## Traditions And Encounters Volume B 5th Edition

..".Michael Druxman has done an exemplary job with this 'Films of '- formatted chronicle of the life of Paul Muni. Above and beyond the usual compendium of product a rounded, intelligent picture of the man and the actor....Grade-A in all departments." - Film Fan Monthly, November 1974 ..".The volume...has special reference value, particularly since Muni will go down in theatrical history as one of the great perfectionists who graced the screen and stage.... Biographer Druxman is concise and informative in his narration of the Muni story. - Don Carle Gille- e, Variety, June 14, 1974 ..".The author carefully analyzes them [Muni's professional life, coupled with a study of his personal life and habits results in a complete picture of a master.... Interesting an informative reading." - Classic Film Collector, 1974"

Never HIGHLIGHT a Book Again Virtually all testable terms, concepts, persons, places, and events are included. Cram101 is NOT the Textbook. Accompanys: 9780521673761

This collection of essays asserts the specific value of world history research and teaching, showing how the field contributes to the larger historical profession and offering concrete suggestions to develop more interaction between the academy and the public. The twelve contributors, each with their own academic areas of interest, are experienced scholars and classroom teachers. Uniting them together in this volume is their professional relationship with Jerry H. Bentley (1949-2012). This shared connection served as a catalyst to showcase Bentley's enduring legacy: a commitment to investigating large-scale questions with detailed empirical evidence that explains the human condition—documenting both patterns of similarity and difference in ways that account for regional and temporal variations. The volume continues Bentley's meticulous attention to world historical methods: focus on scale, cross-cultural encounter, comparison, periodization, critical geography, and interdisciplinarity. Encounters Old and New in World History responds to provocations that Jerry Bentley tendered in his scholarship and through his professional activities. Contributors interrogate the institutional settings, disciplinary proclivities, methodological choices, and diverse source bases of world history research and teaching. Several essays address the ways in which present-day concerns influence research on local and global scales. Other essays pay particular attention to the production and circulation of knowledge across regional, temporal, and class boundaries, as well as between the academy and the wider public. Claiming the centrality of globally informed and focused approaches to historical inquiry, researchers continue the conversations that Bentley carried on through his own scholarship, teaching, editing of the Journal of World History, participating in public forums, and contributing to public discussions about the place of history in understanding today's global integration. The stakes involved in asking guestions about the shared history of humankind continue to increase in the current era of intensified globalization. It is incumbent upon scholars with the skills to work across linguistic, geographic, temporal, and disciplinary boundaries to show the ways that cross-cultural encounters happened historically, and to point out how such interactions play out in the institutions, classrooms, and public debates where historical interpretations are created and shared.

The Valley of the Giants is set on the edge of Humboldt Bay in the fictional town of Sequoia, California. Starting in 1850s, with John Cardigan founding the logging company to build a life for him and his son Bryce, the novel follows the ups and downs of the Cardigan family and the on-going rivalry with Colonel Pennington over logging rights and other business matters. When Bryce Cardigan returns home from the college he finds out that Pennington is pushing them out of business. He must try to save the company and screw Colonel Pennington, while juggling a secret relationship with Shirley, Pennington's niece.

Paris Traditions & Encounters: A Brief Global History, Volume I

Student Study Guide and Map Exercise Workbook to accompany Traditions and Encounters, Volume 1

Over a million students at thousands of schools have learned about world history with the best selling book for the course, Traditions and Encounters; A Global Perspective on the Past. Using the twin themes of traditions and encounters; A Global Perspective on the Dast. Using the twin themes of traditions and Encounters; A Global Perspective on the Dast. Using the twin themes of traditions and Encounters. historical development within individual societies and the profound results of interactions and Encounters places the world of contemporary globalization in historical context. The book helps students understand the world's major societies and shows how the interactions of these societies affect history throughout the world. The authors tell a coherent and digestible story of the past that is not weighed down by excessive detail, so instructors are able to incorporate additional readings. This edition provides an updated map program as well as the latest scholarship. It also moves Primary Source Investigator online, improving access for students to work with primary sources. Connect students to the stories of history. Connect students to the experience of history. At McGraw-Hill, we have dedicated the past few years to deepening our understanding of students to success in history. At McGraw-Hill, we have dedicated the past few years to deepening our understanding of students to success in history. including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. The fifth edition of Traditions & Encounters is a result of this. Traditions & Encounters also has a rich history of

