Can Simon and Dec solve their problems and retrieve a runaway kid by undertaking a thousand-kilometer round trip?

Sequel to Tigers on the Run Documentary producer Simon and ex-footballer Declan are taking some big steps toward a lasting life together. They've bought a house, and they'll need it for the family they plan to start. Their friend, Nyssa, has made the generous offer to be their surrogate, and Declan couldn't be more excited about the idea of a baby. Simon knows fatherhood is a huge commitment, and though it's daunting, he sees how much Dec wants it, and he's sure that together, they can succeed in anything--despite the worries nagging at him. But just as their new life is taking shape, a health scare disrupts their plans at the worst possible moment. With time running short, Simon and Dec will have to bare their fears and doubts to each other so they can face them before their world changes forever. It might mean a literal leap of faith.

A journalist's obsession brings her to a remote island off the California coast, home to the world's most mysterious and fearsome predators--and the strange band of surfer-scientists who follow them Susan Casey was in her living room when she first saw the great white sharks of the Farallon Islands, their dark fins swirling around a small motorboat in a documentary. These sharks were the alphas among alphas, some longer than twenty feet, and there were too many to count; even more incredible, this congregation was taking place just twenty-seven miles off the coast of San Francisco. In a matter of months, Casey was being hoisted out of the early-winter swells on a crane, up a cliff face to the barren surface of Southeast Farallon Island-dubbed by sailors in the 1850s the "devil's teeth." There she joined Scot Anderson and Peter Pyle, the two biologists who bunk down during shark season each fall in the island's one habitable building, a haunted, 135-year-old house spackled with lichen and gull guano. Two days later, she got her first glimpse of the famous, terrifying jaws up close and she was instantly hooked; her fascination soon yielded to obsession-and an invitation to return for a full season. But as Casey readied herself for the eight-week stint, she had no way of preparing for what she would find among the dangerous, forgotten islands that have banished every campaign for civilization in the past two hundred years. The Devil's Teeth is a vivid dispatch from an otherworldly outpost, a story of crossing the boundary between society and an untamed place where humans are neither wanted nor needed.

Bierce exploits the comic potential of the dictionary format to mock the doublespeak prominent in post-Civil War politics. Using short, pithy entries on a variety of subjects, this "reference book" inverts the meaning of words, skewers popular hypocrisy and showcases Bierce's dark humor. Many of these entries began as newspaper columns Bierce wrote in the 1870s. One hundred years later, it is clear that the America he lampoons is not that different from our own.

Private lives face a media storm in this story of a football commentator and former AFL player and his partner, a program developer of queer content for a community t.v. station; set in Melbourne, Australia.

From one of Australia's foremost literary talents, this is an unforgettable and heartbreaking story about two young girls living in the wild with Tasmanian Tigers.

Learn what a Siberian tiger has in common with an elk. Discover what sets a Siberian tiger apart from a Tasmanian devil. Readers will compare and contrast key traits of Siberian tigers—their appearance, behavior, habitat, and life cycle—to traits of other mammals. Charts and sidebars support key ideas and provide details. Through gathering information about similarities and differences, readers will make connections and draw conclusions about what makes this animal a mammal and how mammals are alike and different from each other.

The most important things in Simon Murray's life are football, friends, and film--in that order. His friends despair of him ever meeting someone, but despite his loneliness, Simon is cautious about looking for more. Then his best friends drag him to a party, where he barges into a football conversation and ends up defending the honour of star forward Declan Tyler--unaware that the athlete is present. In that first awkward meeting, neither man has any idea they will change each other's lives forever. Like his entire family, Simon revels in living in Melbourne, the home of Australian Rules football and mecca for serious fans. There, players are treated like gods--until they do something to fall out of public favour. This year, the public is taking Declan to task for suffering injuries outside his control, so Simon's support is a bright spot. But as Simon and Declan fumble toward a relationship, keeping Declan's homosexuality a secret from well-meaning friends and an increasingly suspicious media becomes difficult. Nothing can stay hidden forever. Soon Declan will have to choose between the career he loves and the man he wants, and Simon has never been known to make things easy--for himself or for others.

