Final Verdict:

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *M*, My Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

God, do you hear me? If we're honest, that's a sentiment we've all shared. Prayer can be challenging and confusing. Often we feel abandoned, betrayed, and anxious. We don't know what to pray for, we don't know the words to say, and sometimes it just feels like there's no one on the other side. Through the pages of this book, pastor and bestselling author Derwin Gray will journey with you, in learning and living the prayer that God always answers. This prayer is commonly called the Lord's Prayer (Matt 6:9-13). The Lord's Prayer is the firm foundation God uses to build our lives on the Rock. It will help you break through to a completely new and refreshing prayer life. Along this journey, you'll learn several things about prayer: Prayer is the secret place where we find God waiting for us. Prayer is the door we enter to discover God's heart of unending grace.

Prayer is the home we have always wanted, where we can crawl into our Father's lap and find our purpose. Prayer is not about getting God to give us stuff. It is about becoming who we were made to be: a reflection of Jesus in the world.

The Definitive How-To Guide

Who Was Selena?

The Fruit of the Holy Spirit

A Novel

In the border shantytown of Ysleta, Mexican immigrants Pilar and Cuauhtémoc Martínez strive to teach their four children to forsake the drugs and gangs of their neighborhood. The family's hardscrabble origins are just the beginning of this sweeping new novel from Sergio Troncoso. Spanning four decades, this is a story of a family's struggle to become American and yet not be pulled apart by a maelstrom of cultural forces. As a young adult, daughter Julieta is disenchanted with Catholicism and converts to Islam. Youngest son Ismael, always the bookworm, is accepted to Harvard but feels out of place in the Northeast where he meets and marries a Jewish woman. The other boys—Marcos and Francisco—toil in their father's old apartment buildings, serving as the cheap labor to fuel the family's rise to the middle class. Over time, Francisco isolates himself in El Paso while Marcos eventually leaves to become a teacher, but then returns, struggling with a deep bitterness about his work and marriage. Through it all, Pilar clings to the idea of her family and tries to hold it together as her husband's health begins to fail. This backdrop is then shaken to its core by the historic events of 2001 in New York City. The aftermath sends shockwaves through this newly American family. Bitter conflicts erupt between siblings and the physical and cultural spaces between them threaten to tear them apart. Will their shared history and once-common dreams be enough to hold together a family from Ysleta, this wicked patch of dust?

A Father's Dream: My Family's Journey in Music chronicles the life of a musician, performer, man of God, and successful Mexican American entrepreneur. This is the story of a man who has experienced great joy and even greater pain, but by holding onto the strength embedded in each of us, embracing the love of family, and leaning on his faith in God, he is able to move forward toward the future with a positive disposition. Abraham Quintanilla takes the reader on the journey of his life, a life that reflects the up and down experiences of a self-made success. With a raw emotion and honesty, he shares the twists and turns of a road many readers may have been forced to travel and a few others hope never to traverse. From the sublime joys of fatherhood, to the accomplishment of creating a musical empire and surviving its failures, he shares the unexpected life events that make up each of our lives. Every reader will gain a stronger sense of humanity and a deeper understanding of just how precious and fleeting life can be from reading this memoir. Readers will also be given a close and personal view into the behind-the-scenes intricacies of a successful family business. Share the joy a parent feels for their children's success. And most of all, readers will understand the human need to embrace one's own talents. Finally, anyone who picks up this book and reads it will come to know that unforeseen tragedy can and does happen, but with faith and family as our support system, we are able to pick up the pieces of our broken hearts and walk bravely into the future with our newfound hope lighting the way.

Miriam Makeba, a Grammy Award-winning South African singer, rose to fame in the hearts of her people at the pinnacle of apartheid—a brutal system of segregation similar to American Jim Crow laws. Mama Africa, as they called her, raised her voice to help combat these injustices at jazz clubs in Johannesburg; in exile, at a rally beside Dr. Martin Luther King, Jr.; and before the United Nations. Set defiantly in the present tense, this biography offers readers an intimate view of Makeba's fight for equality. Kathryn Erskine's call-and-response style text and Charly Palmer's bold illustrations come together in a raw, riveting duet of protest song and praise poem. A testament to how a single voice helped to shake up the world—and can continue to do so.

