Now updated to include newer maps and photos and weighing less to support carefree traveling, these comprehensive guidebooks to the Camino de Santiago and its offshoots contain all the information needed by modern-day pilgrims wishing to walk the sacred Way of St. James. Overview route planners plus daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. The maps

Download Free Top 10 Madeira Dk Eyewitness Travel Guide

feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. Otherwise known as the Camino Francés, the main route covered in this volume is the most popular sacred route through Spain, from St. Jean Pied de Port to Santiago.

This guide describes a varied selection of 57 walks on the Portuguese island of Madeira, exploring the dramatic cliff coastline, scenic levadas (irrigation channels), dense

Download Free Top 10 Madeira Dk Eyewitness Travel Guide

laurisilva 'cloud' forests and high mountain peaks, plus three walks on neighbouring Porto Santo. There are routes to suit all abilities, from easy, level levada walks to steep and rugged mountain paths - some with exposed sections calling for a sure foot and good head for heights. Since the steep terrain of Madeira does not easily support circular walks, many of the routes are linear, however most can be accessed by public transport and there is the option to link routes to create longer outings and multi-day hikes. With a favourable climate and striking scenery, Madeira is a fantastic walking destination. The routes in this guide are spread across the whole island, and visitors may choose to base themselves in the capital, Funchal, or in one of the many

Download Free Top 10 Madeira Dk Eyewitness Travel Guide

smaller towns and villages. Regular flights and ferries link Madeira with Porto Santo, which boasts an exceptional sandy beach and pleasant, easy walking. The guide also outlines a day-cruise to the nearby uninhabited Ilhas Desertas. Comprehensive route description, overview statistics and sketch mapping are provided for each walk. There is practical advice on travel and transport, a basic map of central Funchal and fascinating notes of Madeira's geology, history, plants and wildlife. Useful contacts and a Portuguese-English glossary (including a menu decoder) can be found in the appendices.

The unconventional traveller (author) seeks out remote and spectacular corners of Britain and Europe. In terms of both lifestyle and travel, he seems reluctant to accept change or progress. Then, Covid-19 strikes the world in 2020- a global pandemic. In striving not to forego his annual holidays, just how is he ever going to adapt? As he starts to venture further

Download Free Top 10 Madeira Dk Eyewitness Travel Guide

afield, and Covid travel regulations are enforced, he is faced with some shrewd decision-making. Intriguingly, some of the biggest obstacles that he has to face up to actually turn out to be unrelated to Covid. The transcript, and selected photographs, are extracted straight from the author's personal journal. It serves to reward on many levels. We have a compelling armchair travel guide. We get an insightful look at the hospitality sector. Ultimately, we are drawn into an unprecedented year of global travel.

most of their breaks since 2002. Looking for more on the country's culture, history and attractions? Try our DK Eyewitness Portugal.

Every island thrives on its clichés. The name Madeira stands for a heavy drop of wine which might have had its time a long time ago, yet is still praised by many a connoisseur. The island's all-year-round mild climate helped Madeira be awarded the decorative suffix » floating floral island in the Atlantic « . Bird of paradise and torch lilies, daisies and hydrangea leave no doubt: Madeira is rich in flowers like no other island. And secretly the Atlantic beauty has developed into a hiking paradise of the special kind. The first Portuguese word which hikers learn on Madeira is bound to be » levada « . Levada hiking is surely unique on the whole world. A

Download Free Top 10 Madeira Dk Eyewitness Travel Guide

sophisticated network of narrow irrigation canals runs across the entire island. The maintenance paths installed next to canal trenches allow the convenient discovery of Madeira without great altitude all the way to the most remote corners. Around half of the tours introduced in this guide are Levada excursions. They lead through fertile land cultivating sugar cane, bananas, vine and exotic fruit, past artistic terraces modelled into the island's rugged topography, which awaken associations of Bali or the Philippines. Rushing cascades and impressive ravines are found equally by the wayside as are rough, declining cliffs and marshy high-moor bogs. The still natural valley to the north of the island offers a sumptuous evergreen subtropical vegetation comprising fern meadows, lauraceae forests and heather shrubs that convey the feeling

Download Free Top 10 Madeira Dk Eyewitness Travel Guide

of walking through an emerald green tunnel. With all the fascination for the Levada paths it should not be forgotten that the volcano island also is a fabulous territory for mountaineers. The nearly 1900 m high central massive holds routes for all demands. Very alpine is the triple summit tour from the Arieiro over the Torres to the Pico Ruivo. The stretch, which has been spectacularly chiselled into the rock, can justifiably be considered the tour of kings. Next to various shepherd paths and adventurous coastal ascents there are so-called » veredas « , i.e. old paths linking villages, which used to be the sole access to remote locations until a few decades ago only, crossing valleys deep and mountains high. A typical feature are the rounded steps of the paved paths -lovingly called » ox hoof plaster « by local Madeirans.
