JOE MURPHY HAD IT ALL. In 1986, he became the first college-educated hockey player selected first overall in the NHL entry draft. He won a Stanley Cup in Edmonton four years later. But since then, his life has taken a tragic turn, largely due to the untreated brain injuries he suffered as a player. Murphy’s life didn’t begin on a track that would lead to homelessness. He was smart, dedicated to hockey and was a key player for the Oilers, Red Wings and Blackhawks, among other teams. But one vicious body check changed his life forever. Despite being shaken by the hit, Murphy was cleared to return to the game. Soon after, his entire life seemed to change. Murphy became a journeyman, moving from team to team. Along the way, other NHLers said they noticed something different about him, too. Murphy wasn’t acting like himself and soon found himself out of the NHL entirely. Eventually, Murphy became homeless. In the spring of 2018, Murphy made his way to Kenora, Ontario, where he lived in the bush, spending his days outside a local convenience store, muttering to himself and taking handouts of food and drinks from passersby. The player who had once set the NHL aflame now slept by the side of the road in the unforgiving North. In Finding Murph, Rick Westhead traces the true story of Joe Murphy and examines the role of the NHL in the downward spiral of one of the league’s most promising players.

In her book, Gina Gerson - Success through Inner Power and Sexuality, Valentina tells her life story. But more than just recounting her biography, she shares, for the first time, the secrets of her success.

STRIPPED DOWN: A Naked Memoir is a look back at a surreal world kept carefully hidden from public view. This chronicle of life in the skin trade follows the meteoric rise of Stacey Keith, a girl scarcely out of her teens whose eye-popping assets launch her from wet T-shirt contests to the catwalks of Houston, strip bar capital of the world. Almost overnight, she is discovered by a famous porn star, who Svengalis her onto the pages of Playboy, Penthouse, and dozens of other men's magazines. While strutting her stuff onstage and across the country, Stacey makes the fateful decision to head to Hollywood. She's got everything a girl could want: fame, attention, endless piles of cash...but no idea what awaits her. With Internet porn overtaking men's magazines, everyone from her Mafia-boss road manager to her smarmy talent agent pressures Stacey to do more than just flash her flesh. Uber-boob filmmaker Russ Meyer verbally abuses her; rocker Don Henley tries to use her. Liara Roux is accustomed to being mislabelled and misunderstood. As a child, Liara’s inquisitive, instinctive, and rebellious nature was frequently problematized in a world designed around the requirements of their neurotypical, cis, heterosexual male colleagues. Coming of age in an oppressively restrictive home, they shuffled tarot and explored self portraiture to rationalise the injustice of chronic pain, toxic lovers, and the cruel silence of divinity. Critiquing capitalism’s mechanisms of exploitation, the conservatism of Western medicine, and the politics surrounding sex work, Whore of New York: Confessions of a Sinful Woman is a candid study of artistic awakening, and both spiritual and sexual growth after abuse, seen through the eyes of a proud outsider.

The Hardest (Working) Man in Showbiz

An award-winning, popular actress in the porn industry describes her unusual life and discusses her views on women and sexuality as well as offering an inside look into the porn industry and her relationships with other actors, including her husband.

So much happens to all of us every day, yet so much is often forgotten. It is easier to remember things when they rhyme; both the momentous moments and the simple ones. Life is not always an adventure. Often it is ordinary occasions and the common place events that bring us the greatest joy. Stop always looking for the next big thing, beacuse more often than not, life is just the next thing. And that next thing is what life is all about. Every rhyme contains a story; some are sincere, some are funny, some are sad, and some are reflective. There is a lesson, a moral, a tale, a smile, or a tear in every single one. They all rhyme for a reason.

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? No Lifeguard on Duty is the ultimate memoir of sex, drugs, rock & roll, and redemption from modeling icon Janice Dickinson. From her supermodel glory days with Gia Carangi and Christie Brinkley to nights with Warren Beatty, Jack Nicholson, and Sylvester Stallone; from a dizzying drug and alcohol habit to three failed marriages; from cavorting around the globe to struggling to make it in Los Angeles as a working mom on America’s Next Top Model and The Janice Dickinson Modeling Agency, Janice tells all.