They were the Tiger FACs, the forward air controllers who flew fast-moving F-4E Phantoms over the deadly skies of Laos and North Vietnam in an air war that history forgot to mention. These are their stories, in their own words, of missions in AAA-filled skies with supersonic angels as their wingmen. They challenged the enemy down in the weeds, eyeball-to-eyeball; cutting the supply lines that plunged through the mountains and karst formations of Laos on their way to South Vietnam. The mission required flying sorties up to six hours long with four to six air-to-air refuelings. It demanded extraordinary teamwork and bravery, and this small group of men paid the price, suffering up to eighty percent of the combat damage of a seventy-two aircraft wing. Their stories are often irreverent and far from today's political correctness, yet they are filled with the reality of war. "The Tiger FACs" will take you back to experience the days and nights of these fighter crews at Korat Air Base in Thailand. It is a recantation of the life and times of the men who chose to fly and fight, and while you won't experience battle damage, you will feel what they lived, and know, without doubt, that you are on their wing.

E. Schwab’s genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. Also by V. E. Schwab Shades of Magic A Darker Shade of Magic A Gathering of Shadows A Conjuring of Light Villains Vicious Vengeful At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

For centuries, the exotic realm of Asia has defied Kindred incursions. Those few children of caine dwelling in Asia whisper of monstrous cathayans -- shadowy vampires native to the East. For too long, the cathayans have lain like sleeping dragons, allowing the Kindred a facade of omnipotence. Now the new Age is at hand. Yin daggers tremble in the talons of Resplendent cranes, and the Devil-Tigers howl for souls in the dark. Dharma Books contain vital character information for players and Storytellers.

The little-known story of how a young Wyatt Earp, aided by his brothers, defeated the Cowboys, the Old West’s biggest outlaw gang. Wyatt Earp is regarded as the most famous lawman of the Old West, best known for his role in the Gunfight at the O.K. Corral in Tombstone, Arizona. But the story of his two-year war with a band of outlaws known as the Cowboys has never been told in full. The Cowboys were the largest outlaw gang in the history of the American West. After battles with the law in Texas and New Mexico, they shifted their operations to Arizona. There, led by Curly Bill Brocius, they ruled the border, robbing, rustling, smuggling and killing with impunity until they made the fatal mistake of tangling with the Earp brothers. Drawing on groundbreaking research into territorial and federal government records, John Boessenecker’s Ride the Devil’s Herd reveals a time and place in which homicide rates were fifty times higher than those today. The story still bears surprising relevance for contemporary America, involving hot-button issues such as gang violence, border security, unlawful immigration, the dangers of political propagandists parading as journalists, and the prosecution of police officers for carrying out their official duties. Wyatt Earp saw it all in Tombstone.

Meet the monstrous Tasmanian Devil as it roams over Tasmania! This book introduces the unique features of this wild animal including habitat, life cycle, physical characteristics, diet, threats, and defenses. Also included are a range map and a food chain diagram. Aligned to Common Core standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of Amnesty and Selection Day that critics have likened to Richard Wright's Native Son, The White Tiger follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling The Death of Vishnu and Bangkok 8 in ambition, scope, The White Tiger is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

