Vietnam Travel Guide

Hanoi City - The Third Journey: 16 Tips For Amazing Trip.

Berlitz Pocket Guide Vietnam (Travel Guide eBook)

Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of

wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* Ten Years a Nomad is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. *Ten Years a Nomad* is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

Explore Vietnam is from the popular series from insight and is the ideal companion when discovering this exciting country. This itinerary-based guide provides details of the country's best routes, written by a local expert, for that personal touch and insider information. Explore Vietnam is the perfect companion when exploring this fascinating country, revealing its history and cultural flavour through appealing walks and tours, which link the sights from dynamic Ho Chi Minh City through to stunning Halong Bay. The best places to eat and drink are highlighted in each route and in the directory section, which also contains a wealth of useful practical information, including a range of carefully selected hotels to suit all budgets. All routes are plotted on the useful pull out map, and evocative photography reveals Vietnam's unique character. The stylish design, full colour photography throughout and durable, flexi bound cover makes this guide not only a pleasure to read, but also the ultimate companion when exploring Vietnam. The Local Guide to Ho Chi Minh City, Vietnam

The Rough Guide to Vietnam

VIETNAM FOR TRAVELERS. The Total Guide

The Complete Travel Guide to Da Nang and Hoi An, Vietnam

Travel Guide Vietnam, Vietnamese Vocabulary, Hanoi Travel Guide, Hanoi, Halong Bay, Motorcycle Travel.

Da Nang and Hoi An: the complete travel guide, from a local expert Da Nang is Vietnam's up-and-coming city. It offers urban excitement, Vietnamese culture largely unaffected by tourism, and stunning natural beauty. But Da Nang is in many ways still a small town, and it remains poorly documented, even in Vietnamese-language publications. This is the local's guide to Da Nang and Hoi An that includes a knowledgeable Vietnamese person's take on the best to see, do, and yes, eat and drink in Da Nang and Hoi An. Hang out where the locals hang out, make friends and see the real side of Vietnam, stay at nice hotels for under \$20 a night, know what's overpriced, and most importantly, have an amazing time in Da Nang and Hoi An.

DK Eyewitness Vietnam Penguin

Vietnam Travel Guidebook Hanoi - One Of The Asian Cities That Should Be On Your Bucket List [?] Ha Noi - Know it, Love it [?] There is an over-a-thousand-years-old city which retains many cultural imprints of its past feudal period and preserves precious historic landmarks. The BEST, Most Value Provided Vietnam Travel Guide On The Market Enough with being lost, tricked, and unsatisfied! Lost Travelers have taken out the struggle and worry of traveling by providing our travelers with all the information they need from the point they arrive to the airport till departure. We provide you with a brief history to better understand the locals and the beauty of the city, information on every type of transportation, your safety and amazing places to visit (day and night), dishes to try and much more. Why Lost Travelers Guides? Tired of long, boring, and biased guides out in the market that not only waste our time but also waste money? So were we! We continuously had to ask someone for the simplest things that could have easily been found if we could speak the language of the location, or information that should have been in the guide we were using at that time! As we continuously face this problem we decided we should create a guide that that would cover everything a traveler needs to know from the point of Arrival to Departure, and the Lost Travelers Guides were born. When having our guides created we take a lot into consideration such as time, therefore our guides are short and to the point. But mainly we ask ourselves and other travelers what we enjoy during a travel and what we wish we had known prior to visiting the location and that is where the Lost Travelers guides excels. As the Lost Travelers Guide team, we only have one goal and that is to make sure that our guides are the best out, and provides the most value available. Here Is A Quick Preview Of Our Guide Section 1: General Guide Brief History of Vietnam Geography and Climate Culture and Religion Visa and Immigration Getting to Vietnam Getting Around Accommodation Festivals and Cultural Events Survival Guide and Safety tips Travel Essentials Section 2: Travel Guide to Main Destinations Ho Chi Minh City Hanoi City The Mekong Delta Sapa Conclusion Let us guide you for a better, safer and more enjoyable trip. The Rough Guide to Vietnam is the essential guide to one of Southeast Asia's most enticing destinations. Roam the markets, temples, and shops of thousand-year-old Hanoi, and then slow down the pace with a trip to national parks or the remote highlands. The introduction will help you choose where to go and what to see, inspired by dozens of stunning photos. The Things Not To Miss section runs through all the must-sees, while the Itineraries guide you around the country's highlights. Navigation through the book and on the ground is aided by clear color maps with every chapter. Each map is keyed with all the accommodation, eating and drinking options, nightlife venues and shops that are reviewed in detail in the Listings chapters. From the rugged mountains of Ha Giang in the north to the pancake-flat Mekong Delta in the south, the honest and up-to-date appraisals in The Rough Guide to Vietnam will steer you to the best places to stay, eat, and party across every price range. Reviews take in hill-tribe homestays, quirky hostels, boutique hotels, sophisticated restaurants, and delicious street food, while informed and accessible writing covers everything from Buddhism to battlefields. This fully revised edition is full-color throughout, helping the country's tremendous food, impressive colonial architecture, and colorful customs leap from the page. Detailed color maps offer clear guidance. Make the most of your time with The Rough Guide to Vietnam.