firsts: the first world history text to take a truly global perspective on the past; the first to emphasize connections among cultures; the first to emphasize connections among cultures; the first to emphasize connections & Encounters becomes the first truly interactive world history program: one that marries groundbreaking adaptive diagnostics and interactivities with a captivating narrative and engaging visuals, creating a unique learning environment that propels greater student success and better course results. Instructors gain insight into students' engagement and understanding as students develop a base of knowledge and construct critical thinking skills. Chapter-opening vignettes and a lively narrative keep students turning the page while the adaptive questioning for each chapter and the personalized study plan for each individual student help students prepare for class discussions and course work. With its hallmark of twin themes, Traditions & Encounters continues to tell the story, while adding redesigned maps, new primary sources, and new chapter- and part-level features that strengthen connections and prompt students to analyze the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. Students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. Experience Traditions & Encounters, and experience success. Primary History Kingdom of Benin (Not to be confused with former Dahomey) has been written to support teachers to meet the requirements of the new National Curriculum Framework for history. It covers all historical aspects of the great kingdom which was at its height between the 14th and 16 centuries. This book is divided into three sections. The first section covers growing up experiences of the kingdom's children and of ordinary people. The third section provides numerous and varied historical enquiries activities to improve pupils' knowledge and understanding of historical facts of the great kingdom and help to develop their enquiries skills. This section includes comparison of medieval British and Benin kings. This book

incorporates historical sources including African oral traditions of storytelling, wood and terracotta sculptures and reading and analysis of the kingdom chose to record their history. To keep up with technological advancement and opportunities, a dedicated website has been set up to provide further activities and up to date knowledge and information on the kingdom. A virtual classroom has also been created through which the author can clarify and provide additional support to teachers and pupils as necessary. Details of these websites are below. There are many more resources on the website including videos and photographs with cross curricular activities including topic for pupils to study. The kingdom, founded around 40Bc was at its height between the 14th and 16th century when it conquered neighbouring countries on the British in 1897 though the crown was restored in 1914, the king's authority and influence was highly diminished. However, the people's traditions and customs continue to this day. Fidelia Nimmons has a track record of achieving outstanding results with a variety of learners and has written many teaching support books to this aim. Website: www.kingdomofbenin.weebly.com Virtual classroom: http://kidblog.org/nimmonsvclass/ Twitter.com/PrincessIyomon Enquiries and contact: www.ifitmatter.weebly.com CURIUM is the story of thirty-five year Park employee Jack Jones after he receives an unexpected death sentence from his doctor. Jack works at Steadyland -- the world's biggest, most successful and well-known amusement park. Designed and built in Beatrice, California in the early 1950's by

animation genius Gomer Steady, the Park reinvented itself over time by incorporating tons of cutting-edge technology as it grew in popularity. But some of these entertainment advances came at a high price. The computer-driven animated technology known as audioroboticals was developed in secret, with little or no oversight regarding safety. Over time, Park employees and even some Park Guests were exposed to dangerous side effects. The bigshots treated Park customers like lab rats flush with cash. During a period of rapid expansion, management installed those nasty little audiorobotics all over the Park. There were thousands of robots in the much-loved (and much-hated) It's A Doll's World and The Polynesian Bird Room. And then there was Steady's personal favorite - the patriotic George Washington exhibit - a presidential audiorobotical that was, in fact, as dangerous as Three Mile Island. The Park administrators knew of the problem, but they decided to cover-up the "situation" rather than spend hundreds of millions of dollars fixing it. As a result, many of the Park's long-time employees began to experience gruesome metabolic deterioration. The Park's Suits retired the George Washington exhibit and mothballed the robot inside a storage facility deep underground. But "he" is about to be liberated from exile by ex-employees seeking revenge - as everybody knows - is a dish best served very, very hot. Oh, and please keep your hands and feet inside the ride vehicle at all times. Globish the World Over

