functions.

India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and

Online Library TnpSC Group 2

also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi

might be learnt from their experience. It assesses the manner in which they assist, thwart, manipulate, and subvert each other. The aim is to provide a complex account of the modalities through which state power is exercised and policy enacted. This study contributes to debates on institutional change and reform that are currently underway in India by bringing more analytical rigour and enlarging the parameters of the debate. These debates are particularly important given that Indian economy and society have changed profoundly in the last decade and a half. Much of the discussion is on how state institutions like the civil service, the courts, the police, parliament, and regulatory institutions will need to be
