

Tone It Up Nutrition Plan

Are you ready for a flat stomach at 50? Are you excited to accept the challenge? Would you like your clothes to fit you easily? 2 weeks from now you will see results and be happy, confident and comfortable. From Ivy Ngeow, author of *Awesome at 50: Body Reboot* in 6 weeks comes a 10-day workout plan. It is perfect for men or women who are time-poor and beginners. Each day will have 8 exercises only, 20-30 minutes long in total. No repeats or circuits. No gym equipment or membership. Exercise from home for free. Save money and burn belly fat. Prepare simple, nutritious and satisfying meals so fresh and tasty you won't want to snack on junk again. • 20-30 minutes per day • 8 exercises anyone can do • 10 days over 2 weeks • Slim down and tone up the belly • 14-day meal plan You'll love this little book, so simple you'll want to continue everyday. Don't wait. Your amazing transformation begins today. Get this book now.

Karena Dawn and Katrina Scott, the founders of the *Tone It Up* fitness and health brand, have taken the world by storm with their fun, energetic, girlfriend-to-girlfriend approach to getting fit. In their *Tone It Up* book, the girls' genuine, relatable philosophy is boiled down to a 28-day program that incorporates fitness routines, nutritional advice, and mental and spiritual practices to transform readers' bodies, attitudes, and lives. Dawn and Scott take a holistic approach to fitness, including the same principles in their book that make their brand so popular--a sense of community, empowerment, and lightheartedness in every healthy, feel-good technique they recommend. Dawn and Scott will help readers get: • **FIT.** With daily fitness challenges, workout plans, healthy-eating tips, and delicious recipes, readers will be on their way to the strong, sexy body they're after. • **FIERCE.** Dawn and Scott will empower readers to be their best self-motivators by aligning their minds and bodies with their intentions through visualization exercises, daily meditations, confidence-boosting tips, and dares to move outside their comfort zones. • **FABULOUS.** This is the fun stuff: beauty, sparkle, friendship, inspiration, joy, and all the things that give readers that unmistakable glow so they radiate from the inside out!

In this scientific and revolutionary book, based on Nobel Prize-winning research, medical visionary and former Massachusetts Institute of Technology researcher Dr. Barry Sears makes peak physical and mental performance, as well as permanent fat loss, simple for you to understand and achieve. With lists of good and bad carbohydrates, easy-to-follow food blocks and delicious recipes, *The Zone* provides all you need to begin your journey toward permanent fat loss, great health and all-round peak performance. In balance, your body will not only burn fat, but you'll fight heart disease, diabetes, PMS, chronic fatigue, depression and cancer, as well as alleviate the painful symptoms of diseases such as multiple sclerosis and HIV. This *Zone* state of exceptional health is well-known to champion athletes. Your own journey toward it can begin with your next meal. You will no longer think of food as merely an item of pleasure or a means to appease hunger. Food is your medicine and your ticket to that state of ultimate body balance, strength and great health: the *Zone*.

The ultimate nutrition resource—presenting targeted meal plans for everything from weight loss to energy and memory gain—with sound advice to achieve the cut body and smoking sex life every guy wants. A clinical dietician shares over 130 recipes that show you it ' s possible to eat meals that are delicious and still good for you. Greek yogurt has quickly become America ' s favorite health food, its tangy, luscious taste going far beyond a typical breakfast or simple snack. Thanks to its health benefits, this power food has become a staple. Greek yogurt ' s protein quantity builds muscles and regulates metabolism and the probiotics help maintain a healthy digestive tract and boost the immune system. Greek yogurt is also an excellent source of calcium and very low in sodium—and it ' s lactose-intolerant friendly, too! Why wouldn ' t you want it in every meal? Now, in *The Greek Yogurt Kitchen*, nutrition expert Toby Amidor shows readers how to cut back on fat and calories without compromising flavor. She shares how to use this most versatile and healthful ingredient in unexpected ways, making even the most bad-for-you foods healthier, tastier, and more satisfying. Recipes include: —Lemon-Blueberry Stuffed French Toast —Herbed Goat Cheese and Red Pepper Crostini —Penne Bolognese —White Margarita Pizza —Spiced Chocolate Cupcakes —And more! " I love Greek yogurt and love even more what Toby has done with it! These recipes are creative, flavorful, and a lot of fun. Now you can enjoy your favorite dishes using a newer, healthier approach to cooking. " —Rocco DiSpirito, #1 New York Times – bestselling author of the *Rocco ' s Healthy & Delicious " These inspiring recipes prove this well-loved, healthy ingredient more versatile than you ever imagined. It ' s official. In Toby ' s hands Greek yogurt makes everything better! " —Ellie Krieger, MS RDN, New York Times – bestselling and James Beard Award – winning author of *Weeknight Wonders**

From the celebrity trainer, bestselling author, and creator of The 4 x 4 Diet comes a simple, targeted diet plan that balances the dinner plate to reduce inflammation and help readers get healthy.