"Lonely Planet" meets "Eat, Pray, Love" - The Solo Girl's Travel Guide is the #1 Travel Guide Book for REAL girls traveling Asia in a short amount of time on a realistic budget.

101 Coolest Things to Do in Vietnam

How to Travel the World on \$50 a Day

Lonely Planet Cambodia

Ten Years a Nomad

DK Eyewitness Travel Guide: Vietnam & Angkor Wat is your must-have companion to this beautiful part of the world. Vietnam opened its doors to tourists in the late 1980s and its appeal has grown ever since. Blessed with a long coast, the country now attracts sun-lovers and surfers, with resorts and spas sprouting all along the coast. This full-color, updated guide leads readers to it all, from the floating

markets of the Mekong Delta in the south to the hill towns in the north, and all the best beaches to be found in between. A full chapter is dedicated to Angkor in neighboring Cambodia, with the astounding temples illustrated in detail. Whether zipping around old Hanoi in a pedal-powered cyclo or dining on the exquisite local cuisine, the DK Eyewitness Travel Guide: Vietnam & Angkor Wat is indispensable.

Highlights of the guide include: -Full-color photographs, illustrations, and maps. -Cutaways and floor plans of all the major sights. -3-D aerial views of the city's most interesting districts. -Comprehensive selection of hotels, restaurants, stores, and entertainment venues. -Specially devised walking tours and so much more. DK Eyewitness Travel Guide: Vietnam & Angkor Wat-showing you what others only tell you. Now available in PDF format.

UPDATED 2017 EDITION New York Times bestseller! No money? No problem. You can start packing your bags for that trip you've been dreaming a lifetime about. For more than half a decade, Matt Kepnes (aka Nomadic Matt) has been showing readers of his enormously popular travel blog that traveling isn't expensive and that it's affordable to all. He proves that as long as you think out of the box and travel like

locals, your trip doesn't have to break your bank, nor do you need to give up luxury. How to Travel the World on \$50 a Day reveals Nomadic Matt's tips, tricks, and secrets to comfortable budget travel based on his experience traveling the world without giving up the sushi meals and comfortable beds he enjoys. Offering a blend of advice ranging from travel hacking to smart banking, you'll learn how to: * Avoid paying bank fees anywhere in the world * Earn thousands of free frequent flyer points * Find discount travel cards that can save on hostels, tours, and transportation * Get cheap (or free) plane tickets Whether it's a two-week, two-month, or two-year trip, Nomadic Matt shows you how to stretch your money further so you can travel cheaper, smarter, and longer.

