

Time 85 Years of Great Writing

• More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads
People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you

The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more--It requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help

us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brene Brown, Ph.D. #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life. Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good,

instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The

result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As

Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer

convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no

longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Learn all about basketball and how to become a better player in this entertaining and educational book full of fun puzzles and activities! The Everything Kids' Basketball Book teaches kids everything they need to know about basketball. With thirty puzzles and activities,

they'll learn the rules of the game, the history of the sport, and everything about their favorite players. Featuring up-to-date statistics and records of NBA, WNBA, NCAA, and Olympic basketball, this guide highlights the importance of teamwork and how kids can stay active

and healthy. The Everything Kids' Basketball Book is a slam dunk!

Memoirs of a Muppets Writer

Very few people would challenge Fabian, the star running back whose about to go pro. Not merely for the beast that he is on the field, but also the one he becomes when he drinks. Eric Curtain isn't quite so lucky. His brother Tyriq is terminally ill. But Eric's luck is sure to run out when he and Fabian soon cross paths. Sneered and scamed in the years that follow, Eric inflicts a few of his own. Will the now famous athlete hold it together, or will Eric cause him to lose it all? Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyt stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyt legends draw you into their magic.

Meetings don't need to be terrible. They can be the best place for us to connect with the people we work with and do great things. This book presents the Lean Coffee method which has since its inception in 2009 spread across the globe to radically shift the way people meet with each other.

The Power of One More

Edith Wharton's Writings from the Great War

Philosophical works

Who's the Bitch Now?

From Beethoven and Kafka to George Sand, Picasso and Agatha Christie, this compilation of letters, diaries and interviews reveals the profound fusion of discipline and dissipation through which the artistic temperament is allowed to evolve, recharge and emerge. 20,000 first printing.

Edith Wharton resided in France during World War I, visiting combat zones and hospitals and working tirelessly with refugee and children's relief organizations. In magazines and newspapers such as the New York Times, Saturday Evening Post, and Scribner's, she wrote prodigiously about the war - dispatches, feature articles, and poems. During this time she also completed a number of short stories, two books (Summer and The Marne), and the essays that were collected in French Ways and Their Meaning. The war remained a topic for her after its conclusion, most notably in her 1923 novel, A Son at the Front. Yet none of this work has received the critical attention it deserves. Julie Olin-Ammentorp, through her detailed examination of a wide range of texts, including archival sources and materials long out of print, reclaims Wharton's war writings and places her in the company of other Great War writers, discusses common themes, and examines issues such as Wharton's exclusion from the canon of Great War writers; the effect of the war on her choice of subject, style, and tone; her shifting perspective on the war itself; her sense of personal, social, and literary destabilization during the war; and her increased sense of the role of history during and after the war. Olin-Ammentorp quotes many evocative passages from Wharton's wartime correspondence - most notably to Henry James, who avidly read

Wharton's letters to him during the war as if they were dispatches from the front. Particularly new is the inclusion of Wharton's poetry composed during the war years, most of which has remained unpublished until now. In addition to providing a thorough analysis of Wharton's war writings, the book includes two appendices of her out-of-print and scattered writings; this book makes them available for the first time in over 85 years. Wharton's war-related nonfiction prose,

including newspaper reportage, magazine articles, an obituary for her young friend Ronald Simmons who died in the war, and a speech she gave to American servicemen.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero.Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream.His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Hugs!

Rest Stop

What to Do When Everyone Looks to You

Time for School, Little Blue Truck

New York Magazine

The Latter-day Saints' Millennial Star

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditons. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettablely tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. HiStory of Santa Monica

Why Some Companies Make the Leap --and Other's Don't

The Everything Kids' Basketball Book

The all-time greats, legendary teams, today's superstars—and tips on playing like a pro

Book Two of 'The Wheel of Time'

Re-union

Instant Wall Street Journal Bestseller! Congratulations, you're a manager! After you pop the champagne, accept the shiny new title, and step into this thrilling next chapter of your career, the truth descends like a fog: you don't really know what you're doing. That's exactly how Julie Zhuo felt when she became a rookie manager at the age of 25. She stared at a long list of logistics--from hiring to firing, from meeting to messaging, from planning to pitching--and faced a thousand questions and uncertainties. How was she supposed to spin teamwork into value? How could she be a good steward of her reports' careers? What was the secret to leading with confidence in new and unexpected situations? Now, having managed dozens of teams spanning tens to hundreds of people, Julie knows the most important lesson of all: great managers are made, not born. If you care enough to be reading this, then you care enough to be a great manager. The Making of a Manager is a modern field guide packed everyday examples and transformative insights, including: * How to tell a great manager from an average manager (illustrations included) * When you should look past an awkward interview and hire someone anyway * How to build trust with your reports through not being a boss * Where to look when you lose faith and lack the answers whether you're new to the job, a veteran leader, or looking to be promoted, this is the handbook you need to be the kind of manager you wish you had.