Venice Nutrition's 3-Step System That Unlocks Your Body's Full Potential

Dr Mike Moreno's 17 Day Diets a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

Outlines a three-step program designed to correct hormonal imbalances for potential health benefits, explaining how to identify problem areas in order to address such challenges as weight gain, insomnia, and mood disorders.

Responding to the expansion of scientific knowledge about the roles of nutrients in human health, the Institute of Medicine has developed a new approach to establish Recommended Dietary Allowances (RDAs) and other nutrient reference values. The new title for these values Dietary Reference Intakes (DRIs), is the inclusive name being given to this new approach. These are quantitative estimates of nutrient intakes applicable to healthy individuals in the United States and Canada. This new book is part of a series of books presenting dietary reference values for the intakes of nutrients. It establishes recommendations for energy, carbohydrate, fiber, fat, fatty acids, cholesterol, protein, and amino acids. This book presents new approaches and findings which include the following: The establishment of Estimated Energy Requirements at four levels of energy expenditure Recommendations for levels of physical activity to decrease risk of chronic disease The establishment of RDAs for dietary carbohydrate and protein The development of the definitions of Dietary Fiber, Functional Fiber, and Total Fiber The establishment of Adequate Intakes (AI) for Total Fiber The establishment of AIs for linolenic and a-linolenic acids Acceptable Macronutrient Distribution Ranges as a percent of energy intake for fat, carbohydrate, linolenic and a-linolenic acids, and protein Research recommendations for information needed to advance understanding of macronutrient requirements and the adverse effects associated with intake of higher amounts Also detailed are recommendations for both physical activity and energy expenditure to maintain health and decrease the risk of disease.

NEW YORK TIMES BESTSELLER Zero Belly Diet is the revolutionary new plan to turn off your fat genes and help keep you lean for life! Nutrition expert David Zinczenko—the New York Times bestselling author of the Abs Diet series, Eat This, Not That! series, and Eat It to Beat It!—has spent his entire career learning about belly fat—where it comes from and what it does to us. And what he knows is this: There is no greater threat to you and your family—to your health, your happiness, even your financial future. Yes, you can: Change your destiny. Overcome your fat genes. Strip away belly fat and finally attain the lean, strong, healthy body you've always wanted. With Zero Belly Diet, David Zinczenko reveals explosive new research that explains the mystery of why some of us stay thin, and why some can't lose weight no matter how hard we try. He explains how some foods turn our fat genes on—causing seemingly irreversible weight gain—and uncovers the nine essential power foods that act directly on those switches, turning them to “off” and allowing for easy, rapid, and sustainable weight loss. And he shows how these foods help heal your digestive system, keeping those gene switches turned off and setting you up for a lifetime of leanness. Other diets can help you lose weight, but only the Zero Belly diet attacks fat on a genetic level, placing a bull's-eye on the fat cells that matter most: visceral fat, the type of fat ensconced in your belly. These fat cells act like an invading army, increasing inflammation and putting you at risk for diabetes, Alzheimer's, arthritis, heart disease, and cancer. Visceral fat can also can alter your hormone levels, erode muscle tissue, increase your chances of depression, and destroy your sex drive. But you can turn the odds in your favor. Zero Belly Diet shows you how to deactivate your fat genes, rev up your metabolism, banish bloat, and balance your digestive health, allowing you to easily build lean, strong stomach muscle and strip away unwanted belly fat without sacrificing calories or spending hours at the gym. The result: weight loss that is easier, faster, more lasting, and more delicious than you'd ever imagine. You'll be stunned and inspired by the results of an amazing 500-person test panel—men and women who lost weight quickly, and with ease, following the Zero Belly diet. In just the first 14 days: Bob McMicken, 51, lost 16.3 pounds Kyle Cambridge, 28, lost 15 pounds Martha Chesler, 54, lost 11 pounds Matt Brunner, 43, lost 14 pounds Zero Belly Diet features a week-by-week menu plan, fifty tasty recipes, and a handy shopping list that leads to a minimum of cooking and plenty of feasting. Best of all, Zero Belly Diet offers something more: freedom. Freedom from bloating, freedom from food deprivation, freedom from weight loss fads, freedom from stress. So say goodbye to your paunch and hello to a happier, healthier you!