A quide for the young at heart of all ages by an American family that has lived in France and knows how to quide their friends through Paris. They now share their advice with you in this unique quide. Come to love Paris by understanding the stories behind its sights and neighborhoods. See Paris as it should be seen for a fun and affordable learning experience: \* 7-Day Step-by Step Tour of Paris based on its history -- the Romans, the Middle Ages, the artists -- set forth in a colloquial chronology and presented with advice on the best sights to see to enhance your knowledge. Plus, not-the-same- old-suggestions for Additional Days in Paris for travelers of all ages \* Unique ideas for entertaining excursions: learn about Impressionist art as you play the Musee d'Orsay Challenge, enjoy the highlights of the Louvre without making it a marathon, pretend you are James Bond in Paris, and more \* Realistic restaurant and lodging recommendations for an enjoyable and language to smooth your way, including truly practical visitor vocabulary -essential menu French and real-life expressions \* Separate entertaining history section (Daily Dose of French history) for travelers who want to know more about the 2000 years that have created the spectacular city of Paris \* Recommendations of Additional Resources for adults and children for before and after your trip -- books, movies, computer games, and theater \* Planning an affordable trip using the Internet -- best Web sites

To save a stranger's life, she put her own in the hands of a man who represented everything she loathed. Young CEO Marie Archer was shocked when her brother, Joseph, returned from the Middle East with a contract for a new office in the Kingdom of Alfaidya, a royal fiancée, and a wedding four days away. Despite her concern over his rush to get married, there was nothing Marie wouldn't do for Joseph. She silenced the alarm bells echoing in her head and traveled halfway across the world with him to attend the wedding. The language barrier in Alfaidya disoriented Marie, and she was bewildered when traditions demanded her involvement in the ceremony as the groom's sister. The bride's brother, Crown Prince Mazen Alfaidy, fascinated Marie; a breathtakingly handsome man with mysterious eyes, his silent attentions to her only increased her confusion. The last thing she expected was the brutal betrayal by her beloved brother, forcing her into an arranged marriage with Prince Mazen to seal a Sisters Trading deal. Confined in the palace with a perfect stranger - a husband she doesn't know or trust - Marie's life is riddled with lies and secrets. Royal intrique, traditions, and rules have put her in danger. Now, the new princess has a lot to learn, and many black keys to find. Can she open her heart to a world so unlike her own, or will her prejudices prevent her from finding happiness? Because when it comes to love, rules blur and traditions fade.

The Author's Book Journal is a must have for anyone writing a book or a novel. It easily lets you keep track of events and characters profiles, secondary characters profiles and also pages to note reference research sources, acknowledgements, quotes, notes, prologue, epilogue, back cover blurb, beta readers, ARC reviews, publishing details. You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches. NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. The Presidogs of the United States of Pawmerica A Different Dimension

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

Mysterious, revealing and prophetic, this historically relevant modern thriller explores religious authority while providing a wild ride of international intrigue and danger.

through with the authors. Find TTT on FB, or click author name at the top of this page for all titles in this series, including Coursepak B for Bentley 6.

Presents a collection of essays that debate issues associated to world history including male dominated societies in the ancient world, the Crusades, and Africa's role in human history. This is the workbook to get if the textbook you have has an orange strip across the top with the word "Updated" written across it. This AP\* World History companion is filled with vocab, activities and assignments that follow the Bentley, Ziegler and Streets-Salter Sixth Edition of Traditions & Encounters for all 38 chapters. The activities in this workbook can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rational classwork can be left lacking. Whether the textbook is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, brainstorm examples, diagram each chapter, and think things

The West The Complete Volume

Paul Muni - His Life and His Films

Daily Reader for Compulsive Debtors and Spenders The Age of Flying Saucers: Notes on the History of Unidentified Flying Objects

Bentlev's Traditions & Encounters The turn of the twentieth century witnessed the birth of two distinct philosophical schools in Europe: analytic philosophy and phenomenology. The history, however, is the relationship between the two European schools and a third significant philosophical event: the birth and

development of pragmatism, the indigenous philosophical movement of the United States. Through a careful analysis of seminal figures and central role that pragmatism played in the development of philosophical thought at the turn of the twentieth century, widen our understanding of a seminal point in the history of philosophy, and shed light on the ways in which these three schools of thought continue to shape the theoretical agenda of contemporary philosophy.