NATIONAL BESTSELLER Rick Vaive sets the record straight as he tells his story of turmoil in Toronto’s Ballard years (and with Don Cherry’s Mississauga Ice Dogs), growing up in an environment filled with alcohol and alcoholism, and his own struggles and battles. In the storied history of the Toronto Maple Leafs, no player scored fifty goals in a season until Rick Vaive in 1981-82--and he did it three years in a row. So why isn't his number 22 hanging from the rafters of the Leafs' rink and his name as revered in Leafs lore as more recent stars like Gilmour, Sundin and Clark? You could blame it on a team that lost far more than it won. You could blame Harold Ballard and his erratic ownership. You could blame the fans, the media... but Rick Vaive doesn't blame anybody. Sometimes, life just doesn't go your way. Growing up in a household plagued by alcoholism, the gifted young hockey player took shelter in the company of his grandmother and a blind and severely disabled uncle. Rick learned quickly that there are more valuable things in life than hockey. Even after his promising coaching career stopped dead when it ran into Don Cherry in Mississauga--one of the worst seasons in Ontario junior hockey history--he still doesn't point fingers. Life is too sweet for regrets, but learning that lesson can be one hell of a ride.

Claudia Corvette. From her tousled bedroom hair to her name—all the porn stars in this world take their names from supermodels and sports cars—she is adult entertainment’s prototypical femme fatale. Her life is the collision of countless troubled—childhood cliches and grown-up wet dreams, projected onto her as surely as her videos project their blue light onto lonely men around the world. From its first panel, How to Make Money Like a Porn Star draws the reader into the dark world of girls like Claudia, the men who fantasize about them, and the monsters who control them. In the hands of Rolling Stone writer Neil Strauss and illustrator Bernard Chang, this adult graphic novel weaves together black humor and blacker reality. Like all great American stories, it features humble beginnings, life-changing tragedy, stripping, abuse, implants, fame, addiction, bigger implants, abduction, gunplay, downfall, and even bigger implants. Not to mention a thousand shades of latex and L’Oreal. Part parody, part morality tale, here is the truth about the porn life, its oversized visual splendor captured in a comic parade of doe-eyed centerfolds, its essence distilled in a story that will haunt every reader who has ever wondered where his next fantasy is coming from.

How to Make Money Like a Porn Star

A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame.

The former adult film star discusses the painful events of her childhood that prompted her to run away, tracing her descent into addiction, her work as an underage porn actress, and her decision to start over in mainstream film.

The world is fascinated by sex and the sex industry. In the last 20 years, we have seen X-rated movies go from a theater in the worst part of town to our own VCRs and on the menu of expensive hotels as in-room entertainment. Its stars have gone from being virtual unknowns in the early 70s to doing appearances on Jay Leno and television talk shows. The adult film business has grown by leaps and bounds. In 1984 alone more people rented or bought an X-rated movie than voted for Ronald Regan. In this book, I have given the reader an uncensored, inside look at all the workings of the sex industry from movies and magazines to mens clubs and all the emotions that go along with it. By reading these excerpts from my personal diary, I share with you the anger, elation, sadness and fear that have comprised my life. I give an inside look at the many famous people Ive met and their personal quirks. As the first Native American porn star, I show you how this line of work is seen in the eyes of my religion and culture, and I share some of the healing ceremonies I have experienced. Why would a young woman decide to get into such a business? What is it like to make an X-rated movie or to dance nude on stage in a gentlemen's club? Many women say it is empowering. What kind of lives did these women have before entering the world of X? Why do they say it increases their self-esteem? Is it REALLY healthy emotionally? Why have five of my colleagues committed suicide? Whats it like when your friends (and the Godmother of your children) are dropping like flies? Why would a sexually abused and abandoned child decide of her own free will to make X-rated movies and how could this possibly be a healing experience? Is it really?

Sex, money, drugs and danger: they are all in a night ' s work for millions of prostitutes around the world. But who are they? What are their lives like? And how do they really feel about what they do? Their answers are here, the unvarnished truth of life in the modern sex trade told by those who work in it. Author Julian Davies interviewed streetwalkers, call girls, brothel workers, dominatrix and even male escorts to uncover their twilight world: the tricks of the trade; the violent punters and bizarre requests; the run-ins with the cops; the risks, the family breakdowns and the absurd situations. Controversial, shocking and explicit, but also often funny and poignant, Hookers is the most candid account ever of life inside the underground sex industry.

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!

Two boys attempt to persuade a cousin to remain quiet about a secret chemistry set by mixing a startling potion that unexpectedly grows hair on their faces and makes the dog hairless.