The ultimate high-powered body transformation plan by the fitness trainer of TV's Extreme Makeover describes the exercise and diet plan used by celebrities, and demonstrates how to get in shape in a mere two weeks. 100,000 first printing.

These days, we're constantly bombarded with trendy, restrictive diets that instruct us to "Eat only this" or "Give up that"—diets that ultimately fail when you find that you can't sacrifice the foods you love. But now you can lose weight without deprivation: Lucy Danziger, editor in chief of SELF magazine, and her team of

nutrition experts have created the ultimate flexible plan for melting off ten, twenty, or more pounds at any age—you can see results in as little as a week! By eating more of thirty superfoods—everyday favorites like eggs, yogurt, steak, Parmesan, cherries, kiwi fruit, dark chocolate, and coffee (yes, chocolate and coffee!)—you can shed weight while naturally reducing your dependence on less healthful foods, lowering your risk for diabetes, heart disease, cancer, inflammation, and more. The food plan has room for all your can't-resist treats—you can eat them and still slim down! This revolutionary diet isn't about denying yourself; it's about indulging in delicious, satisfying foods that help trigger weight loss and instill better body health. Guiding you every step of the way, The Drop 10 Diet includes • 101 quick, tasty breakfasts, lunches, snacks, and dinners. You choose your favorites. Each meal or snack incorporates at least one Drop 10 superfood and leaves your cravings and your stomach satisfied! • 40 delicious family recipes that even a novice cook can fix. Your loved ones will never know they're eating healthfully! • 1,400 extra "happy calories" each week to enjoy on top of your Drop 10 meals and snacks. Use your happy calories for daily splurges (ice cream!) or save them up to spend for a big night out (Mexican? Bring on the nachos!). • 8 exercises you can do at home or in the gym to boost your metabolism and supercharge your weight loss. • Inspirational stories of weight loss from women just like you! Don't waste another bite on bland, strict diets that don't work. It's time to grab life by the fork! BONUS: This edition includes an excerpt from The Drop 10 Diet Cookbook!

"Taking control of your diet is an important part of managing your diabetes, and you can do so without sacrificing the delicious comfort foods you love. According to the Mayo Clinic and the National Institute of Diabetes and Digestive and Kidney Diseases, making wise food choices is one of the most significant ways to avoid long-term problems caused by diabetes. Eat What You Love Diabetic Cookbook is the only diabetic cookbook that gives your body what it needs and your taste buds the comfort foods they really want. Registered Dietitian and Certified Diabetes Educator Lori Zanini specializes in providing guidance to clients facing serious health concerns, namely those with diabetes. She has helped thousands of people improve their lives through her science-backed, holistic nutrition approach. With her Southern roots and nutritional expertise, Lori's created this diabetic cookbook to show you how easy it can be to prepare comforting meals using whole foods that taste great and keep your diabetes under control. In Eat What You Love Diabetic Cookbook, you'll learn how what you eat affects your body and how to create a balanced plate without feeling limited."--Publisher.

