

Tokyo Ghost Volume 2

The genre-bending New York Times bestseller now available in a deluxe oversized format! A thematic merging of The Lord of the Rings and Watchmen, The End League follows the last remaining superheroes on Earth as they embark on a desperate quest to find the one artifact that can save humanity--the Hammer of Thor. Superstar writer Rick Remender (Fear Agent, Tokyo Ghost) is joined by comics legends Mat Broome (X-Men, Batman) and Eric Canete (Iron Man, Martian Manhunter) on a perilous journey to save the world! • Collects all 9 issues of the series. • Oversize library format - matches the bestselling Fear Agent library editions! • All-star creators: Rick Remender, Mat Broome, and Eric Canete. X-Force exists to tackle the problems that ordinary X-Men can't or won't confront - with extreme prejudice. But as the killing begins to take its toll, a less existential crisis faces the team: a new Brotherhood of Evil Mutants - led by Wolverine's twisted son, Daken, and specifically designed to dismantle X-Force...and then to kidnap Genesis, the young clone of Apocalypse, from Wolverine's Jean Grey School and fulfill his destiny to rise as a mutant despot! COLLECTING: Uncanny X-Force 30-35, material from UNCANNY X-FORCE 25

The Tokyo Ghost has come for Davey Trauma but Constable Led Dent stands in the way.

After a high-profile art heist of three van Gogh drawings in her home town of Seattle, sixteen-year-old Violet Rossi finds herself in Japan with her artist father, searching for the related van Gogh painting.

They were the product of an ultra-secret government program, code-named Black Forest. Dozens of children, all displaying the classic signs of psychopathy, were kidnapped and brutally shaped into living weapons--perfect, remorseless agents of chaos, ready and willing to bring mayhem to the enemies of the United States. The masterminds behind Black Forest thought they had solved America's security problems for good. Then their creations stopped following orders, and the program--along with everyone in it--was terminated with extreme prejudice. But some of the Forest's monsters escaped the purge. Now, 25 years later, those prodigal killers have returned--and their home country is their new target. Led by a man called Cain, this unstoppable cohort is cutting a bloody swath through New York City. The one person who can stop them is a man called Abel--the only Black Forest operative who ever escaped from the program. Are these modern-day sons of Adam doomed to repeat the sins of their biblical namesakes? Or can they finally break the cycle of violence for which they've trained their entire lives? One way or another, the stage is set for a showdown darker and deadlier than any black-ops mission the world has ever seen. The creative team of Justin Jordan and Ibrahim Moustafa combine high-octane action with high body count horror in SAVAGE THINGS--a chilling new vision of the evil that men do. Collects issues #1-8.

" Every one of the beautiful ladies living at Yuragi-sou has a secret. An oni, a ghost, a yokai, and a deadly kunoichi all call the place home--and Kogarashi's getting to know each and every one of them, in occasionally dangerous detail. Not even a ghost like Yuuna is safe from the attentions of more dangerous spirits, and if Kogarashi's going to make good on his promise to her, he'll need all the help he can get to keep her safe. Sexy, quirky, and just a little bit strange, life at the hot springs is never easy. "

" To be touched by an Outsider is to become an Outsider. A clawed, black hand reaches out to touch Shiva's cheek in her sleep. The hand does not belong to Teacher. Who is this strange new Outsider, and what do its creepy murmurings about "mother" portend? Enter a fantasy realm shrouded in mystery, in a dark fairy tale-like setting for fans of The Ancient Magus' Bride. "

WINNER OF THE 2020 NATIONAL BOOK AWARD IN TRANSLATED LITERATURE A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A surreal, devastating story of a homeless ghost who haunts one of Tokyo's busiest train stations. Kazu is dead. Born in Fukushima in 1933, the same year as the Japanese Emperor, his life is tied by a series of coincidences to the Imperial family and has been shaped at every turn by modern Japanese history. But his life story is also marked by bad luck, and now, in death, he is unable to rest, doomed to haunt the park near Ueno Station in Tokyo. Kazu's life in the city began and ended in that park; he arrived there to work as a laborer in the preparations for the 1964 Tokyo Olympics and ended his days living in the vast homeless village in the park, traumatized by the destruction of the 2011 tsunami and shattered by the announcement of the 2020 Olympics. Through Kazu's eyes, we see daily life in Tokyo buzz around him and learn the intimate details of his personal story, how loss and society's inequalities and constrictions spiraled towards this ghostly fate, with moments of beauty and grace just out of reach. A powerful masterwork from one of Japan's most brilliant outsider writers, Tokyo Ueno Station is a book for our times and a look into a marginalized existence in a shiny global megapolis.
