Your customers are going to give you three seconds to make the sale. Do you know what to say in those three seconds? The marketing methods of the past are losing effectiveness as consumers are getting smarter and smarter and have less and less time. What is needed is a new way of doing business—a method that is simultaneously socially responsible and far more effective than "old" marketing. This new way is The Irresistible Offer. "The Irresistible Offer is the missing link in many marketing books." —Joe Sugarman, Chairman, BluBlocker Corporation "The Irresistible Offer reveals secret after proven secret guaranteed to pump fresh power into your sales process." —John Du Cane, CEO, Dragon Door Publications, Inc. "As the

world's fastest reader (Guinness Book certified) I've read just about every business and marketing book in existence. The Irresistible Offer by Mark Joyner is, by far, the easiest and most powerful. If you want to make a profitable business (any business small or large), The Irresistible Offer should be your starting point." —Howard Berg, "The World's Fastest Reader" "I've read every book on marketing printed in the last 150 years. This is the first breakthrough in over fifty years." —Dr. Joe Vitale, author of The Attractor Factor "If I had to choose one modern marketing genius to learn from, it would be Mark Joyner. The Irresistible Offer belongs in the hands of everyone wanting to wildly succeed in business." —Randy Gilbert, a.k.a. "Dr. Proactive" host of The Inside Success Show

Joe DiMaggio was, at every turn, one man we could look at who made us feel good. In the hard-knuckled thirties, he was the immigrant boy who made it big—and spurred the New York Yankees to a new era of dynasty. He was Broadway Joe, the icon of elegance, the man who wooed and won Marilyn Monroe—the most beautiful girl America could dream up. Joe DiMaggio was a mirror of our best self. And he was also the loneliest hero we ever had. In this groundbreaking biography, Pulitzer Prize-winning journalist Richard Ben Cramer presents a shocking portrait of a complicated, enigmatic life. The story that DiMaggio never wanted told,

tells of his grace—and greed; his dignity, pride—and hidden shame. It is a story that sweeps through the twentieth century, bringing to light not just America's national game, but the birth (and the price) of modern national celebrity.

It's the team leader's job to recognize how members fall into these categories, encourage them to keep the "bus" moving by working together, and know when it's time to kick the riders off. In the

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking).
