Join A. W. Tozer as He Encounters the Holy Spirit Spend a year unearthing the wonder of the Holy Spirit alongside A. W. Tozer. Tozer was a man who thirsted for the Spirit of God, who prayed often and shunned distraction so that he might drink Him in more steadily. In these daily meditations on Scripture, Tozer will inspire you to do the same. According to Tozer, the Spirit is neglected by the modern church. But when believers know the Spirit—intimately and accurately—they experience freedom from stagnancy. They know power and life. This devotional explores many of the defining characteristics of the Holy Spirit. Each day stokes the believer's internal desire to hunger and thirst after the Spirit of God. Encounter Tozer's heart and wisdom like never before in this newly revised edition. Continue worshiping alongside Tozer with the rest of his Trinitarian devotions: Tozer on the Son of God and Tozer on the Almighty God. With each page, may your heart be filled and your worship increased.

***The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted,***

Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Informative book on Adrenal Fatigue.

Whoever came up with the little cutesy saying, "Too blessed to be stressed", must not have been breathing! It's a cute idea, but I'm afraid there isn't a person ALIVE, or who has ever lived, who has not and does not experience stress."Too Blessed To Be Stressed" is more like a workbook or even better, a journal, that offers some tips and friendly advice to help manage the stress in our lives. I hope it will be a blessing to you!

We live in a world filled to the brim with advice, and when it comes to dealing with stress, there's plenty of advice to go around. Sleep more, eat better, avoid this, seek out that. But more advice on coping is not necessarily what the stressed and anxious person needs. What we need is a cure. Linda Evans Shepherd has discovered it. The true remedy to stress, she says, is prayer. In this inspiring book, Shepherd shows readers how to recognize God's continual presence and yield their troubles to the Prince of Peace. Through captivating stories, explorations of fascinating biblical characters, and examples of deeper-than-ever prayers, she brings within readers' grasp the peace that passes understanding. Anyone who is overwhelmed by all of the urgent demands on their time will find in this book a lifeline to true peace.

It was a mantra she would say to herself when she faced the hardships of life, and boy, did she face some hardships: "2 blessed 2 be stressed." Inspired years ago to write her book, author Lesia R. Lankford has now seen her dream, and mantra, come to life with her new book, "2 Blessed 2 Be Stressed: Spiritual Food for Your Spiritual Journey." Lesia, having experienced everything from financial struggle to divorce to raising her child as a single mom, wanted to inspire others to turn to God rather than those around them for comfort, wisdom, and the truth of what is ahead for the future. The chapter numbers represent symbolic meanings in Scripture, as the author shares parts of her life story and how God reminded her to not be stressed but instead focus on how she was blessed by Him. Whether it is lessening the effect haters have on you to remembering God in the storms of life to look forward to seeing Jesus face to face, "2 Blessed 2 Be Stressed" will ignite within you the desire to draw closer to God. As you go on your spiritual journey, may this spiritual food bring you awareness to live each day thankful for what the day brought rather than what it was missing.

If you often find yourself struggling with the stresses of finances, health, career, relationships, self-image, or family, then this humor-filled volume is just what you need. With simple, practical tips for attaining the peace you crave—the peace that passes all understanding—you'll discover healing, refreshment, and revitalization

*Drawing from groundbreaking research, psychologist and award-winning teacher Kelly McGonigal, PhD, offers a surprising new view of stress—one that reveals the upside of stress, and shows us exactly how to capitalize on its benefits. You hear it all the time: stress causes heart disease; stress causes insomnia; stress is bad for you! But what if changing how you think about stress could make you happier, healthier, and better able to reach your goals? Combining exciting new research on resilience and mindset, Kelly McGonigal, PhD, proves that undergoing stress is not bad for you; it is undergoing stress while believing that stress is bad for you that makes it harmful. In fact, stress has many benefits, from giving us greater focus and energy, to strengthening our personal relationships. McGonigal shows readers how to cultivate a mindset that embraces stress, and activate the brain's natural ability to learn from challenging experiences. Both practical and life-changing, The Upside of Stress is not a guide to getting rid of stress, but a toolkit for getting better at it—by understanding, accepting, and leveraging it to your advantage.*