If you want to be muscular, lean, and strong as quickly as possible without steroids, good genetics, or wasting ridiculous amounts of time in the gym and money on supplements...then you want to read this book. Here's the deal: Getting into awesome shape isn't nearly as complicated as the fitness industry wants you to believe. You don't need to spend hundreds of dollars per month on the worthless supplements that steroid freaks shill in advertisements. You don't need to constantly change up your exercise routines to "confuse" your muscles. I'm pretty sure muscles lack cognitive abilities, but this approach is a good way to just confuse you instead. You don't need to burn through buckets of protein powder every month, stuffing down enough protein each day to feed a third world village. You don't need to toil away in the gym for a couple of hours per day, doing tons of sets, supersets, drop sets, giant sets, etc. (As a matter of fact, this is a great way to stunt gains and get nowhere.) You don't need to grind out hours and hours of boring cardio to shed ugly belly fat and love handles and get a shredded six-pack. (How many flabby treadmills have you come across over the years?) You don't need to completely abstain from "cheat" foods while getting down to single-digit body fat percentages. If you plan cheat meals correctly, you can actually speed your metabolism up and accelerate fat loss. In this book you're going to learn something most guys will never know: The exact formula of exercise and eating that makes putting on 10 to 15 pounds of quality lean mass a breeze...and it only takes 8-12 weeks. This book reveals secrets like... The 6 biggest myths and mistakes of building muscle that stunt 99% of guys' muscle gains. (These BS lies are pushed by all the big magazines and even by many trainers.) How to get a lean, cut physique that you love (and that girls drool over) by spending no more than 5 percent of your time each day. The 4 laws of muscle growth that, when applied, turn your body into an anabolic, muscle-building machine. You'll be shocked at how easy it really is to get big once you know what you're doing... How to develop a lightning-fast metabolism that burns up fat quickly and leaves you feeling full of energy all day long. The carefully-selected exercises that deliver MAXIMUM results for your efforts, helping you build a big, full chest, a wide, tapered back, and bulging biceps. A no-BS guide to supplements that will save you hundreds if not THOUSANDS of dollars each year that you would've wasted on products that are nothing more than bunk science and marketing hype. How to get shredded while still indulging in the "cheat" foods that you love every week like pasta, pizza, and ice cream. And a whole lot more! The bottom line is you CAN achieve that "Hollywood hunk" body without having your life revolve around it--no long hours in the gym, no starving yourself, no grueling cardio that turns your stomach. Imagine, just 12 weeks from now, being constantly complimented on how you look and asked what the heck you're doing to make such startling gains. Imagine enjoying the added benefits of high energy levels, no aches and pains, better spirits, and knowing that you're getting healthier every day. SPECIAL BONUS FOR READERS! With this book you'll also get a free 75-page bonus report from the author called "The Year One Challenge." In this bonus report, you'll learn exactly how to train, eat, and supplement to make maximum gains in your first year of training. By applying what you learn in the book and in this report, you can make more progress in one year than most guys make in three, four, or even five (seriously!). Scroll up, click the "Buy" button now, and begin your journey to a bigger, leaner, and stronger you!

Say goodbye to feeling disappointed with your body—Body Confidence is the highly anticipated fitness book from world-renowned Venice Nutrition Program founder Mark Macdonald. Macdonald's targeted series of diet and fitness strategies are proven to burn body fat, boost energy levels, increase muscle mass, and eliminate sugar cravings for a better looking, better feeling body today. Providing a step up to holistic body care for fans of Tosca Reno's Eat-Clean Diet or Jorge Cruise's Belly Fat Cure, and an excellent companion to Cynthia Sass's Cinch!, the Venice Nutrition Program's innovative fitness plan focuses on blood sugar stabilization and a complementary program of exercise, sleep, and stress management. A foreword by bestselling author Chelsea Handler will let you know why Body Confidence is your next step to a healthier, happier tomorrow.

A Woman's Guide to Loving Her Body, Loving Her Life, and Loving Her God

The most delicious and decadent way to lose weight, lower cholesterol, and increase energy. Wouldn't you rather savor a buttery croissant instead of inhaling an artificially flavored diet shake? Isn't taking a relaxing stroll preferable to pounding out early morning miles on the treadmill? The French live this way, yet stay thin and healthy. Now, with The French Don't Diet Plan, you can, too! In his groundbreaking book, The Fat Fallacy, Dr. Will Clower was the first to present a theory of how the French maintain low obesity and heart disease rates despite their seemingly "unhealthy" lifestyle. Dr. Clower learned that the French don't worry about dieting but rather are more concerned with how they eat. That means paying attention to the taste, pacing, and enjoyment of meals, instead of counting calories, cutting fat and carbs, or taking guilt trips to the gym. Now, in The French Don't Diet Plan, Dr. Clower shows how easy it is to incorporate his remarkably effective techniques and the French lifestyle into a busy American day. Dr. Clower has found that natural foods have overwhelmingly been pushed out of the American diet by what he calls "faux foods": processed, additive-filled convenience products, often marketed as healthy with buzzwords like low fat and low carb. In addition, mealtimes instead of a slow, sensual break for the body and mind—not a face-stuffing frenzy while standing up in the kitchen or sitting behind the wheel. As a result of such habits, Dr. Clower says, we are not eating what our bodies need, and we're eating in a way that is not conducive to proper digestion. Science shows this precise combination of factors causes weight gain. The French approach is about taking the time to enjoy real food without guilt or deprivation. Not only a successful path to becoming thin for life, The French Don't Diet Plan will help you put joie de vivre back into your relationship with food. • Formerly forbidden foods, welcome back! Learn why butter, cheese, bread, and chocolate are health foods that keep hunger at bay. • Spend more time eating! Discover why you should plan on having seconds and make meals last longer. • Hate to work out? Find out why you don't have to exercise to lose pounds—and how relaxation can help keep weight off for good. • Now you're cooking. Enjoy dozens of easy recipes for satisfying comfort foods, from Hot Artichoke-Cheese Dip to Creamy Alfredo Sauce, and Double-Almond Biscotti to Practically Flourless Chocolate Cake.

