The Honda Civic is one of the most sought after cars in the modifying world. It has a massive following worldwide due to the great Japanese mechanics, and the potential to make what is essentially a dull car look great. So many looks, so many products - including products which are sometimes cheaper than standard parts replacements! But what if you have any problems - ill-fitting kits, no instructions, or instructions written in Japanese? Haynes can help with this new full colour guide to DIY modifying.
