Born an alcoholic and drunk at 5, I battled the symptoms of my disease my whole life. I was viciously attacked by a predator at 10, then went on to win my battle over booze, drugs and an obsession for women, to become one of radio's most successful stories. Tops in morning radio in Houston and Miami, I ultimately joined an old friend and bought a radio station in Santa Fe, NM, taking the station from "Worst to First" and leaving with over a million in my pocket. Sober and clean. I wrote this book to give hope to those "functioning" alcoholics who may see a better way to find success in life, business and with their families. It is a HOW TO book in the sense that throughout the writing, I lead the way with what you have to do next. The key in this book is about the reader's ability to "reach deep" into his/her psyche to pull up the honesty it takes to win the battle over alcohol. More than anything, honesty is the key. Ultimately, that's what happened to me.
