Poverty, Survival & Hope in an American City (Pulitzer Prize Winner)**

Aged just two and three years old, Evie and Elliot have experienced a lifetime of abuse and neglect. Scrawny, filthy and wide-eyed with fear when they turn up on foster carer Maggie Hartley's doorstep, these young siblings have hardly set foot outside their own home. They have been prisoners, locked in a terrifying world of abuse and violence. Maggie soon realises that Evie and Elliot are lacking the basic life skills we all take for granted. The outside world terrifies them; the sound of the doorbell sends them into a panic that takes hours to abate. Gradually unlocking the truth of their heart-breaking upbringing, Maggie tells their shocking true story. From emotionally scarred and damaged little children, we see how - with warmth and dedication - Maggie transforms their lives. As this moving story unfolds, we share Maggie's joy when these children finally smile again, when they realise they do have a future after all. The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R Dorr. By 1851, each issue published a peice of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and

poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900.

A "persuasive and essential" (Matthew Desmond) work that will forever change how we look at life after prison in America through Miller's "stunning, and deeply painful reckoning with our nation's carceral system" (Heather Ann Thompson). Each year, more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record. Reuben Miller, a chaplain at the Cook County Jail in Chicago and now a sociologist studying mass incarceration, spent years alongside prisoners, ex-prisoners, their friends, and their families to understand the lifelong burden that even a single arrest can entail. What his work revealed is a simple, if overlooked truth: life after incarceration is its own form of prison. The idea that one can serve their debt and return to life as a full-fledge member of society is one of America's most nefarious myths. Recently released individuals are faced with jobs that are off-limits, apartments that cannot be occupied and votes that cannot be cast. As *The Color of Law* exposed about our understanding of housing segregation, *Halfway Home* shows that the American justice system was not created to rehabilitate. Parole is structured to keep classes of Americans impoverished, unstable, and disenfranchised long after they've paid their debt to society. Informed by Miller's experience as the son and brother of incarcerated men, captures the stories of the men, women, and communities fighting against a system that is designed for them to fail. It is a poignant and eye-opening call to arms that reveals how laws, rules, and regulations extract a tangible cost not only from those working to rebuild their lives, but also our democracy. As Miller searchingly explores, America must acknowledge and value the lives of its formerly imprisoned citizens. In this thrilling middle-grade fantasy debut that's Prison Break meets Frozen, a girl will do anything to break her sister out of prison--even get arrested on purpose.

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

Unbroken

The gripping and inspiring story of two extraordinary women--from their imprisonment by the Taliban to their rescue by U.S. Special Forces. When Dayna Curry and Heather Mercer arrived in Afghanistan, they had come to help bring a better life and a little hope to some of the poorest and most oppressed people in the world. Within a few months, their lives were thrown into chaos as they became pawns in historic international events. They were arrested by the ruling Taliban government for teaching about Christianity to the people with whom they worked. In the middle of their trial, the events of September 11, 2001, led to the international war on terrorism, with the Taliban a primary target. While many feared Curry and Mercer could not survive in the midst of war, Americans nonetheless prayed for their safe return, and in November their prayers were answered. In Prisoners of Hope, Dayna Curry and Heather Mercer tell the story of their work in Afghanistan, their love for the people they served, their arrest, trial, and imprisonment by the Taliban, and their rescue by U.S. Special Forces. The heart of the book will discuss how two middle-class American women decided to leave the comforts of home in exchange for the

opportunity to serve the disadvantaged, and how their faith motivated them and sustained them through the events that followed. Their story is a magnificent narrative of ordinary women caught in extraordinary circumstances as a result of their commitment to serve the poorest and most oppressed women and children in the world. This book will be inspiring to those who seek a purpose greater than themselves. From the Sunday Times bestselling author comes a harrowing and moving memoir about two innocent and frightened 'unfosterable' children who do not know what it means to be loved. This is the third book in the series. The shock that strikes Casey and her family when Ashton and Olivia arrive is immeasurable. Two dirty, frightened little waifs stand before them, huge eyes staring around their new surroundings. Ashton - 9, Olivia - 6, have the same urchin look; hair running wild with head lice, filthy nails and skin covered in scabs. And the smell is horrific. The eldest two children of a group of five siblings, Casey had only been told they were coming two days earlier. But it was an emergency, temporary placement, and they were only due to stay a couple of weeks... Casey is desperate to help these poor, lost children, who have been taken away from their family because they were considered at risk, but before she can even start to understand the horrific things that have happened in the past, she has to teach them the most basic of behaviours. Ashton and Olivia have no barriers and no sense of what's right and wrong - her challenges begin with the toilet and eating habits. The weeks roll into months and the months roll on, but bit by bit the children are starting to feel like they truly belong to a family, for the first time. With this new found security and love, gradually they start to reveal what really happened to them and their siblings at home, and slowly Casey can help them start to rebuild their young lives.

THE LITTLE BROTHERS, THE CURIOUS AFFAIR OF THE THIRD DOG, THE LOCKED ROOM

Race, Punishment, and the Afterlife of Mass Incarceration

If there's one thing Svanhilda has always known, it's the importance of family. When her little sister Rósfrída was born, Svanhilda promised her mother that she and her sister would stick together. But as the years passed, tragedy after tragedy befell her family, ripping it apart piece by piece, until only Svanhilda remains at home with her ailing mother. And Rósfrída? She has stayed with Svanhilda, as they promised long ago—every time Svanhilda looks at her reflection, she sees her little sister instead, trapped in a prison of mirrors and treasure. Their only hope is that either their seafaring Father or Rósfrída's strange bear friend might find a way to free her. Tryggvi lost his mother and father a long, long time ago—so long ago that he barely remembers them. When a boy prince named Asbjørn finds him wandering in the woods, he takes Tryggvi home and calls him brother, and his parents welcome Tryggvi as their son. Some years later, Asbjørn leaves to study for a year... but he never returns, and is thought dead and gone. But Tryggvi is convinced his brother still lives—and not without evidence. So, now that he is finally old enough, Tryggvi sets out to find Asbjørn, armed with his cat and an amber pendant which enables him to see the truth of things. And he will find out the truth and bring his big brother home. After all, he promised his baby sister he would, and that's not a promise he's willing to break. On the mountain there is a cave, and in the cave there is a mirror, and in that mirror live two friends: a girl and a bear, trapped in secrets, imprisoned by treasures of great worth. But help is coming, and the secret deeds done in darkness will be revealed, and the prisoners will be set free.

whisked away to a secret prison where they're mercilessly interrogated for days. When the DHS finally releases them, Marcus discovers that his city has become a police state where every citizen is treated like a potential terrorist.