Explore the changing nature of the West Rather than looking at Western civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the changing nature of the West-how the definition of the West and peoples, both outside the West and within it. Presenting a balanced treatment of political, social, religious, and cultural history, this text emphasizes the ever-shifting boundaries of the geographic and learning experience. This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning-- My History Lab is online learning. My History Lab engage students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical thinking questions through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical thinking questions through personalized learning and helps instructors from course preparation to delivery and assessment. MyHistoryLab, provides instructors with all the resources and support they need "On the basis of a superficial inspection. Traditions & Encounters might look similar to several other textbooks that survey the world's past. Like other books, for example. Traditions & Encounters differs from other works in two particularly important ways. First, it relies on a pair of prominent themes to bring a global perspective to the study of

world history: it traces the historical development of individual societies in all world regions, and it also focuses attention systematically on interactions between peoples of different societies. Second, it organizes the human past into seven eras that represent distinct and coherent periods of global historical development"--Preface (Page xvi). Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world history survey course. The seven-part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history 's stories—not just the who, the what, and the where, but also the who, the what, and the how—students by continuously adapting to deliver precisely what they need it, and how they need it, so that your class time is more engaging and effective.

Taking Sides: Clashing Views in World History, Volume 1: The Ancient World to the Pre-Modern Era, Expanded Encounters Old and New in World History Black Keys

Encounters with Analytic Philosophy and Phenomenology before the Great Divide Blue Water Edition

From 1000 to 1800 by Bentley, Jerry

Based on Bentley and Ziegler's best-selling, comprehensive survey text, Traditions & Encounters: A Brief Global History, Provides a streamlined account of the cultures and interactions that have shaped world history, putting events into perspective and creating a framework for cross-cultural comparisons, while the strong themes of traditions (the formations and exchanges) bring focus to the human experience and help turn the giant story of world history into something more manageable. With an engaging narrative, visual appeal, extended pedagogy, and a strong emphasis on critical thinking, this concise version offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike.

A Different Dimension traces the historical development of an expanded, transpersonal view of consciousness into realms that we call "spiritual." It provides a rich and vital discussion of some of the most fundamental questions of our lives: questions about the nature and capacities of the human mind, and its relation to ultimate realities. While scientifically informed, transpersonal thought challenges common assumptions of our dominant, materialistic intellectual consensus, which sees all consciousness as a product of brain function. While sympathetic to mystical experience, it seldom endorses mainstream systems of religious belief; rather, it provides intellectual substance to the trend referred to as Spiritual But Not Religious. Focusing on key figures and their seminal ideas, Mark Ryan presents a clear and graceful account of this current in psychology, from before the discovery of the unconscious in the late 19th century, through the emergence of transpersonal psychology as an organized field in the late 1960s, to its reverberations in our contemporary world. For 22 years, Mark Ryan taught American Studies and History at Yale University, where he was the long-term Dean of Jonathan Edwards College. Subsequently, he was Titular IV Professor of International Relations and History at the Universidad de las Americas, Puebla in Mexico, where he also served as Dean of the Colleges and Director of the graduate program in United States Studies. For 14 years a Trustee of Naropa University, he is certified as a practitioner of Holotropic Breathwork. Currently he teaches at the C.G. Jung Educational Center of Houston, the Wisdom School of Graduate Studies of Ubiquity University, and other venues.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Sit. Stay. LEAD! The Presidogs of the United States of Pawmerica is a re-imagining of history, telling the story of the forty-four men who have led this nation as if they were furry, fun-loving dogs. How would a rambunctious pooch have handled the Embargo Act of 1807? Or the Cuban Missile Crisis? Or a Civil War?! This coffee table book answers these questions, as well as provides the reader with an endless supply of historical and pawlitically charged puppy puns. Consti-CHEW-tion, anyone? Since every president is matched to a different breed of dog, this full color volume provides the reader with a concise personality profile for each represented breed. It's a great gift idea for animal lovers, history buffs, goofballs, hipsters, and children of all ages. Learn about history! Learn about dogs! All while laughing your silly head off. The Presidogs of the United States of Pawmerica is a guirky, educational and thoroughly adogable read for the whole family!

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Explore the changing nature of the West REVEL(TM) for The West: Encounters and Transformations examines the changing nature of Western civilization -- helping students to understand how the definition of the West has both evolved and been transformed throughout history. Focusing on the central theme of cultural encounters, authors Brian Levack, Edward Muir, and Meredith Veldman explain how the West originated and developed through a continuous process of inclusion and exclusion resulting from a series of encounters among and within different groups. REVEL for the Fifth Edition offers updated and revised content to better detail the political, social, religious, and cultural history of the regions that have been, at one time or another, considered part of the West. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.