Now a major Lifetime movie event—Book Three of the Dollanganger series that began with Flowers in the Attic—the novel of forbidden love that captured the world's imagination and earned V.C. Andrews a fiercely devoted fanbase. They hide the shocking truth to protect their children. But someone has discovered their secret. As the shadow of the past looms, the handsome and talented teenager, Tony, their imaginative nine-year-old Bart, and a sweet baby daughter. Then an elderly woman and her stränge butler move in next door. The Old Woman in Black watches from her window, lures lonely Bart inside with cookies and ice cream, and asks him to call her “grandmother.” Slowly Bart transforms, each visit pushing him closer to the edge of madness and violence, while his anguished parents can only watch. For Cathy and Chris, the horrors of the past have come home—and everything they love may soon be torn from them.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Selena and I had always been friendly around each other, but professional. I had joined her band a year before, and we had traveled to Mexico together. I had noticed that Selena was lively and outgoing, while I was quiet and observant. #2 I began to notice Selena's physical presence, her body tempting me not to stare at her, but I did anyway, watching her out of the corner of my eye when I thought she wasn't looking. #3 I was determined to ignore everything that had happened with Selena on the plane home from Acapulco. I was going to keep playing guitar in Tejano band fronted by another young singer, Shelly Lares. #4 I was new to the Tejano world, and I often felt like an imposter. I was a right away that Selena y Los Dinos were rising to the top.

In *Forgiveness*, her memoir, Chiquis bravely reveals the abuse she suffered at the hands of her father during her childhood and the difficulties she's faced in her personal life as a result. In *Forgiveness*, Chiquis brings to light truths that she wishes she had been able to reveal to Jenni. Two years after her mother's death, Chiquis answers the most difficult questions: Was she able to make peace with Jenni? And in this story of triumph and tragedy, who is most in need of forgiveness?

Literary Nonfiction. Women's Studies. Environmental Studies. Today's social and ecological crises, which threaten the preservation of life on our planet, require our attention to understand the dynamics of patriarchy and capitalism, as well as to unmask "answers" or false solutions that obscure, perpetuate, and even worsen the current situation. Ecofeminists have critically examined several of the underlying assumptions of the capitalist-patriarchal conceptual framework, such as the promotion of the destructive transformation of nature, hierarchical thinking, the encouragement of dualism, the enforcement of the logic of domination over life, even the hatred for life itself, and speciesism. Yet ecofeminism's attempts to call attention to and stop the destruction of the planet have not yet been able to tackle the growing problem of climate change, which is threatening not only life on earth, but the earth and all her "living systems." Climate change and extreme weather are exacerbating existing social inequalities and political conflicts globally. Climate justice is the starting point from which we can begin to build the kind of local and international solidarity that is needed to address climate change and transform the socio-economic hierarchies that caused it. This volume re-examines existing analyses from this new and much broader point of view in theory and practise, and points to the need for a new concept of nature and the earth as a living being, so that it is the life of the earth herself that today must be protected.

"There's a lot of tex in the book, but it's smartly framed within two-page spreads, and very little of it feels extraneous. . . . Selena Quintanilla's music career began at the age of nine when she started singing in her family's band. She went from using a hairbrush as a microphone to traveling from town to town to play gigs. But Selena faced a challenge: People said that she never make it in Tejano music, which was dominated by male performers. Selena was determined to prove them wrong. Born and raised in Texas, Selena didn't know how to speak Spanish, but with the help of her dad, she learned to sing it. With songs written and composed by her older brother and the fun dance steps Selena created, her band, Selena y Los Dinos, rose to stardom! A true trailblazer, her success in Tejano music and her crossover into mainstream American music opened the door for other Latinx entertainers, and she became an inspiration for Latina girls everywhere.

