

## Toddler Activity Books Ages 1-3 Boys Or Girls For Their Fun Early Learning Alphabet Number Shape And Games

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

What's the Play Smart sense? Learning should be fun! Fun-first activities—an engaging mix of tracing, matching games, picture puzzles and more—keep kids thoroughly entertained while they build reasoning skills, fine motor coordination, and creativity. Notes to parents on every page offer suggestions for enhancing vocabulary and problem solving skills as kids play their way through the book. The activities get progressively harder, helping little ones to build a sense of confidence as they progress. And more than 80 adorable stickers add to the excitement: kids choose a reward sticker after finishing each challenge. A wipe-off activity board completes the package.

Dear Friends, Loving parents and all caring adults! Welcome to the Wonderful World of Coloring Books! One of the best funny gifts for the children of any ages! Trying to find Coloring books for children of different ages is difficult. We could not find one that we really liked. So, we decided to create our series of Coloring books that would include Alphabet and Numbers for Toddlers aged 1 to 2 years, pre-school children 3-4 years. Coloring books for Primary school children 4-11 and older children 12+ years. Creating our books, we worked with several specialists such as teachers, tutors, children's psychologists, designers, artists and experienced parents who helped us to make our books fun and useful. Activities like coloring can greatly help your child's development. It allows them to develop new skills like accuracy and attention. This simple and fun activity will improve the motoring skills of your child as well as help them to relax, get rid of anxiety, control their mood and develop their imagination. And finally, it is a good idea to keep your child entertained. Our Coloring Books for children are made on the principle of "From simple to complex". On the first pages of our books, we introduce the simplest drawings for the beginner little artists. Further, on, the drawings gradually become more and more complicated. Children feel really happy when they manage to color the first simple picture and gradually move into more complicated coloring drawings. This principle allows your child to develop the skills of fine art step by step. Isn't it great to do your toddler's first coloring together? Watching how happy and joyful they get coloring a beautiful picture. This will be of the great importance of teaching your child the first steps of drawing and fine art. Coloring beautiful pictures, using different colors, children learn and have fun at the same time. They will be really happy if you allow them to color the pictures together creating some precious memories with your child. Save your child's first coloring pages and later on, you can remember the precious moments you spent learning and coloring together, having fun making art. Write the date of your child's amazing coloring right on the page they colored. So welcome to the Wonderful World of coloring! In the book, you will find: Big pictures easy for your child to recognize and color. They will be interesting for both boys and girls and include a wide range of topics All illustrations are one-sided Large-format pages 50 interesting pictures Thick lines to help kids easy color within the lines. Thank you for looking at our Coloring Book. Enjoy your coloring. You might also be interested in other Coloring books we offer.
