and rebuild, contains hundreds of "hands-on" photos tied to step-by-step instructions, and is thorough enough to help anyone from a do-it-your-selfer to a professional. The Global Status Report on Road Safety 2018, launched by WHO in December 2018, highlights that the number of annual road traffic deaths has reached 1.35 million. Road traffic injuries are now the leading killer of people aged 5-29 years. The burden is disproportionately borne by pedestrians, cyclists and motorcyclists, in particular those living in developing countries. The report suggests that the price paid for mobility is too high, especially because proven measures exist. Drastic action is needed to put the measures in place to meet any future global target that

In this cozy series debut from Laura Gail

Black, Jenna Quinn finds her uncle murdered in his antique bookstore, and Jenna--his primary beneficiary--becomes the prime suspect. Trouble follows Jenna Quinn wherever she goes. Fleeing some unsavory doings in her hometown of Charlotte, Jenna accepts her uncle's gracious invitation to stay with him in small-town Hokes Folly, NC. In exchange, she'll help him out in his antiquarian bookstore. But soon after she arrives, Jenna finds her uncle's body crumpled at

the base of the staircase between his apartment and the bookstore. Before the tragedy even sinks in, Jenna learns that she's inherited almost everything her uncle owned: the store and apartment, as well as his not-so-meager savings and the payout from a life insurance policy...which adds up to more than a million dollars. This is all news to Jenna--bad news, once the police get wind of her windfall. An ill wind, indeed, as a second murder cements Jenna's

status as the prime suspect in both deaths. Jenna can hit the road again, taking her chances that she can elude trouble along the way. Or she can stick it out in Hokes Folly, take over the bookstore, and try to sleuth out her uncle's killer. On the one hand, she's made some wonderful new friends, and she feels she can thrive in the genial small-town environment. On the other hand, trouble knows her address--and so does the killer, who is determined to

Karpal Singh is widely regarded as
Malaysia's best criminal and
constitutional lawyer. His sudden death

- just a month after he was convicted of

political landscape. Karpal was a fearless advocate for justice and a defender of human rights in South East Asia, and has appeared in the Privy Council in London on a number of occasions before such appeals were abandoned by Malaysia. He is renowned for his defence of many people from many nations who have faced the death penalty under Malaysia's Dangerous Drugs Act. In recent years, one of his biggest achievements was his successful defence of former Deputy

Prime Minister Anwar Ibrahim on two charges of sodomy in 2012. On the night he died, Karpal was still fighting for Anwar, who had been convicted once again of sodomy, and seeking to reassure him. He told the Opposition leader in a telephone call he would do his best in the prosecution's 'fast-tracked' Federal Court of Appeal. Indeed Karpal had Anwar's files with him in his vehicle when the fateful crash occurred. In this revised and updated edition,

Perangkat keras demokrasi memang bisa dipoles, tapi perangkat lunak masih berjiwa tirani.