Tigers, Devils, and Fools: A Guide to Japanese Proverbs

The Invisible Life of Addie LaRue

Tiger King

An inventive, page-turning crime thriller with "palpable emotional depth" (New York Times Book Review) in which the Red Scare never ended. USA, 1958. President Joseph McCarthy sits in the White House, elected on a wave of populist xenophobia and barely-concealed anti-Semitism. The country is in the firm grip of McCarthy's Hueys, a secret police force evolved from the House Un-American Activities Committee. Hollywood's sparkling vision of the American dream has been suppressed; its remaining talents forced to turn out endless anti-communist propaganda. LAPD detective Morris Baker—a Holocaust survivor who drowns his fractured memories of the unspeakable in schnapps and work—is called to the scene of a horrific double-homicide. The victims are John Huston, a once-promising but now forgotten film director, and an up?and?coming young journalist named Walter Cronkite. Clutched in the hand of one of the dead men is a cryptic note containing the phrase "beat the devils" followed by a single name: Baker. Did the two men die in an attack fueled by better-dead-than-red sentiment, as the Hueys are quick to conclude, or were they murdered in a cover-up designed to protect—or even set in motion—a secret plot connected to Baker's past? In a country where terror grows stronger by the day, and paranoia rises unchecked, Baker is determined to find justice for two men who raised their voices in a time when free speech comes at the ultimate cost. In the course of his investigation, Baker stumbles into a conspiracy that reaches deep into the halls of power and uncovers a secret that could destroy the City of Angels—and the American ideal itself.

More than just a true crime documentary, Netflix's Tiger King provided an exclusive glimpse into the bizarre, cult-like world of big cat enthusiasts. By focusing on Joseph Maldonado-Passage, it gave us an unexpected anti-hero whose insatiable appetite for fame and his paranoid obsession with rival Carolee Baskin ultimately led to his shocking downfall. In this no-holds-barred memoir, Joe pulls back the curtain on the man behind the headlines. From a tragic childhood riddled with abuse to his dangerous feuds with big cat rivals and beyond, nothing is off the table. Print run 150,000.

The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf’s most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf’s most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods’s life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...immensely readable.Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true” (The Wall Street Journal). Ultimately, Tiger Woods is “a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure” (The New York Times). The book is an autobiographical tale of being a victim of lies. The story details how it was tempted to handle the lies and why the book was finally written. The author wants to make the world a better place.

Queer Ghost Stories are standalone tales that can be read in any order. Download "Devil at the Door" today!

Ruth Devon starred for Georgetown Basketball back in college—until she injured her knee, married her coach, and found a new career calling games on the radio. Twenty years later, Ruth and her now-ex-husband, Lester, are two of the most famous faces in sports media. When Lester decides to retire from the announcers' booth, Ruth goes after his job. If she gets it, she will be the first woman to call NBA games on national television. For now, Ruth is reporting from the sideline of the NBA finals, immersed in the high-pressure spectacle of the post-season. But in a deserted locker room at halftime, Ruth makes a discovery that shatters her vision of her future. Instantly, she is torn between the two things she has always wanted most: the game and motherhood. With warmth and incisive observation, Adrian brings to life the obsessions, emotions, and drama of fandom. The Second Season asks why, how, and whom we watch, while offering a rich and complicated account of motherhood, marriage, and ambition. Adrian's character study of Ruth Devon illuminates a beautiful basketball mind—and the struggle of a woman who claims authority in a male-dominated world.

Faye is a mother in the AME church. She has spent 40 years of her life "working" for the Lord. Chad is a white, conservative Christian radio talk show host. He enjoys riling up the masses about issues related to race, gender, class, and politics. Jeremiah is a popular, Christian tele-evangelist. The charismatic, African American pastor of a popular mega-church, he is celebrated for his knowledge of scripture. Rosa is a Hispanic, single mom. An English teacher in the Catholic school she grew up in, she is a survivor of domestic abuse. So what happens when these four very different people find themselves trapped in a historical church in North Philadelphia AFTER THE RAPTURE? More than left behind, the characters in THE UNLIKELY REMNANT are left to deal with the personal truths and tragic secrets that led to them "missing God" all while wrestling with the prejudices that inevitably surface in their relationships with each other. Who will press in and who will give up their soul forever?