The murdered Mexican singer's husband shares his recollections and memories of their relationship, both personal and professional, and clarifies certain misconceptions about her life and death.

Dreaming brings together lyrical reflections, little boys dancing "the washing machine," prayers over velas, and odes to purple, sparkly hips waiting to cumbia beats. What you may so cavalierly call useless information could prove invaluable to someone else. Then again, maybe not. But to the Useless Information Society, any fact that passes its gasp-inducing, not-a-lot-of-people-know-that test merits inclusion in this fascinating but ultimately useless book... Did you know (or do you care)... • That fish scales are used to make lipstick? • Why organized crime accounts for ten percent of the United States's annual income? • The name of the first CD pressed in the United States? • The last year that can be written upside-down or right side-up and appear the same? • The shortest performance ever nominated for an Oscar? • How much Elvis weighed at the time of his death? • What the suits in a deck of cards represent? • How many Quarter Pounders can be made from one cow? • How interesting useless information can be? The Book of Useless Information answers these teasers and is packed with facts and figures that will captivate you—and anyone who shares your joy in the pursuit of pointless knowledge.

Here are magnificent insights into the lives of biblical prophets and kings, talmudic sages, and Hasidic rabbis from the internationally acclaimed writer, Nobel laureate, and one of the world's most honored and beloved teachers. "This posthumous collection encourages a path toward purpose and transcendence." —The New York Times Book Review From a multitude of sources, Elie Wiesel tells facts, legends, and anecdotes to give us fascinating portraits of notable figures throughout Jewish history. Here is the prophet Elisha, wonder-worker and adviser to kings, whose compassion for those in need is matched only by his fiery temper. Here is the renowned scholar Rabbi Yohanan ben Zakkai, whose ingenuity in escaping from a besieged Jerusalem on the eve of its destruction by Roman legions in 70 CE laid the foundation for the rabbinic teachings and commentaries that revolutionized the practice and study of Judaism and have sustained the Jewish people for two thousand years of ongoing exile. And here is Rabbi Shneur Zalman of Liadi, founder of Chabad Hasidism, languishing in a Czarist prison in 1798, the victim of a false accusation, engaging in the logical discussions that laid the basis for Chabad's legendary method of engagement with the world at large. In recounting the life stories of these and other spiritual seekers, in delving into the struggles of human beings trying to create meaningful lives touched with sparks of the divine, Wiesel challenges and inspires us all to fill our own lives with commitment and sanctity.

"Based on an actual event that occurred during World War II, this heartbreaking narrative book about history, immortality, and the power of song is accompanied by magnificent full-color paintings by award-winning artist Mark Podwal. It is the evening before the holiday of Purim, and the Nazis have given the ghetto's leaders twenty-four hours to turn over ten Jews to be hung to "avenge" the deaths of the ten sons of Haman, the villain of the Purim story, which celebrates the triumph of the Jews of Persia over potential genocide some 2,400 years ago. If they refuse, the entire ghetto will be liquidated. The terrified leaders go to the ghetto's rabbi for advice; he tells them to return the next morning. Over the course of the night the rabbi calls up the spirits of rabbis from centuries past for advice; each is rendered speechless by what the rabbi describes. The 18th century mystic and founder of Hasidism, the Ba'al Shem Tov, tries to intercede with God by singing a niggun, a wordless, joyful melody with the power to break the chains of evil, but his efforts end in failure. Then the beloved Rabbi Levi Yitzhak of Berdichev appears. There is only one possible response, he says. And the ghetto rabbi agrees. That evening, everyone in the ghetto is herded into the synagogue courtyard. When no one steps forward, they are informed that in an hour they will all be killed. How does one prepare to die? The question is laid before the ghetto rabbi, and he teaches them the song that the Ba'al Shem Tov taught him the night before. As their voices soar upward, they are joined by Jews from centuries past who rise over the world, all singing the Ba'al Shem Tov's niggun as the massacre begins. And as the souls of these men, women, and children rise to the heavens, their song continues, uninterrupted, to the end of time and beyond."
