

Top 5 Regrets Of The Dying

Kathy Caprino guides women to take the reins in their careers by identifying and overcoming the 7 most damaging power gaps holding them back from the success they want and deserve. The business world has been forever changed by the important progress and contributions that women have made. Yet, with only 38% of manager roles and 22% of C-suite positions being held by women, women continue to struggle to achieve the reward, respect, and authority they have earned. In these pages, career executive and leadership coach Kathy Caprino helps women conquer the 7 destructive power gaps within the workforce, outline the key steps you can take to access greater positive power, and become the true author of your life. Through riveting real-life success stories of women overcoming these gaps, and proven strategies and solutions from more than 30 of the nation's top experts in fields that are essential to women's success, the exercises in *The Most Powerful You* will equip you with the strength to: See yourself more powerfully (Brave Sight) Speak more confidently (Brave Speak) Ask for and receive what you deserve (Brave Ask) Connect to your advantage with influential support (Brave Connection) Challenge and

Online Library Top 5 Regrets Of The Dying

change negative behavior toward you (Brave Challenge) Be of service in more meaningful ways (Brave Service) Heal from past trauma and challenge (Brave Healing) Most importantly, The Most Powerful You will reconnect you to the thrilling dreams you once had for your life and empower you to take the necessary steps to reclaim that dream while making your positive impact in the world.

"A groundbreaking and illuminating look at the state of abortion access in America and the first long-term study of the consequences-emotional, physical, financial, professional, personal, and psychological-of receiving versus being denied an abortion on women's lives"--

At last, freedom from burdensome regrets
Everyone has regrets. But not everyone can overcome them, even when they interfere with the enjoyment of life. With this book as your guide, you'll learn how to let go of past mistakes, lost opportunities, and failed expectations to live richly in a present filled with hope and new possibilities. This wise, compassionate, and practical guide offers profound insights into the nature of regrets and how to overcome them. Grounded in proven psychotherapeutic and spiritual principles, No Regrets brings together the insights of mental health professionals, spiritual teachers, and self-help experts. In No

Online Library Top 5 Regrets Of The Dying

Regrets, you'll find: * A structured ten-step program for letting go of burdensome regrets * Powerful spiritual and psychological tools for overcoming regret, including creative visualization, journaling, affirmations, thought analysis, meditation, and sharing with others * Insights into toxic thought patterns that create and support regrets * Persistent myths about forgiveness that keep us trapped in our regrets * Inspiring stories of people who have freed themselves from regret

No Regrets will show you a way out of the pain, guilt, and shame of the past and how to create a rich and rewarding life in the present. "Hamilton Beazley has the distinct ability to understand the most complex inner workings of the human spirit and mind. No Regrets is destined to take its place alongside the other great self-help guides of our time." -Howard J. Shaffer, Ph.D., Associate Professor and Director Division on Addictions, Harvard Medical School

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES

"Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago,

Online Library Top 5 Regrets Of The Dying

gender dysphoria—severe discomfort in one’s biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not

easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

A Dark Mafia Romance

As a free-spirited, independent woman, Bronnie Ware was used to donning a variety of hats: singer, songwriter, author, speaker, traveler, and adventurer. And as her soul would have it in her mid-forties, she felt the urge to add one more, mother. Ware, author of The Top Five Regrets of the Dying, had learned many lessons as a palliative-care giver, and she began to absorb even more from the opposite end of the spectrum as a giver of life. Only a few moments into motherhood, however, Ware's body had a different idea, when chronic crippling pain from an auto-immune disease took hold. In this inspiring memoir, Ware reminds us that whether life's lessons arrive through illness, trauma, or any other unexpected upheaval,

life really does love us. By finding the courage to confront her upper limits, surrender to life's blessings, and have gratitude every step of the way, Ware discovered how to bloom in a field of formidable challenges.

NEW YORK TIMES BESTSELLER SPORTS ILLUSTRATED • NONFICTION BOOK OF THE YEAR National Sports Media

Association • Book of the Year Kirkus Reviews • Best Nonfiction of the Year

"[H]onest, sprawling, meticulously reported, and beautifully written." —Chad Finn,

Boston Globe The explosive, long-awaited account of the making of the greatest

dynasty in football history—from the acclaimed ESPN reporter who has been

there from the very beginning. Over two unbelievable decades, the New England

Patriots were not only the NFL's most dominant team, but also—and by far—the most secretive. How did they achieve and sustain greatness—and what were the costs?