Moved by previous visits to the Centralia, and ultimately by a trip to the now deserted town, which was bought out by the state following an unstoppable mine fire that began in 1962, the author was inspired to write a fitting eulogy. The novel is a fictional accounting based on fact and metaphorically presents the mine owners and industrialists as Satanical manifestations in need of exorcism. It is a wonderful mix of period fact with fiction - there is much to learn while enjoying a fanciful journey through the author's imagination. Sample from the book: "More water! More water damn it! The fire is spreading!" From behind a fire pumper a soot covered black-faced fireman came running and shouting. "Around the other side! Quickly!" Three more fire fighters joined in, sweat pouring from their brows in the 83 degree heat, made many times hotter by the raging fire, dragging limp cloth hose toward the quickly spreading fire that was reaching out in anger from the pit. "Charge the line," screamed a scrawny teenage fireman. The hose they were carrying quickly filled and whipped along like a disturbed snake. The fire, in the pit of an old abandoned strip mine near the Odd Fellows cemetery was started once or twice a year to burn excess municipal rubbish, but had never gotten out of control, as did this one. This fire was started on May 27 to clean up rubbish and municipal waste in preparation for the Memorial Day celebration, and was then extinguished by the fire department and was thought to have gone out. It had again re-kindled on May 29 and was put out late in the evening. It again re-kindled on June 12, though not as bad. Now it had re-kindled yet again, this time with a vengeance, as if set by Satan himself. None of the locals had ever seen such an inferno.

NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER • “Spectacular . . . [Téa Obreht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop.”—Entertainment Weekly Look for Téa Obreht’s second novel, *Inland*, now available. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, *The New York Times* • Entertainment Weekly • The Christian Science Monitor • The Kansas City Star • Library Journal Weaving a brilliant latticework of family legend, loss, and love, Téa Obreht, the youngest of *The New Yorker’s* twenty best American fiction writers under forty, has spun a timeless novel that will establish her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather’s recent death. Searching for clues, she turns to his worn copy of *The Jungle Book* and the stories he told her of his encounters over the years with “the deathless man.” But most extraordinary of all is the story her grandfather never told her—the legend of the tiger’s wife. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The Wall Street Journal* • O: *The Oprah Magazine* • The Economist • Vogue • Slate • Chicago Tribune • The Seattle Times • Dayton Daily News • Publishers Weekly • Alan Cheuse, NPR’s *All Things Considered* “Stunning . . . a richly textured and searing novel.”—Michiko Kakutani, *The New York Times* “[Obreht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying.”—*The Wall Street Journal* “Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, *The Tiger’s Wife* is all the more remarkable for being the product not of observation but of imagination.”—*The New York Times Book Review* “That *The Tiger’s Wife* never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing.”—*The Washington Post*

Amongst the gods, there was a saying that a deity had committed a murder a thousand years ago. The massacre over a thousand years ago was in fact a struggle between human cultivators and animal cultivators. After a thousand years, there would be another contest. However, the contest from a thousand years ago was even more bitter. Who would be the final victor in the battle between the Immortal Path's Ancestor and the Devil Realm's Ancestor? This was heavenly tribulation. Only a person with heavenly destiny could survive this. He was born into the world!

In the twenty-first century, the word vigilante usually conjures up images of cinematic heroes like Batman, Zorro, the Lone Ranger, or Clint Eastwood in just about any film he’s ever been in. But in the nineteenth century, vigilantes roamed the country long before they ever made their way onto the silver screen. In *Faces Like Devils*, Matthew J. Hernando closely examines one of the most famous of these vigilante groups—the Bald Knobbers. Hernando sifts through the folklore and myth surrounding the Bald Knobbers to produce an authentic history of the rise and fall of Missouri’s most famous vigilantes. He details the differences between the modernizing Bald Knobbers of Taney County and the anti-progressive Bald Knobbers of Christian County, while also stressing the importance of Civil War-era violence with respect to the foundation of these vigilante groups. Despite being one of America’s largest and most famous vigilante groups during the nineteenth century, the Bald Knobbers have not previously been examined in depth. Hernando’s exhaustive research, which includes a plethora of state and federal court records, newspaper articles, and firsthand accounts, remedies that lack. This account of the Bald Knobbers is vital to anyone not wanting to miss out on a major part of Missouri’s history.

