What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of

the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace. What if there was a book that dealt with humanity's most pressing questions: What is the meaning of life? Is there a God, and what does the Deity think about us? The good news is that there is such a book—the bad news is that it's the Bible. How is that bad news? The Bible is just not that easy to read. Yet, what if you had help? Does It Really Say That in the Bible? will teach you how to explore the Bible and find out for yourself what it says.

Arnold makes no claim to be anyone special, but just an avid bible student. When it comes to bible prophecy, he doesn't believe anyone is more qualified than another. Arnold has a passion for Bible prophecy, and he knows he is not alone. His studies began when he first read the Book of Revelation over 35 years ago, and has been studying it ever since. His book, "God's Truth About the End of Time", is different from anything you have read before, and a must read for anyone interested in this time period. Most people know about the destruction that takes place, but it is so much more. This book shows us that this time period is God's design,

and must take place in its proper order. Arnold has divided this book into three parts. The first part is a detailed explanation of the Book of Revelation. Once you finish this part, you will be able to read through the Book of Revelation, and understand it. The second part gives the reader the timeline for the events that take place. Some of the events included in this part, is the return of Jesus, what Satan will do when he is cast out of heaven, how the rapture takes place, and of course the destruction and wars. The third part of this book is a paraphrased unsealed version of the Book of Daniel. Inside this part you will understand the continuous timeline prophecy from Ancient Babylon to the end of time as we know

it. This book also gives us some specific dates, such as when Jesus is to return, the nuclear war, and when the end of the world takes place.

Arnold currently resides in Lincoln, Nebraska with his wife, son, and two cats. While working on this book, he work at his job during the day, but during his evenings and weekends he would study end time prophecy, which is his hobby and passion. He wrote this book to share with others what he has discovered in his 35 years of study.

This book is a culmination of that research. After trashing his work 10 times and starting over, he managed to get a revised chronology that seemed to be more accurate than that being put out by the status quo

This is his version 12, which doesn't try to match different histories based on dates, but rather by matching people and events and then applying revised dates to those events and people. This work will call into question the conclusions of historians of the last 200 years, about the ancient periods of time, and provide an alternative dating for those times. It is a World History in that it incorporates the ancient history of India, China, Japan, as well as the traditional Middle Eastern and European societies of ancient times. It re-

Documents that have previously been written off as Mythology have been re-evaluated as well, as they give a different perspective of ancient times and what happened back then. The use and creation of calendars is an important feature added to this work which is seldom taken into account by modern histories. Los cinco libros de Los Profetas Mayores

(Isaías, Jeremías, Lamentaciones, Ezequiel Y Daniel) cubren un período significativo y presentan una amplia serie de mensajes.

Isaías habló a la nación de Judá alrededor de 150 años antes de su exilio a Babilonia y les hizo un llamado para ser fieles a Dios. Jeremías clamó a ese mismo pueblo cuando estaban al borde del exilio, implorándoles por su arrepentimiento.

Lamentaciones, escrito por Jeremías, presenta un canto fúnebre al ir Judá al exilio. Los dos últimos profetas mayores, Ezequiel y Daniel, hablaron y escribieron para el pueblo en el exilio, animándolos a recordar que Dios seguía aún en control y que finalmente restauraría la fortuna espiritual de Su disciplinada nación. Tres de estos cinco libros son bastante extensos y a veces, todos ellos, pueden ser difíciles de

comprehensive work in reckoning the accession of kings, calendars, and coregencies based upon the Old Testament text and other extra-biblical sources. It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth. Proponents conclude that since the church is unsure of when these events transpired, perhaps they never happened in the first place. Unfortunately, this alarming trend appears to be gaining more acceptance in

our seminaries and churches. The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament. The result of a five-year long project, it accurately establishes and painstakingly documents the dates of key Bible figures and events, starting with the Creation of Adam and ending at the Cross of Christ. The complete chronology for 200 Bible events is included in the appendix. Guided by His Wisdom, author R. Craig