In It's Better to Be Feared, Seth

Wickersham, one of the nation's finest investigative sportswriters, presents the

definitive account of the New England Patriots dynasty, capturing the brilliance,

ambition, and ruthlessness that powered it. Having covered the team since Tom Brady took over as starting quarterback in 2001,

Wickersham draws on an immense range of sources, including previously confidential game plans, scouting reports, and internal studies as well as hundreds of interviews gathered over two decades—with Brady, Bill Belichick, and other players, coaches, and front office personnel—to offer a behind-the-scenes chronicle of the dynasty’s three acts: the initial burst of Super Bowls from 2001 to 2005; the plateau period, 2006 to 2014, stalked by scandal, injury, and near-misses; and the second three Super Bowl victories between 2015 and 2019, which allowed the Patriots to make their claim upon history. At every step, Wickersham demonstrates just how Belichick and Brady shaped the Patriots and reshaped the entire NFL. We are taken deep into Belichick’s tactical mind, odd work habits, and strained relationships, including his sincere but unspoken love for the players and a near fistfight with a former assistant coach. It is an illuminating depiction of a mastermind, and an organization, dedicated not only to winning but to breaking a league designed to prevent the emergence of a single, unbeatable team. Yet it is in Wickersham’s portrait of Brady—from his childhood in northern California to his challenging years at the University of Michigan to his astonishing early superstardom in the NFL—that the

source of the Patriots' sheer endurance comes into focus. Even as he navigated an improbable rise to fame, Brady was driven by a totalizing ambition to be great, not as an endpoint, but as an ever-unfolding process. Sustaining greatness, however, came with a price. Wickersham reveals, to an extent no other journalist has, the clashes among the coach, the quarterback, and the owner, Robert Kraft—conflicts that resulted in the team's best performances but also, eventually, the dissolution of the dynasty itself. Raucous, unvarnished, and propulsive, It's Better to Be Feared is an instant classic of American sportswriting, and an unforgettable study of what it takes to reach, and remain at, the summit of human achievement.

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for

had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Do you have major regrets in life? Or just some minor faux pas you could kick yourself for committing? Or is it something you didn't do in life that you regret? This fascinating book lets you into the secrets of a wide range of people who have achieved fame or success, all of whom have

generously agreed to open their memories and look back. From witty one-liners to epic sagas, from childhood memories to the wisdom of old age, there is much here to laugh at or be moved or surprised by.

How to Find the Work You Were Meant to Do

*Have you ever met someone with the perfect job? To the outside observer, it seems like they've won the career lottery—that by some stroke of luck or circumstance they've found the one thing they love so much that it doesn't even feel like work—and they're getting paid well to do it. In reality, their good fortune has nothing to do with chance. There's a method for finding your perfect job, and Chris Guillebeau, the bestselling author of *The \$100 Startup*, has created a practical guide for how to do it—whether within a traditional company or business, or by striking out on your own. Finding the work you were “born to do” isn't just about discovering your passion. Doing what brings you joy is great, but if you aren't earning a living, it's a hobby, not a career. And those who jump out of bed excited to go to work every morning don't just have jobs that turn their passions into paychecks. They have jobs where they also can lose themselves for hours in the flow of meaningful work. This intersection of joy, money, and flow is what Guillebeau will help you find in this book. Through inspiring stories of those who have successfully landed their*

Online Library Top 5 Regrets Of The Dying

dream career, as well as actionable tools, exercises, and thought experiments, he'll guide you through today's vast menu of career options to discover the work perfectly suited to your unique interests, skills, and experiences. You'll learn how to:

- Hack the job of your dreams within a traditional organization by making it work for you*
- Find not only your ideal work but also your ideal working conditions*
- Create plans that will allow you to take smarter career risks and “beat the house” every time*
- Start a profitable “side hustle” and earn extra cash on top of your primary stream of income*
- Escape the prison of working for someone else and build a mini-empire as an entrepreneur*
- Become a rock star at any creative endeavor by creating a loyal base of fans and followers*

Whichever path you choose, this book will show you how to find that one job or career that feels so right, it's like you were born to do it.

