about two  
couples caught  
in a web of  
conflicting  
passions while  
deep-sea  
diving off the  
beautiful  
Canary Islands  
In the late  
1990s, Sven  
Fiedler and

girlfriend,  
Antje, left  
Germany for  
the island of

rejecting what  
Sven  
considered a  
vulgar culture  
of materialism  
and judgment.

a diving

makes this

Sven's  
approach was  
simple: take

A lot of books on

professional racers

Not this book. It's

written by a hobbyist who suggests you keep your day job. Besides, it's much more fun being an enthusiastic amateur than a jaded professional (just ask someone in the sex industry). This book is designed to help the average driver make the

pages as possible. I  
wrote this book  
because it's what I  
would have wanted  
to read when I first  
became interested in  
track driving:  
succinct, nerdy,  
practical, and
