It's an adventure story about a young Hero who comes from a far country to win back his lost treasure. It's a love story about a brave Prince who leaves his palace, his throne—everything—to rescue the one he loves. The best thing about this Story is—it's true! And at the center of the story there is a baby. The Child upon whom everything would depend. All the stars, mountains, oceans, and galaxies were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began. The Story of God's Love for You for teenagers and adults who want to read and learn about the story of God's love for them. Includes 44 short chapters that lead you through the beautiful story of the Bible—Genesis to Revelation. Masterfully shows how all the individual Bible stories fit together into one cohesive narrative that points to Jesus. Makes the big picture of Scripture clear to new believers, and seasoned believers fall in love with the Bible all over again. Features text from bestselling author Sally Lloyd-Jones that brings the truths of the Bible into a new light for today's world. The beauty and peace that only God's love can provide pulses through every page. Just as The Jesus Storybook Bible is an essential book for the library of every child, The Story of God's Love for You is an essential book for the library of every adolescent and adult.

Introducing the topics, themes and arguments of the most influential Hindu and Buddhist Indian philosophers, An Introduction to Indian Philosophy leads the reader through the main schools of Indian thought from the origins of Buddhism to the Saiva Philosophies of Kashmir. By covering Buddhist philosophies before the Brahmanical schools, this engaging introduction shows how philosophers from the Brahmanical schools—including Samkhya, Yoga, Nyaya, Vaisheshika, and Mimamsa, as well as Vedanta—were to some extent responding to Buddhist viewpoints. Together with clear translations of primary texts, this fully-updated edition features: • A glossary of Sanskrit terms • A guide to pronunciation • Chronological list of philosophers & works. With study tools and constant reference to original texts, An Introduction to Indian Philosophy provides students with deeper understanding of the foundations of Indian philosophy.

The concept of "funds of knowledge" is based on a simple premise: people are competent and have knowledge, and their life experiences have given them that knowledge. The claim in this book is that first-hand research experiences with families allow one to document this competence and knowledge, and that such engagement provides many possibilities for positive pedagogical actions. Drawing from both Vygotskian and neo-sociocultural perspectives in designing a methodology that views the everyday practices of language and action as constructing knowledge, the funds of knowledge approach facilitates a systematic and powerful way to represent communities in terms of the resources they possess and how to harness them for classroom teaching. This book accomplishes three objectives: It gives readers the basic methodology and techniques followed in the contributors' funds of knowledge research; it extends the boundaries of what these researchers have done; and it explores the applications to classroom practice that can result from teachers knowing the communities in which they work. In a time when national educational discourses focus on system reform and wholesale replicability across school sites, this book offers a counter-perspective stating that instruction must be linked to students' lives, and that details of effective pedagogy should be linked to local histories and community contexts. This approach should not be confused with parent participation programs, although that is often a fortuitous consequence of the work described. It is also not an attempt to teach parents "how to do school" although that could certainly be an outcome if the parents so desired. Instead, the funds of knowledge approach attempts to accomplish something that may be even more challenging: to alter the perceptions of working-class or poor communities by viewing their households primarily in terms of their strengths and resources, their defining pedagogical characteristics. Funds of Knowledge: Theorizing Practices in Households, Communities, and Classrooms is a critically important volume for all teachers and teachers-to-be, and for researchers and graduate students of language, culture, and education.

The Book of Thoth (Egyptian Tarot)

Explores the ancient myths of the goddesses, revealing their

personalities, to help women understand their own emotional patterns and to meet life's challenges

This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: * Part One: The Theory Of The Tarot. * Part Two: The Atu (Keys or Trumps). * Part Three: The Court Cards. * Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

Our hearts' desire is to have a deep and meaningful relationship with God. God desires to have a deep and meaningful relationship with us. Life gets busy, and we tend to get ourselves in the way. Where do we start? How do we get there? We are ready to take that first step but need guidance. Steps of Faith takes us through the process step by step. Each step is explained by breaking down the stories of the heroes of faith and using real-life examples. Steps of Faith walks us through cultivating our relationship with God and gives us the tools needed to keep that relationship strong. At the end, we take what we have learned and put our faith into action through a one-week step commitment. Are you ready to take that step of faith? Are you ready to answer the call that God has placed on your life? God is ready and waiting for us to follow Him.

Simple Practices for Everyday Life

The New York Times-bestselling story of kindness, friendship, and hope. Trees can't tell jokes, but they can certainly tell stories. . . . Red is an oak tree who is many rings old. Red is the neighborhood "wishtree"—people write their wishes on pieces of cloth and tie them to Red's branches. Along with a crow named Bongo and other animals who seek refuge in Red's hollows, this wishtree watches over the neighborhood. You might say Red has seen it all. Until a new family moves in. Not everyone is welcoming, and Red's experience as a wishtree is more important than ever. Funny, deep, warm, and nuanced, this is Katherine Applegate at her very best—writing from the heart, and from a completely unexpected point of view. This book has Common Core connections.

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

160 lined pages, 6 1/4" wide x 8 1/4" high (15.9 cm wide x 21 cm high). Bookbound hardcover. Elastic band place holder. Acid-free, archival paper. Inside back cover pocket. Gold foil, embossed.

Written after his wife's tragic death as a way of surviving the "mad midnight moment," *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

Before being published as a small book, these "counsels of perfection" and spiritual notes by Blessed Edward Poppe (1890-1924), a Belgian priest whose cause for canonization is under way, had been transcribed a hundred times by hand by those who had tasted their flavor, vigor, and supernatural wisdom. Fresh and luminous, this little book has been a tremendous success in Dutch, French, Italian, and German; it now appears at last in English. Responding well to the needs of the faithful, it will become an

inseperable vademecum for all those who wish to live "under the gaze of God."

Antoine de Saint-Exupéry's The Little Prince remains one of the most treasured books of all time. This commemorative kit includes: 3" light-up collectible of the Prince's cherished rose, set under a clear dome and on a base bearing the story's most famous quote: "It is only with the heart that one can see rightly; what is essential is invisible to the eye." 32-page book of quotes and full-color artwork from The Little Prince

Old-fashioned holiday charm abounds with these collectibles and their colorful portraits of ruddy-cheeked children and Santas. A joy to send or keep, reproduced directly from rare originals of 1900-30. Be inspired by Marjolein Bastin's passion for the natural world in this unique, inspirational sketchbook. The artist keeps detailed sketchbooks of the things she encounters in nature, combining both art and words. She draws inspiration from these sketchbooks to create her fully wrought, exquisitely detailed pieces of art. This book features sketches selected by Marjolein, with facing pages showing her finished art that was inspired by the sketches. Blank pages are included after each beautiful spread for the user's own drawings and thoughts. With a durable cover, an envelope in the back for nature finds, and a bound ribbon bookmark, this sketchbook is both beautiful and useful.