From antiquity to the nineteenth century, the royal hunt was a vital component of the political cultures of the Middle East, India, Central Asia, and China. Besides marking elite status, royal hunts functioned as inspection tours and imperial progresses, a means of asserting kingly authority over the countryside. The hunt was, in fact, the "court out-of-doors," an open-air theater for displays of majesty, the entertainment of guests, and the bestowal of favor on subjects. In the conduct of interstate relations, great hunts were used to train armies, show the flag, and send diplomatic signals. Wars sometimes began as hunts and ended as celebratory chases. Often understood as a kind of covert military training, the royal hunt was subject to the same strict discipline as that applied in war and was also a source of innovation in military organization and tactics. Just as human subjects were to recognize royal power, so was the natural kingdom brought within the power structure by means of the king over nature served an important purpose in official renderings: as a manifestation of his possession of heavenly good fortune he could tame the natural world and keep his kingdom safe from marauding threats, human or animal. The exchanges of hunting partners—cheetahs, elephants, and even birds—became diplomatic tools as well as serving to create an elite hunting culture that transcended political allegiances and ecological frontiers. This sweeping

comparative work ranges from ancient Egypt to India under the Raj. With a magisterial command of contemporary sources, literature, and archaeology, Thomas T. Allsen chronicles the vast range of traditions surrounding this fabled royal occupation. "The Secret Rose" by W. B. Yeats. Student Study Guide and Map Exercise Workbook to accompany Traditions and Encounters, Volume 2 The Eighth Scroll

Since its publication in 1842, Dead Souls has been celebrated as a supremely realistic portrait of provincial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the seductive illogic of Chichikov's proposition. Translated from the original French edition, this is a comprehensive history of the first 25 years of the UFO phenomenon in the United state of knowledge at the time of publication, the author's conclusions are startling. (Fans of John A. Keel's four-dimensional thesis will find much to chew on in these pages.) According to the author, Paris Flammonde, the Age of UFOs began on June 24, 1947 with Kenneth Arnold's famous sighting. It reached its peak in the late 1950s, when thousands of people came down with sauceritis and began meeting the space people face-to-face. Why? The author's theory is that it was partly mass

evidence. This comprehensive book is more than just a list of interesting sightings and encounters, however. It also provides a social history of the evolution of government handling of the matter, conspiracies, and contactees. Flammonde also proposes a framework that sets the stage for the phenomenon to grow and propagate. This classic book is a must-have for all serious ufologists and UFO buffs. This is the 4"x6" paperback version. If you want the slightly larger 5"x8" version, copy and paste the ISBN number below into the Amazon search box: 978-1511863629 About this Book The Getting Out from Going Under Daily Reader for Compulsive Debtors and Spenders was written by a compulsive debtor in recovery. Life Has Surprises for Us All Studyguide for Traditions and Encounters, Volume B

In the year 2087, life happens fast. Ben Zieglar, the main character and protagonist, is a product of this situation. Ben is a manager for Benevolence Corporation (B Corp.). B Corp is one of three main corporations in The Country (formerly the USA but referred to throughout the novel as The Country). The Country has cut itself off from the world and has fallen behind quite a ways in relation to the other powers of the world. At the corporations and throughout society, there are 3 levels of people. The general advancement of mankind, control society. This is a small percent of people in The Country, less than even 0.1% of the people.On his walk home, Ben sees a lovely dark haired tan woman with Greenish-Blue Eyes. Ben doesn't talk to her and instead goes home. He then falls asleep and goes to work the next day. There at work, Ben meets his newest co-worker Jessica and they immediately hit it off. Then, the first, is the current CEO. But Vilheim 2 is starting to run the entity and was instrumental in bringing Jessica into town. Vilheim 2 is the antagonist although at first it is unclear whether he is good or evil. Ben's best friend and co-worker Wally is a little eccentric in his dress and only wears old style Vintage tuxedos. Wally has a twin brother Thomas, who is 5 minutes older than Wally. Thomas is the head of F corp. (Faction) and makes his way to town for the annual Elmore party. Wally and Thomas' relationship is strained because Thomas is a rebel and does not participate in the society of Ultra City (B Corp.) or Los Angeles (M corp.). Thomas, however, is quite smart, and due to his power, the technologically advanced societies must deal with him. Thomas meets Ben and believes he can turn Ben to the Faction. Next, a series of events is set off that threatens to unravel the delicate balance of society in the Year 2087. The Author's Book Journal