The Second Season

A Corine Solomon Novel

2nd

The joint ages of friends Joy Lennick and Jean Wilson may add up to one hundred and seventy one years, but there's nothing "old lace" about these two women writers; while the "arsenic" connection is questionable... Both adept at delving into the messy, murky world of murder, it is enlightening, and sometimes, a relief... to discover their added light, humorous touch. This makes for a diverse selection of highly entertaining short stories to tickle the fancy of readers of a variety of genres. Jean Wilson worked as a Queen's Nurse in the 1950s, and soon earned the affectionate nickname 'The Angel of Aldgate' for her cheerful, hard work among the sick of the East End of London; and Joy Lennick wore a few hats before becoming an author in 1984; adding many writing projects to her long list, including five books.

When tigers begin attacking people in Texas, only Arina Yeroskin, a veterinarian who was in on the experimental program that infected animals with a virulent form of rickettsia, "and the reader--knows why the post-communist Russian government wants their prize animals dead, not alive."--Jacket.

The Pine Barrens region in New Jersey has long been a place of mystery, with its dark pine groves, black swamps, and dank bogs, oftentimes shrouded in mist and fog. Reputed to be haunted by spirits, it’s an unsettling place to be sure. But of all the mysterious happenings and sights to be found in the Pine Barrens, there is none so intriguing as the Jersey Devil. Since its first reported sighting in 1735, local lore has it that a “devil-like” creature with the head of a horse, the wings of a bat, and the hooves of a goat has menaced townspeople, frightened livestock, and caused all manner of trouble over the years. Is the Jersey Devil real? Award-winning author Trinka Hakes Noble weaves a spellbinding tale about the origins of the legend of the Jersey Devil.

Atmospheric illustrations by artist Gerald Kelley bring the tale to spooky life.

In exile after being ousted from the family castle, recovering alcoholic Tristram St. Lawrence finds himself back in Dublin when an old acquaintance pitches a development project that his sponsor, a mysterious businessman, supports.

The Official Tell-All Memoir

Savage Island Scavenger

As a handler, Corine Solomon can touch any object and learn its history. Her power is a gift, but one that’s thrown her life off track. The magical inheritance she received from her mother is dangerously powerful, and Corine has managed to mark herself as a black witch by dealing with demons to solve her problems. Back home, Corine is trying to rebuild her pawnshop and her life with her ex Chance, despite the target on her back. But when the demons she provoked kidnap her best friend in retaliation, Corine puts everything on hold to save her. It's undoubtedly a trap, but Corine would do anything to save those she loves, even if it means sacrificing herself...

From the time Dr. Mark Goldstein was a little boy—even before he had his first dog—he was fascinated by creatures both domestic and wild. After graduating veterinary school at Cornell University, he became a veterinarian in clinical practice, then director of zoos in Boston and Los Angeles, then head of a progressive humane society where he advocated for animal welfare. During his extraordinary 30-year career, Dr. Mark has accrued a lifetime of experiences working with all sorts of animals and the people who care for them. Dr. Mark's life with animals taught him more than how to be a great doctor, it taught him how to live life. The stories in this book reflect those lessons; they will make you laugh and cry as they entertain and amaze you. Each real-life experience sheds light on the challenges and hard work of the talented individuals who work in the world of animal welfare. These are stories that illustrate the tremendous impact animals have on our daily lives—they are hallmarks of the sacred importance of the human-animal bond. On your journey through the exhilarating life of Dr. Mark, you'll meet some of the finned, furred, and feathered animals who offered him invaluable insights—Harold the hamster, Sasha the Siberian tiger, St. Francis the German Shepherd, Ralph the buffalo, Gus the stallion, Frank the goldfish, and many more fascinating creatures!