The collection is thematically linked by both the characters-who are struggling to realize their Hollywood dreams and the setting-Santa Monica, California. A seemingly peaceful seaside city, Santa Monica is also a purgatory where the characters must face failure and loss- as well as their demons and ghosts. Family and ritual are consistent motifs throughout the collection, as are the themes of escape, addiction, redemption, reparation, religion, and death. Whether it is a young couple looking to buy their first home or a man returning to his hometown for a funeral or a baptism, readers will find the everyday rituals in these stories identifiable in many ways.

"The Mansion" by Henry Van Dyke. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Time: 85 Years of Great Writing

In his 20 year affiliation with Jim Hanson's Muppets Joseph A. Bailey was a staff writer on both Sesame Street and The Muppet Show. He also co-wrote the television specials Big Bird in China, Christmas Eve on Sesame Street and Rocky Mountain Holiday, starring John Denver and the Muppets on location in Aspen, Colorado. Additionally, Mr. Bailey wrote Sesame Street song lyrics, albums, five 90-minute Sesame Street Live! musicals, Muppet Business Meeting Films and special material for Big Bird's appearances in the White House and Carnegie Hall. The Muppet Show guest stars he wrote for include George Burns, Bob Hope, Steve Martin, Rudolf Nureyev, John Cleese, Milton Berle and Peter Sellers. For his writing, Mr. Bailey has garnered 5 Emmys, 3 Emmy nominations, a Writers Guild of America Award and a George Foster Peabody Award. Mr. Bailey lives in Manhattan with his wife, Gail. He indulges in occasional long-distance motorcycle trips and claims to speak French and play piano to the equal amusement of others.

A small blue truck finds his way out of a jam, with a little help from his friends.

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient prophecies that are about to begin coming true. Older than most who are just beginning their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

The Great Hunt

Daily Rituals

Benevolent

The dramatic human story of an epic scientific quest and of one man's forty-year obsession to find a solution to the thorniest scientific dilemma of the day--"the longitude problem." Anyone alive in the eighteenth century would have known that "the longitude problem" was the thorniest scientific dilemma of the day--and had been for centuries. Lacking the ability to measure their longitude, sailors throughout the great ages of exploration had been literally lost at sea as soon as they lost sight of land. Thousands of lives and the increasing fortunes of nations hung on a resolution. One man, John Harrison, in complete opposition to the scientific community, dared to imagine a mechanical solution--a clock that would keep precise time at sea, something no clock had ever been able to do on land. Longitude is the dramatic human story of an epic scientific quest and of Harrison's forty-year obsession with building his perfect timekeeper, known today as the chronometer. Full of heroism and chicanery, it is also a fascinating brief history of astronomy, navigation, and clockmaking, and opens a new window on our world.

"Blimp, blop, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime FearsSo begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated.A Fear of Monsters is CommonA fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children.The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children.The Children Model The Golden RuleIn this beautifully illustrated book we meet two children--Suzy and Karrit, and we discover that sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance.We also discover that it is easy to misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him.Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they aren't so different from each other after all.A Mantra that Banishes Nightime FearsWhen things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters. "You're welcome to stay until I say, 'May!' Then it's time to go, and you can't say, 'no.'"This is an empowering bedtime

story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the page. There are slight differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences.In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview with the illustrator, and other stories and poems written by the author.Order Copies For Yourself and Your Friends...It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.

Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In The Great Hunt, the second novel in Robert Jordan’s #1 New York Times bestselling epic fantasy series, The Wheel of Time®, Rand al’Thor and his companions set out to retrieve a powerful magical artifact from The Dark One’s Shadowspawn. For centuries, gleemen have told the tales of The Great Hunt of the Horn. So many tales about each of the Hunters, and so many Hunters to tell of... Now the Horn itself is found: the Horn of Valere long thought only legend, the Horn which will raise the dead heroes of the ages. And it is stolen. In pursuit of the thieves, Rand al’Thor is determined to keep the Horn out of the grasp of The Dark One. But he has also learned that he is The Dragon Reborn—the Champion of Light destined to stand against the Shadow time and again. It is a duty and a destiny that requires Rand to uncover and master magical capabilities he never imagined he possessed. Since its debut in 1990, The Wheel of Time® has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and The Eye of the World was named one of America’s best-loved novels by PBS’s The Great American Read.