A surreal sexual nightmare by cult bizarro author Carlton Mellick III. In a dark future where males have become extinct, humans are forced to breed with factory-manufactured living fuck-toys that possess an abundance of both male and female sex organs. One such creature is adopted by a warrior dominatrix named Celsia, who is trying to have a baby. But once she takes her new merchandise home, things don't quite go as planned. Wild tribes of rapists, women with multiple vaginas covering their bodies, sex tournaments, erotic mutilation, and a giant vagina possessing the secrets of the universe, this is one ugly perverted hell of a world. Told in Mellick's early schizophrenic prose style, Razor Wire Pubic Hair is like postmodern minimalistic art mixed with Japanese "guro" porn.

Confessions of the Hundred Hottest Porn Stars

At age seventeen, Gia Carangi was working the counter at her father's Philadelphia luncheonette, Hoagie City. Within a year, Gia was one of the top models of the late 1970's, gracing the covers of Cosmopolitan and Vogue, partying at New York's Studio 54 and the Mudd Club, and redefining the industry's standard of beauty. She was the darling of moguls and movie stars, royalty and rockers. Gia was also a girl in pain, desperate for her mother's approval—and a drug addict on a tragic slide toward oblivion, who started going directly from \$10,000-a-day fashion shoots to the heroin shooting galleries on New York's Lower East Side. Finally blackballed from modeling, Gia entered a vastly different world on the streets of New york and Atlantic City, and later in a rehab clinic. At twenty-six, she became one of the first women in America to die of AIDS, a hospital welfare case visited only by rehab friends and what remained of her family.

Drawing on hundreds of interviews with Gia's family, lovers, friends, and colleagues, Thing of Beauty creates a poignant portrait of an unforgettable character—and a powerful narrative about beauty and sexuality, fame and objectification, mothers and daughters, love and death.

How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson.

Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

Catch 22

An explicit look into the world of porn, from a woman who was a superstar in the industry. Small, aka Ashley Blue, weaves through the intricacies of a decade in and out of the adult film industry, love, drugs, and her own firebrand of what it means to live ecstatically.

The first publication of Raw Talent created an extraordinary flurry of publicity. Jerry Butler appeared on dozens of talk shows, capturing audiences with his intensity and charm. Reviews of the book lauded Butler's honesty and remarked on the double standard that permits explicit violence on film - but not explicit sex. The book sold out four printings; nonetheless, reactions within the adult film industry included heated debate and an unofficial blacklisting of Butler.The former star of X-rated films and winner of many awards, Jerry Butler wrote the book that many warned would finish him in the business that had rewarded him with money and fame. But it is characteristic of Butler that these warnings didn't prevent him from producing this devastatingly honest appraisal of the adult film trade - and of himself. For while Butler is frankly critical of an industry that treats actors and actresses like throw-away props, and allows unprotected sex in the age of AIDS, he reserves his most candid commentary for himself. Raw Talent tells the story of Butler's erotic voyage from average child to sex star. The epilogue added to this new edition answers the question: Where will Jerry go from here'. . . an unvarnished first-hand view of the adult film industry. . .Back StageEven though people might feel that Raw Talent shatters their fantasies, it illustrates the fakeness of porn and the carelessness of its makers. Most people might, understandably, predict that the world's first porn star was a woman, but they would be wrong. John Curtis Holmes was just a simple country boy from Ohio when he moved to California in 1964. It was the infancy of hardcore, so in Holmes' wildest dreams, he could not have predicted the turbulent ride on which he had embarked by publicizing his private parts. With the fame he achieved by playing his most famous character - a gun toting detective named Johnny Wadd - came money. Holmes was pleased to spend it on his wife and mistresses, but soon was in over his head after he became addicted to cocaine. Unfortunately for Holmes, in the years that followed, his addiction led him into several desperate choices - including setting up a robbery at the home of Ed Nash, a powerful L.A. nightclub owner. The robbery resulted in one of the most gruesome, unsolved, multiple-murders in Hollywood history. Amazingly, before his untimely death in 1988, Holmes regained his momentum, remarried and rebuilt his life and career. However, the grave consequences of his addiction, his association with the Wonderland murders, and his AIDS-related death made him an infamous figure in pop culture. Digging past the stigmas, John Holmes: A Life Measured in Inches - the first biography about John C. Holmes - unctions the human being behind the penis and proves that there was more to him than could be measured in inches. This biography includes material from the authors' new interviews with: Laurie Holmes, Bill Amerson, Bob Chinn, Julia St. Vincent, Detective Tom Lange, Detective Frank Tomlinson, Paul Thomas, Ron Jeremy, Seka, Marilyn Chambers, Candida Royalle, Rhonda Jo Petty, Dr. Sharon Mitchell, Bill Margold, and many others!