“The world needs this book.” —Brené Brown, Ph.D., New York Times bestselling author of Dare to Lead and Atlas of the Heart An instant New York Times bestseller As featured in The Wall Street Journal and The Washington Post Named a Must Read of 2022 by Forbes, Newsweek, and Goodreads From the #1 New York Times–bestselling author of When and Drive, a new book about the transforming power of our most misunderstood yet potentially most valuable emotion: regret. Everybody has regrets, Daniel H. Pink explains in The Power of Regret. They're a universal and healthy part of being human. And understanding how regret works can help us make smarter decisions, perform better at work and school, and bring greater meaning to our lives. Drawing on research in social psychology, neuroscience, and biology, Pink debunks the myth of the “no regrets” philosophy of life. And using the largest sampling of American attitudes about regret ever conducted as well as his own World Regret Survey—which has collected regrets from more than 15,000 people in 105

Online Library Top 5 Regrets Of The Dying

*countries—he lays out the four core regrets that each of us has. These deep regrets offer compelling insights into how we live and how we can find a better path forward. As he did in his bestsellers *Drive*, *When*, and *A Whole New Mind*, Pink lays out a dynamic new way of thinking about regret and frames his ideas in ways that are clear, accessible, and pragmatic. Packed with true stories of people's regrets as well as practical takeaways for reimagining regret as a positive force, *The Power of Regret* shows how we can live richer, more engaged lives.*

Since 1947, the mysterious crash of an unidentified aircraft at Roswell, New Mexico, has fueled a firestorm of speculation and controversy with no conclusive evidence of its extraterrestrial origin -- until now. Colonel Phillip J. Corso (Ret.), a member of President Eisenhower's National Security Council and former head of the Foreign Technology Desk at the U.S. Army's Research & Development department, has come forward to tell the whole explosive story. Backed by documents newly declassified through the Freedom of Information Act, Colonel Corso reveals for the first time his personal stewardship of alien artifacts from the crash, and discloses the U.S. government's astonishing role in the Roswell incident: what was found, the cover-up, and how these alien artifacts changed the course of 20th century history.

In this simple yet important book, Noah Rasheta takes profound Buddhist concepts and makes them easy to understand for anyone trying to become a better whatever-they-already-are.

It's Better to Be Feared: The New England Patriots Dynasty and the Pursuit of Greatness

Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. Scarred Regrets is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.

In Love Life Again, Tracie reminds readers they each get only one life to live and inspires them not to take it for granted. Through compelling personal stories and

Online Library Top 5 Regrets Of The Dying

powerful insights from Scripture, she helps women identify the stumbling blocks to their joy and offers tools and insights to take back control of their happiness. Every chapter ends with a practical call to action to motivate readers to begin loving their lives again. She also offers reflection questions, prayers, and creative ideas to help readers smile. Love Life Again helps readers learn how to live the abundant lives Jesus died for them to have, despite the circumstances they may face.

"Would make Agatha Christie proud... Irresistible and smart." –Fiona Davis, New York Times bestselling author of The Magnolia Palace Named A Most Anticipated Mystery of Summer by Betches, Essence, Crime Reads and more! The glittering RMS Queen Mary. A nightclub singer on the run. An aristocratic family with secrets worth killing for. London, 1936. Lena Aldridge wonders if life has passed her by. The dazzling theatre career she hoped for hasn't worked out. Instead, she's stuck singing in a sticky-floored basement club in Soho, and her married lover has just left her. But Lena has always had a complicated life, one shrouded in mystery as a mixed-race girl passing for white in a city unforgiving of her true racial

brilliant, and blonde—and a reporter for a major Washington daily—is embroiled in a secret love affair with the sexy, successful, very married bureau chief of a national newsweekly, Desmond Shaw. Meanwhile, Shaw is having an affair with Sadie Grey, the Southern belle wife of the Vice President. And Sadie Grey is having the time of her life. Irresistible love triangles—which begin as physical attraction and turn into love—are set amidst the dazzling, social whirl of power and politics, and “there’s plenty to keep the pages turning” (Cosmopolitan).