Are you tired of diets that don't work? Tired of being put in a box of eating dos and don'ts? The world is full of mixed messages when it comes to our health, and it can be hard to know who or what to trust. But what if the one source we trust the most—God and his Word, the Bible—could also teach us about how to live healthy and love ourselves, both spiritually and physically? TRUE Health is your complete guide to recognizing and releasing health struggles, embracing who you are, and stepping fully into your God-given potential. Author and certified health and life coach Julie Watson shows you how to achieve better health without depriving yourself or trying to adopt practices you don't enjoy. It's your life and your personal journey. Health is about having the mindset, nourishment, and self-understanding that will set you up for success. You need a strategy for your health and for your life that is true to you—and to the woman God is calling you to be. With sound, practical strategies and the spiritual and emotional encouragement you can receive from faith in God, you will learn how to create true health so you can show up fully in this world, stop playing small, and live the life you are meant to live!

Fresh juices have remarkable powers: they enable a clean inner system, while promoting weight loss, boosting energy and immunity, and enhancing natural beauty. The Juice Diet offers more than 100 mouthwatering juice and smoothie recipes divided into three simple yet super-effective diet plans : Juice Blitz (quick weekend startup), Juice Week (one-week plan), and Juicing for Life (a month-long schedule). Additional chapters cover juicing for beauty, energy, and immunity, providing the perfect balance to bring out the body's true potential.

Fit Body Fast Lane is your complete guide to achieving your dream body and maintaining it without diet restrictions. This easy to follow lifestyle plan aims to not only guide you in your fitness journey, but to educate and equip you with the tools you need to live an all round healthier and happier life. Broken into bite size chunks, the guide talks you through everything you need to know about diet and nutrition. How do I burn body fat? How many calories should I be eating? Do I need to take protein shakes in order to build muscle or "tone up"? Why have fad diets not worked for me? What is flexible dieting? All your questions answered including everything you need to be able to adapt this information and achieve your personal body goals. And what's diet without training? Written by Novice Natural Bodybuilding Champion (NI), Fit Body Fast Lane gives you and in depth insight into how you should be structuring your workout routines and how to make your training sessions work for you. When should I be doing cardio? How often should I train legs? Can I burn fat and build muscle? Using the information laid out before you, you'll be able to answer these questions for yourself and build a workout schedule that's optimal for your goals. If that's not enough, to get you started, Fit Body Fast Lane provides 8 flexible daily diet plans ranging from 1,500 to 2,500 kcals per day. With meat free examples, and a range of caloric options, there's something for everyone. Follow along with an entire protein packed meal plan to familiarise yourself with how the diet works, how to track your food intake, how the macronutrients are broken down and, most importantly, how YOUR body responds. From here you'll learn how to adapt your diet plan to your routine, substituting in the foods you love! With all this, and so much more, Fit Body Fast Lane put you in control to live a lifestyle you love and look and feel great without ever following a fad diet again.

