**Describes how to identify weaknesses in golfing technique, offers strategies for strengthening them, and presents a plan to lower scores by improving the short game**

**A National Bestseller! David Leadbetter is the most recognized golf instructor in the history of the game. His new book, The A Swing, is his first for a decade and is an evolution of his swing theories that have successfully helped thousands of golfers globally. His four players, whom he has coached over the years, have amassed 19 major golf championships. David has been prolific during his 30+ year career in producing books, videos, teaching aids that have inspired golfers of every level to reach their potential. The A Swing - A stands for Alternative - is a simple way to swing the club, which follows biomechanically sound, scientific principles, and only requires minimal practice. The A Swing has been thoroughly tested with a wide range of players, from tour level to beginner, junior to senior, and the results overall have been nothing short of dramatic. The A Swing is a way to develop a consistent, repetitive motion which will improve accuracy and distance, and is easy on the body. It will fix many of golf's common faults, and the book takes you through an easy, step-by-step approach. With over 200 illustrations, easy drills, and the 7-Minute Practice Plan, golfers now have the opportunity to play the way they've always dreamed of. Golf is a frustrating game, even for the top players, but the A Swing will make it easier and more fun. It could really change the way the game has been taught, which hasn't changed for years - it is not an exact method, and has leeway for individualism. David is excited that the A Swing will help golfers the world over enjoy the game more. In essence, the A Swing is a shortcut to great golf. Whatever your level of play is now, whatever your goals, however you've been struggling with the game, the A Swing could change your golfing life.**

The Golfer's Mind

*A collection of wit and wisdom on golf offers practical advice to everyone from golf pros--including Tom Kite, Ben Crenshaw, and Sandra Palmer--to high-handicap amateurs. 20,000 first printing.*

*Not since Ben Hogan in the 1950s has a dominant player so thoroughly addressed golf's central enigma: how to develop and repeat an effective swing, the only way any player can hope to truly improve. In the early '90s, after years of struggle and determination, Nick Price emerged as the world's finest golfer,"striking the ball," as Ben Crenshaw observed. "as well as anyone since Ben Hogan or Byron Nelson." From his childhood in Rhodesia (now Zimbabwe), through many seasons on the European tour, to his PGA Championship and British Open victories, Price's abiding keynote has been perseverance, and his passion the art and science of the swing. For players at all levels, Price now reveals the game's essential elements -- from grip and set-up and downswing, to the short game and effective putting -- in both theory and practice. Drawing on his own influences, remarkable experiences, and intense study, his program combines both athletic and mental requirements, and offers all golfers the lasting rewards of long-term improvement -- the promise at the heart of the game. A classic of instruction, with all the wisdom and personality of one of the world's most accomplished and engaging champions.*

Drawing on his background, experience, and interests, coupled with using golf literature and playing golf for 67 plus years, Dr. DeVore has a created masterful work of art that can support the efforts of an average golfer to accomplish golf goals and to become his or her best coach and caddie. "Dr. DeVore combines personal experience, training, and education to make learning golf an experience for life. He brings a fresh perspective to the game of golf in Golfer's Palette." -Tim Eberlein, MBA, PGA Master Professional, Campus Director, The Golf Academy of America-Phoenix, www.golfacademyofamerica.edu "In my 20 plus years as a PGA instructor, Dr. DeVore was one of the most interesting and knowledgeable students that ever passed through the doors of The Golf Academy of America. It was always special to pick his brain regarding various journeys in life. When he had a story to tell, I listened until the story was complete because I knew he had lived the story. With his experience traveling around the world, working with corporate America, and his love of the game of golf, I know that Golfer's Palette is based purely on his experience and not on a fairytale." -Gary Balliet, PGA Quarter Century PGA Member, Certified Club Builder & Fitter, Instructor, The Golf Academy of America, Arizonacustomgolfclubs.net "By design as humans, our thoughts dictate our actions-good or bad-voluntarily or involuntarily. Dr. DeVore has expertly outlined how the correct cohesive integration of our mind and body can deliver not only peak performance but total enjoyment. Golfer's Palette will show you how to control your thinking and allow yourself to have the most fun playing this wonderful game." -John Gunby, PGA, 2013 Southwest Section Golf Professional of the Year

How GOLF54 Can Make You a Better Player

Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf ' s top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don ' t believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don ' t even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, Every Shot Must Have a Purpose offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player ' s game. The book ' s revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure. Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it ' s possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, Every Shot Must Have a Purpose is inspiration for life, not just the links.