This is the newly updated, 2015 version of My Saigon. My Saigon is a complete, in-depth guide to visiting Saigon, also known as Ho Chi Minh City, Vietnam. I'm a Saigon native, and in this book, I show you locals' places you won't find in any other guidebook. I got tired of seeing tourists in Saigon following incorrect information and tourist-trap recommendations in other Saigon guidebooks, so I wrote my own guidebook, one only a Saigon native could write. Do you know that Saigon locals consider Quan An Ngon (where every other guidebook tells you to go) a terrible restaurant? Do you know that near Ben Thanh Market there's a Japantown full of Vietnamese college hipsters? And that down the road there's a cluster of music bars where those hipsters see live indie rock? Do you know what the guys offering you marijuana are up to? Do you know why you would probably hate a traditional Vietnamese massage? And do you know what the women in tight dresses trying to lure you in for a "massage" are all about? (It's not what you think!) Want to go to a neighborhood Buddhist temple, far outside the tourist circuit, where you can buy beautiful jade necklaces for under \$5 USD? (The same necklaces sold at the tourist markets for \$50+ USD.) How about going to a cat cafe for college students? Want to pick up Vietnamese chicks? (Hey, I'm blunt!) Fun fact: Vietnamese people don't all eat dog meat! But do you want to know why there is zero chance of you unknowingly being served dog meat in Vietnam? I cover all these topics in My Saigon. I even cover the basics of Vietnamese language, with language use and phrases, including fun Saigon slang you won't find in any official guide, how to make sense of signs, and how to deal with numbers and currency. Don't know where to stay? I recommend one street that's full of small hotels, all around \$30 USD per night. Choose your own hotel from the many on that street, because I'm not getting paid to sell you anything. Don't know where to eat? I guide you to a few great local Saigonese restaurants, and then tell you where to find authentic Saigon food among the tourist-trap food stalls of Ben Thanh

Market. That's my Saigon. And this book will make my Saigon your Saigon.

Third Edition: Travel Cheaper, Longer, Smarter

Ho Chi Minh City - First Journey: 10 Tips For Amazing Trip

A much-needed behind-the-scenes survey of an emerging Asian power The eyes of the West have recently been trained on China and India, but Vietnam is rising fast among its Asian peers. A breathtaking period of social change has seen foreign investment bringing capitalism flooding into its nominally communist society, booming cities swallowing up smaller villages, and the lure of modern living tugging at the traditional networks of family and community. Yet beneath these sweeping developments lurks an authoritarian political system that complicates the nation's apparent renaissance. In this engaging work, experienced journalist Bill Hayton looks at the costs of change in Vietnam and questions whether this rising Asian power is really heading toward capitalism and democracy. Based on vivid eyewitness accounts and pertinent case studies, Hayton's book addresses a broad variety of issues in today's Vietnam, including important shifts in international relations, the growth of civil society, economic developments and challenges, and the nation's nascent democracy movement as well as its notorious internal security. His analysis of Vietnam's "police state," and its systematic mechanisms of social control, coercion, and surveillance, is fresh and particularly imperative when viewed alongside his portraits of urban and street life, cultural legacies, religion, the media, and the arts. With a firm sense of historical and cultural context, Hayton examines how these issues have emerged and where they will lead Vietnam in the next stage of its development.

In *Tours of Vietnam*, Scott Laderman demonstrates how tourist literature has shaped Americans' understanding of Vietnam and projections of United States power since the mid-twentieth century.

Laderman analyzes portrayals of Vietnam's land, history, culture, economy, and people in travel narratives, U.S. military guides, and tourist guidebooks, pamphlets, and brochures. Whether implying that Vietnamese women were in need of saving by "manly" American military power or celebrating the neoliberal reforms Vietnam implemented in the 1980s, ostensibly neutral guides have repeatedly represented events, particularly those related to the Vietnam War, in ways that favor the global ambitions of the United States. Tracing a history of ideological assertions embedded in travel discourse, Laderman analyzes the use of tourism in the Republic of Vietnam as a form of Cold War cultural diplomacy by a fledgling state that, according to one pamphlet published by the Vietnamese tourism authorities, was joining the "family of free nations." He chronicles the evolution of the Defense Department pocket guides to Vietnam, the first of which, published in 1963, promoted military service in Southeast Asia by touting the exciting opportunities offered by Vietnam to sightsee, swim, hunt, and water-ski. Laderman points out that, despite historians' ongoing and well-documented uncertainty about the facts of the 1968 "Hue Massacre" during the National Liberation Front's occupation of the former imperial capital, the incident often appears in English-language guidebooks as a settled narrative of revolutionary Vietnamese atrocity. And turning to the War Remnants Museum in Ho Chi Minh City, he notes that, while most contemporary accounts concede that the United States perpetrated gruesome acts of violence in Vietnam, many tourists and travel writers still dismiss the museum's display of that record as little more than "propaganda."