Along with the many benefits of leisure-class living comes obesity and its attendant ailments. In The Warrior Diet, Ori Hofmekler looks not forward but backward for a solution—to the primal habits of early cultures such as nomads and hunter-gatherers, the Greeks, and the Romans. Based on survival science, this book proposes not ordinary dietary changes but rather a radical yet surprisingly simple lifestyle overhaul. Drawing on both scientific studies and historical data, Hofmekler argues that robust health and a lean, strong body can best be achieved by mimicking the classical warrior mode of cycling—working and eating sparingly (undereating) during the day and filling up at night. Specific elements from the Warrior Diet Nutritional Program (finding ideal fuel foods and food combinations to reduce body fat) to the Controlled Fatigue Training Program (promoting strength, speed, and resilience to fatigue through special drills), literally reshape body and mind. Individual chapters cover warrior meals and recipes; sex drive, potency, and animal magnetism; as well as personalizing the diet for women. Featuring forewords by Fit for Life author Harvey Diamond and Fat That Kills author Dr. Udo Erasmus, The Warrior Diet shows readers weary of fad diets how to attain enduring vigor, explosive strength, a better appearance, and increased vitality and health.

He is certified by the American College of Sports Medicine and the Canadian Society of Exercise Physiology. His work has been profiled in such national publications as Redbook, Glamour, Fitness and Men's Health, and he has appeared on The Oprah Winfrey Show and other TV programs. Pasternak, a native of Canada, lives and works in Los Angeles.

This book has helped thousands of women build their best bodies ever. Will YOU be next? If you want to be muscular, lean, and strong as quickly as possible without crash dieting, good genetics, or wasting ridiculous amounts of time in the gym . . . you want to read this book Here's the deal: Building lean muscle and burning fat isn't as complicated as the fitness industry wants you to believe. This book is the shortcut. You don't need to: Spend hundreds of dollars per month on the worthless supplements, "detoxes," or "skinny teas." Most pills and powders do absolutely nothing. You don't need to: Constantly change up your workout routine to get lean, defined muscles. It's much simpler than that. You don't need to: Waste a couple of hours in the gym every day grinding through grueling workouts. In fact, this is a great way to get nowhere. You don't need to: Slog away at boring cardio to shed ugly belly, hip, and thigh fat. In fact, you probably don't have to do any cardio to get the body you really want. You don't need to: Obsess over "clean eating" and avoiding "unhealthy" foods to get fit. Instead, you can get the body you want eating the foods you love. Those are just a few of the harmful lies and myths that keep gals from ever achieving the lean, toned, sexy, and healthy bodies they truly desire. And in this book you re going to learn something most guys will never know . . . The exact formula of exercise and eating that makes losing 10 to 15 pounds of fat while building lean, sexy muscle a breeze . . . and it only takes 8 to 12 weeks. Here are just a few of the things you're going to discover in this book: The 10 biggest fat loss and muscle-building myths and mistakes that keep women overweight, weak, and frustrated. The 3 scientific laws of lean muscle growth and fat loss that literally force your body to get fitter, leaner, and stronger. You'll be shocked at how easy it really is to build lean muscle and lose fat once you know what you're doing. How to create flexible diet plans that help you transform your body composition eating the foods you love—without ever feeling starved, deprived, or like you're "on a diet." A paint-by-numbers training system that will help you add lean muscle to all the right places and get sexy, athletic curves . . . spending no more than three to six hours in the gym every week . . . doing challenging, fun workouts you enjoy. A no-BS guide to supplements that will show you what works and what doesn't, saving you hundreds if not THOUSANDS of dollars each year. And a whole lot more! Imagine . . . just 12 weeks from now . . . being constantly complimented on how great you look and asked how the heck you're doing it . . . Imagine enjoying the added benefits of high energy levels, no aches and pains, better spirits, and knowing that you're getting healthier every day . . . The bottom line is you CAN get that "Hollywood babe" body without following boring, bland "bodybuilder" diets or living in the gym. This book shows you how. SPECIAL BONUS FOR READERS With this fitness book, you'll also get a FREE 56-page reference guide with all of the book's key takeaways, a year's worth of Bigger Leaner Stronger workouts, 10 premade meal plans for cutting and lean bulking, and more! So, scroll up, click the "Buy" button now, and begin your journey to a bigger, leaner, and stronger you!

Research shows that although people can lose 5 to 10 percent of their body weight on any given diet, dieting itself is a consistent predictor of future weight gain. Why? At some point, everyone stops dieting. The Lean Muscle Diet solves the sustainability problem while offering immediate results. It's simple: act as if you already have the body you want. If a reader is, say, a 220-pound man who wants to become a muscular 180-pounder, he then uses The Lean Muscle Diet's formula to eat and train to sustain a 180-pound body. The transformation begins immediately, and the results last for life. Lou Schuler, who has sold more than one million copies of his fitness books worldwide, and Alan Aragon, nutrition advisor to Men's Health, have created an eating and "metabolically expensive" exercise plan designed to melt fat while building muscle. The best part? The plan allows readers to eat their favorite foods, no matter how decadent. With full support from Men's Health, The Lean Muscle Diet delivers a simple—and simply sustainable--body transformation plan anyone can use.

