet.

Their generation was anything but lost, at least in the beginning. Filled with fiery ambition and idealistic to a fault, they found their voice in the Paris of 1968 and were intent on exposing the powers of repression and the demons of Western capitalism (and what, really, was the difference?)?by any means. But the acts of violence misfired, the principles of Marxism and Maoism became emptied of meaning, and the casualties mounted. The protagonist Martin is now middle-aged; his group, ?The Cause,? is disbanded; his best friend has committed suicide; and he finds he must try to explain to the man's daughter who they were, what they thought they were doing, and what happened. ø Paper Tiger takes place during one night that this unlikely couple spends driving around Paris as they revisit a somewhat distant past. This odyssey is adroitly evoked by Rolin's long, fluid sentences as they reflect the car's route past the sundry signs of the past and advertisements of the present dotting the Paris beltway. ø This prize-winning novel by one of France's most acclaimed writers tells, through Martin, the elegiac story of a whole generation's coming of age.

Stanley Woodward (1895-1964) was a veteran sports writer, newspaperman, and sports editor of the New York Herald Tribune; indeed, some believe he was the greatest of all sports editors. Paper Tiger is his lively and vivid account of his life as an athlete, sailor, war correspondent, and metropolitan journalist. Whether discussing his war experiences, the world of sports, or the tough and exciting world of newspaper life, Woodward speaks with a rare directness. When he doesn't like something or someone, he makes no bones about it. Yet, despite all of his often acerbic comments, we always have the feeling that the author's honesty is matched by his fairness. Partisan he may be; vindictive and sour he is not. Although Paper Tiger will appeal especially to sports fans, anyone who wants to know the inside story of newspaper life will find it a fascinating book. In his phenomenal career, Stanley Woodward wrote a number of sports books, including Sports Page and Stanley Woodward's Football. He is the winner of three E. P. Dutton awards for sports writing. John Schulian is the author of Writers' Fighters and Other Sweet Scientists and Twilight of the Long-ball Gods: Dispatches from the Disappearing Heart of Baseball, available in a Bison Books edition.

A big cat overthrows the Indian state and establishes a reign of terror over the residents of a Himalayan town. A developmental legislation aimed at providing employment and commanding a huge budget becomes 'unimplementable' in a region bedeviled by high levels of poverty and unemployment. Paper Tiger provides a lively ethnographic account of how such seemingly bizarre scenarios come to be in present-day India. This book presents a unique explanation for why and how progressive laws in India can do what they do and not, ever so often, what they are supposed to do. On the basis of detailing the everyday bureaucratic life on India's Himalayan borderland, it proposes an ethnographically derived concept - paper tiger - as a modality for the study of the state. This accessible monograph shifts the very frames of thought through which we will henceforth understand the implementation of law and the workings of the developmental Indian state.

Traces the author's year-long attempt to earn a competitor's spot at the PGA Tour Qualifying School, an endeavor marked by such challenges as crash diets, sports psychiatrists, and obscure tournaments. 30,000 first printing.

In PAPER TIGER the Chinese journalist and intellectual Xu Zhiyuan paints a portrait of the world's second-largest economy via a thoughtful and wide-ranging series of mini essays on contemporary Chinese society. Xu Zhiyuan describes the many stages upon which China's great transformation is taking place, from Beijing's Silicon district to a cruise down the Three Gorges; he profiles China's dissidents, including Liu Xiaobo, Ai Weiwei and Chen Guangcheng; and explores lesser-known stories of scandals that rocked China but which most people outside that country did not hear about – and which shed troubling light on China's dark heart. Xu Zhiyuan understands his homeland in a way no foreign correspondent ever could. PAPER TIGER is a unique insider's view of China that is measured and brave, ambitious in scope and deeply personal.
