worked hard to play  
their parts. But behind  
the scenes was a  
different story:  
psychological

shocking violence,  
hidden abuse. By the  
mid-1970s, six of the  
ten Galvin boys, one  
after another, were

Speak, Shannon Bream

examines the lives of

biblical women to see

how God's plans can

down. She tells the story

of Jochebed, a mother

who took enormous

risks to protect her son,

Moses, from Pharaoh.

Could Jochebed have

imagined that God's actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery.

Another biblical mother, Rebekah, made terrible choices in an attempt to ensure her son's place in history. And a daughter, Michal, struggled to keep her faithless father,

Saul, from sin, while  
battling pride in herself.

Through these stories,  
Shannon explains the  
intimate connection  
between faith and  
family—and how God's  
unexpected agenda can  
redefine the way we  
think about family. Not  
all of these mothers and  
daughters in the Bible  
were paragons of virtue.  
Like us, they were

human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. The Mothers and Daughters of the Bible

Speak shows that faith is more often a twisting road than a straight line.

Yet, as the stories of biblical families attest, at the end of these journeys lies greater peace and joy than we could ever imagine.

is vintage Tennessee  
Williams. Published in  
1950, his first novel  
was acclaimed by Gore

written, precise, short,  
complete, and fine." It  
is the story of a  
wealthy, fiftyish  
American widow  
recently a famous  
stage beauty, but now  
"drifting." The novel