A palliative care nurse collects the most common regrets of her terminally ill patients, and explains how to positively address issues before succumbing to illness or old age.

AN INSTANT NEW YORK TIMES BESTSELLER

“Provocative and appealing . . . well worth your extremely limited time.”

—Barbara Spindel, *The Wall Street Journal*

The average human lifespan is absurdly, insultingly brief. Assuming you live to be eighty, you have just over four thousand weeks. Nobody needs telling there isn’t enough time. We’re

Online Library Top 5 Regrets Of The Dying

obsessed with our lengthening to-do lists, our overfilled inboxes, work-life balance, and the ceaseless battle against distraction; and we're deluged with advice on becoming more productive and efficient, and "life hacks" to optimize our days. But such techniques often end up making things worse. The sense of anxious hurry grows more intense, and still the most meaningful parts of life seem to lie just beyond the horizon. Still, we rarely make the connection between our daily struggles with time and the ultimate time management problem: the challenge of how best to use our four thousand weeks. Drawing on the insights of both ancient and contemporary philosophers, psychologists, and spiritual teachers, Oliver Burkeman delivers an entertaining, humorous, practical, and ultimately profound guide to time and time management. Rejecting the futile modern fixation on "getting everything done," *Four Thousand Weeks* introduces readers to tools for constructing a meaningful life by embracing finitude, showing how many of the unhelpful ways we've come to think about time aren't

inescapable, unchanging truths, but choices we've made as individuals and as a society—and that we could do things differently.

A creative solution to productivity that will empower every reader to break free of burnout! Do you feel like you're always running low on energy?

Cut the stressors and begin to live your life renewed. Molly Fletcher's *The Energy Clock* shows you how to adjust your mindset and accomplish more meaningful work with fewer distractions. It is a game changing way to give more of yourself to what's most important, and waste less of your time and resources on what's not. *The Energy Clock* will show you how to: Create true, lasting balance in your life Stand tall in the face of pressure Achieve focus, flow, and freedom Have unlimited energy for the things that matter most

Finding Joy When Life Is Hard

A Guide to Spiritual Enlightenment

This is not a self-help book. It's a book that tells us what not to do, what to remember and what to forget. From being a mother to lessons learnt from our own mothers; managing money to marriage; coping with pain and anger to taking ownership of our health and growing old, Kaveree Bamzai, first woman editor of one of India's largest newsmagazines, a wife, and mother of two boys and two dogs, tells us how to live a guilt-free life, with a little help from a host of highly accomplished women. With sparkling advice from Naina Lal Kidwai, Arianna Huffington, Sudha Murty, Smriti Irani, Twinkle Khanna and Sania Mirza, among others, *No Regrets* is the go-to book as we fumble and stumble through life.

Prepare to be shocked. From the man *The Wall Street Journal* hailed as a "Swifitean satirist" comes the most shocking book ever written! *The Borowitz Report: The Big Book of Shockers*, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

Life is not what you get out of it . . . it's what you put back in. Yet our current means for summarizing life's work, from resumes to salaries,

are devoid of what matters most. This is why the work we do is often bad for our wellbeing, when it should be making us happier and healthier. What are the most meaningful contributions we can make? This is Life's Great Question. Life is about what you do that improves the world around you. It is about investing in the development of other people. And it is about efforts that will continue to grow when you are gone. Life's Great Question will show you how to make your work and life more meaningful, and greatly boost your wellbeing. In this remarkably quick read, author Tom Rath describes how finding your greatest contribution is far more effective than following talent or passion alone. More than a book, each copy includes a code for an online program that identifies the most significant contributions you can make. This deeply practical book will alter how you look at your work and change the way you live each day.