Combining the winning elements of proven training approaches, motivational stories, and innovative recipes, No Meat Athlete is a unique guidebook, healthy-living cookbook, and nutrition primer for the beginner, every day, and serious athlete who wants to live a meatless lifestyle. Author and popular blogger, Matt Frazier, will show you that there are many benefits to embracing a meat-free athletic lifestyle, including: - Weight loss, which often leads to increased speed- Easier digestion and faster recovery after workouts- Improved energy levels to help with not just athletic performance but your day-to-day life - Reduced impact on the planet Whatever your motivation for choosing a meat-free lifestyle, this book will take you through everything you need to know to apply your lifestyle to your training. Matt Frazier provides practical advice and tips on how to transition to a plant-based diet while getting all the nutrition you need; uses the power of habit to make those changes last; and offers up menu plans for high performance, endurance, and recovery. Once you've mastered the basics, Matt delivers a training manual of his own design for runners of all abilities and ambitions. The manual provides training plans for common race distances and shows runners how to create healthy habits, improve performance, and avoid injuries. No Meat Athlete will take you from the start to finish line, giving you encouraging tips, tricks, and advice along the way.

In The Petite Advantage Diet, weight-loss expert Jim Karas delivers a breakthrough lifestyle guide that's already revolutionizing the world of health and fitness: the first book of its kind designed exclusively for women 5'4" and under. Readers of his New York Times bestselling book The Business Plan for the Body can testify to how his advice has helped millions of women find their way to fitter, firmer, healthier, and happier lives. Now Jim Karas reveals a program designed for petite women, for whom The Belly Fat Cure can't offer a real cure and 21 Pounds in 21 Days means losing too much too quickly: The Petite Advantage Diet. Achieve that long, lean look—and eat the right foods to feel full fast—with the specialized diet for women 5'4" and under.

No cravings. No stress. No fatigue. Finally, a diet you can feel good about! Introducing The Feel-Good Diet, a scientific breakthrough in weight loss that will help you: Turn off your hunger Turn on your energy Tone up your body And "yo-yo" no more! The Feel-Good Diet is a revolutionary weight-loss program that works with you, not against you. Cheryl Hart, M.D., and Mary Kay Grossman, RD, reveal that many other diets cut out essential carbs and pack on too much protein, which depletes your brain's neurotransmitters, especially serotonin. This "yo-yo brain" effect zaps your willpower and leaves you irritable, depressed, and carbo-craved. The Feel-Good Diet helps you battle "yo-yo brain" and finally win your war with your weight. With a few simple guidelines and easy-to-prepare menus, you can eat delicious, healthy foods that actually boost your serotonin levels—so you can lose weight, end cravings, reduce stress . . . and feel good.

A NATIONAL BESTSELLER! Trust in nature. Believe in balance. Eat the rainbow! Andrea Hannemann, aka Earthy Andy, presents a guide to plant-based eating that is simple, delicious, and fun. INCLUDES A 30-DAY PLANT OVER PROCESSED CHALLENGE Andrea Hannemann, known as Earthy Andy to her more than one million Instagram followers, believes that food is the fuel of life, and that consuming a nourishing, plant-based diet is the gateway to ultimate health. Andy's mantra, "plant over processed," embodies the way she eats and feeds her family of five in their home in Oahu, Hawaii. But it wasn't always this way. Andy was once addicted to sugar and convenience foods and suffering from a host of health issues that included IBS, Celiac disease, hypothyroidism, asthma, brain fog, and chronic fatigue. Fed up with spending time and money on specialists, supplements, and fad diets, she quit animal products and processed foods cold turkey, and embarked on a new way of eating that transformed her health and her body. In Plant Over Processed, Andy invites readers to join her on a "30-Day Plant Over Processed Challenge" that will detox the body, followed by a long-term plan for going plant-based without giving up your favorite dishes. Packed with gorgeous photography and mouth-watering recipes—from smoothies and bliss bowls to plant-based comfort and decadent desserts—this life-changing guide takes you to the North Shore of Hawaii and back, showing you how easy it is to eat plant-based, wherever you are.