Reality and dream collide in Amy Bonnaffons's "dazzling," wildly inventive "miracle of a love story" about an affair between the living and the dead (NPR) For weeks, Rachel has been noticing the same golden-haired young man sitting at her Brooklyn bus stop, staring off with a melancholy air. When, one day, she finally musters the courage to introduce herself, the chemistry between them is undeniable: Thomas is wise,

witty, handsome, mysterious, clearly a kindred spirit. There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he completes a 90-day stint on earth, during which time he is forbidden to get involved with a member of the living -- lest he incur "regrets." When Thomas and Rachel break this rule, they unleash a cascade of bizarre, troubling consequences. Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.

Suze is America's most recognized personal finance expert for a reason.

She's been dispensing actionable advice for years to people seeking financial security. Now, in *The Ultimate Retirement Guide for 50+*, she gives you the no-nonsense advice and practical tools you need to plan wisely for your retirement in today's ever-changing landscape. You'll find new rules for downsizing, spending wisely, delaying Social Security benefits, and more—starting where you are right now. Suze knows money decisions are never just about money. She understands your hopes, your fears, your wishes, and your desires for your own life as well as for your loved ones. She will guide you on how to let go of regret and fear, and with her unparalleled knowledge and unique empathy, she will reveal practical and personal steps so you can always live your Ultimate Retirement life. "I wrote this book for you," Suze says. "The worried, the fearful, the anxious. I know you need help navigating the road ahead. I've helped steer people toward happy and secure retirements my whole life, and that's exactly what I want to do for you."

A New York Times Bestseller! One woman undertakes a worldwide search to learn the secrets of a great marriage—and finds one foundational truth that could change everything. Fawn Weaver was a happily married woman running a successful business—and then

Online Library Top 5 Regrets Of The Dying

something happened. Maybe it was divorce rate reports on the evening news, *The Real Housewives of Orange County*, or any daytime talk show where husbands and wives dramatically reveal their betrayals. Everywhere she looked, Fawn saw negative portrayals of marriage dominating the airwaves and dooming everyone to failure. Looking at Keith, the love of her life, she knew that wasn't true. She was determined to find and connect with women just like her—happy and optimistic about marriage, deeply in love with her spouse, and committed to building a strong marriage that stands the test of time. On a whim, she started the blog HappyWivesClub.com and sent the link to a few of new friends. What started as a casual invitation to five women exploded into an international online club with 150,000 members in more than 100 countries. Happy Wives Club is Fawn's journey across the world to meet her friends and discover what makes their marriages great. Join her on this exciting, exotic trip across six continents and through more than eighteen cities. Walk the streets of Mauritius, the historic ruins in Italy, and the vistas of New Zealand and Australia. Go from Cape Town to London, Manila to Buenos Aires, Winnipeg to Zagreb. Along the way, you will meet everyday women whose marriage secrets span cultures. You will hear

their stories, witness their love, and be inspired by the proof that happy, healthy marriages do exist—and yours can be one of them! It turns out great marriages are all around us—when we look for them. Go on a trip with Fawn and learn the best marriage secrets the world has to offer. This is a book for people at every stage of life. It is a book for young people who are just starting out on the journey of life. Just as young internet-savvy people use the net to tap the experiences of others with products or travel locations, so I hope you will find the life experiences of these people equally fascinating. Wisdom does not have to come when we are old; we can find it much sooner. This is also a book for those in mid-life, like me, who want to ensure that we discover what matters before it is too late. It is also a book for those in their later years, who wish to reflect on their life experiences and discover ways to pass wisdom on to those who follow.

will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death."

*Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.*

Maybe you worry you've married the wrong person. Maybe you're carrying the burden of a secret or have gone down a dangerous road. Maybe you've made a life choice that's hurt someone else so badly you feel the relationship can never be restored. But there's good news: you have the opportunity to clear your conscience, make things right with

God and others, and get to a place of grace and new beginnings. Join pastor and bestselling author Erwin Lutzer as he shows you how to make the best of even your worst decisions and move forward into a better future.

INSTANT NEW YORK TIMES BESTSELLER "A must-read for anyone who loves history and art." --Kristin Hannah From the #1 New York Times bestselling author of the smash bestseller *Orphan Train*, a stunning and atmospheric novel of friendship, passion, and art, inspired by Andrew Wyeth's mysterious and iconic painting *Christina's World*. "Later he told me that he'd been afraid to show me the painting. He thought I wouldn't like the way he portrayed me: dragging myself across the field, fingers clutching dirt, my legs twisted behind. The arid moonscape of wheatgrass and timothy. That dilapidated house in the distance, looming up like a secret that won't stay hidden." To Christina Olson, the entire world was her family's remote farm in the small coastal town of Cushing, Maine. Born in the home her family had lived in for generations, and increasingly incapacitated by

illness, Christina seemed destined for a small life. Instead, for more than twenty years, she was host and inspiration for the artist Andrew Wyeth, and became the subject of one of the best known American paintings of the twentieth century. As she did in her beloved smash bestseller *Orphan Train*, Christina Baker Kline interweaves fact and fiction in a powerful novel that illuminates a little-known part of America's history. Bringing into focus the flesh-and-blood woman behind the portrait, she vividly imagines the life of a woman with a complicated relationship to her family and her past, and a special bond with one of our greatest modern artists. Told in evocative and lucid prose, *A Piece of the World* is a story about the burdens and blessings of family history, and how artist and muse can come together to forge a new and timeless legacy.

A groundbreaking approach to wellness that will help you cut through the clutter and find the small shifts that create huge changes in your life, from the host of the podcast *The Feel Good*

Effect “An absolutely fresh and insightful guide . . . If you’re looking to create more calm, clarity, and joy, this book is for you.”—Shauna Shapiro, Ph.D., author of *Good Morning I Love You* What if wellness isn’t about achieving another set of impossible standards, but about finding what works—for you? Radically simple and ridiculously doable, *The Feel Good Effect* helps you redefine wellness, on your own terms. Drawing from cutting-edge science on mindfulness, habit, and behavior change, podcast host Robyn Conley Downs offers a collection of small mindset shifts that allow for more calm, clarity, and joy in everyday life, embracing the idea that “gentle is the new perfect” when it comes to sustainable wellness. She then leads you through an easy set of customizable habits for happiness and health in mind, body, and soul, allowing you to counteract stress and prevent burnout. Instead of trying to get more done, *The Feel Good Effect* offers a refreshingly sane approach that will allow you to identify and focus on the elements that actually move the needle in your life

*right now. Less striving. More ease.
It's time to feel good.*

*The Five Secrets You Must Discover
Before You Die*

The #1 Wall Street Journal bestseller that People Magazine calls "a poignant, addictive read." From #1 New York Times bestselling author of *It Ends with Us* comes a novel about family, first love, grief, and betrayal that will touch the hearts of both mothers and daughters. Morgan Grant and her sixteen-year-old daughter, Clara, would like nothing more than to be nothing alike. Morgan is determined to prevent her daughter from making the same mistakes she did. By getting pregnant and married way too young, Morgan put her own dreams on hold. Clara doesn't want to follow in her mother's footsteps. Her predictable mother doesn't have a spontaneous bone in her body. With warring personalities and conflicting goals, Morgan and Clara find it increasingly difficult to coexist. The only person who can bring peace to the household is Chris--Morgan's husband, Clara's father, and the family anchor. But that peace is shattered when Chris is involved in a

Online Library Top 5 Regrets Of The Dying

tragic and questionable accident. The heartbreaking and long-lasting consequences will reach far beyond just Morgan and Clara. While struggling to rebuild everything that crashed around them, Morgan finds comfort in the last person she expects to, and Clara turns to the one boy she's been forbidden to see. With each passing day, new secrets, resentment, and misunderstandings make mother and daughter fall further apart. So far apart, it might be impossible for them to ever fall back together.

Stop searching for purpose. Build it. We're living through a crisis of purpose. Surveys indicate that people are feeling less connected to the meaning of their work, asking, "How do I find my purpose?" That's the wrong question. You don't find your purpose—you build it. The HBR Guide to Crafting Your Purpose debunks three common myths about purpose: that purpose is found, that you have only one, and that it stays the same over time. Packed with stories, tips, and activities, this book teaches you how to cultivate more meaning in your life and work and endow everything you do with purpose. You'll learn how to: Find the reason behind your work Identify what makes you feel happy and fulfilled Use job crafting to transform your role Build positive, fulfilling relationships Connect your work to service Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to
