

True North A Life Inside The Music Business

From the bestselling author of the "glorious, heartfelt" (Rowan Coleman, New York Times bestselling author) novel *The Magnificent Mrs. Mayhew* comes a warm-hearted tale about two people brought together by fate. Laurie and Pete should never have met. But life has a different idea. Six months ago, on the same night, Laurie and Pete both lost their partners. Overwhelmed by their grief, they join the same counselling group—and change their lives forever. From their profound sadness, Pete and Laurie begin to find happiness and healing. Except, the more they get to know one another, the more Laurie begins to spot the strange parallels in their stories. Then Pete discovers a truth that changes everything—one which threatens to reverse everything they've worked towards. But, as surely as a compass points north, some people cannot be kept apart. With Milly Johnson's signature "warm, optimistic, and romantic" (Katie Forde, bestselling author) style, *My One True North* is an unforgettable exploration of the power of love, friendship, and hope.

The author of *Legends of the Fall* presents a novel that revolves around David Burkett, a man who has grown up on Michigan's Upper Peninsula and realizes he must face the destruction caused to the region's natural environment by his ancestors. Reprint.. 35,000 first printing.

She's the only one who ever loved him—and the only one he can never have. Jude lost everything one spring day when he crashed his car into an apple tree on the side of the road. A man is dead, and there's no way he can ever right that wrong. He'd steer clear of Colebury, Vermont forever if he could. But an ex-con in recovery for his drug addiction can't find a job just anywhere. Sophie Haines is stunned by his reappearance. After a three year absence, the man who killed her brother and broke her heart is suddenly everywhere she turns. It's hard not to stare at how much he's changed. The bad boy who used to love her didn't have big biceps and sun-kissed hair. And he'd never volunteer in the church kitchen. No one wants to see Sophie and Jude back together, least of all Sophie's police chief father. But it's a small town. And forbidden love is a law unto itself. For fans of: Melanie Harlow, Corinne Michaels, Meghan March, Lauren Blakely, Julia Kent, Elle Kennedy, Tijan, CD Reiss, Kendall Ryan, Vi Keeland, Penelope Ward, Jana Aston, K Bromberg, Katy Evans, Jessica Hawkins, Kristen Proby, Penny Reid, Helena Hunting, Sally Thorne, Kristen Ashley, Helen Hoang, Kylie Scott, Christina Lauren, Jana Aston, Sawyer Bennett, Lexi Ryan, Karina Halle, Skye Warren, Kennedy Ryan, Jodi Ellen Mapas, Kristan Higgins, Jill Shalvis, Elle Kennedy. Keywords: Small town romance, Vermont romance, New England, alpha male, addiction, second chance at love, forbidden romance, family saga, rural setting, farmers, orchard, cider, romantic suspense, sexy romance, Sarina Bowen, drug addiction, Vermont, True North series, forbidden romance, contemporary romance, coming of age, wrongful imprisonment, opioid crisis.

Discover Your Values, Enrich Your Life

My name is Billy Payne. I am a 36-year-old licensed private investigator, living and sometimes working in Lancaster, Pennsylvania, about 60 miles north-west of Philadelphia. Although real-life investigative work is seldom as thrilling or as lawless as Hollywood might suggest, I have managed to stumble into several of the shoot-em-up, cop and robbers scenarios you see romanticized on the screen. For the record, I've been shot four times, stabbed twice, and broken enough bones to merit my own private room in the emergency ward at St. Joseph's Hospital. Insightfully, the nurses have stored a few extra pints of my blood type—just in case my latest case did not progress quite as smoothly as I had hoped. In my line of work, I'm afforded the opportunity to meet a great number of people—all at the absolute worst time in their lives. I've had my share of cheating spouses, insurance fraud, and custody battles. And while these cases may not have given me the greatest sense of accomplishment, they have managed to bring a steady paycheck.

*"This book was an all bases loaded grand slam!!!" —Reader review It might be a fake date, but what if he's not faking it? Loner Cole North has always been the odd guy out. His IQ is sky-high, but he's not so bright when it comes to people or relationships. Years ago, he spurned expectations, shunned his family's business, and embraced a career in construction instead. Now he values his job above everything, in part because of his secret feelings for his boss, Sierra. While he could never be right for her personally, he endeavors to be exactly what she needs professionally. Remodeler Sierra Lowell might be creative, hardworking, and a color-outside-the-lines thinker in her job, but there's one line she's never crossed. It's tough enough to be a woman in a man's job without adding sex or emotions to the mix. Smart, sexy Cole is without question her right-hand man, but the lines get blurred when Sierra's life is complicated with a wedding date crisis and the television opportunity of a lifetime. Cole impulsively steps up to be her go-to guy for both. When their fake date is interrupted by a family emergency, having Sierra at his side makes him realize there's a fine line between alone and lonely and that maybe he's ready for less of both. Can he find a way to go from being a right-hand man to the right man for her? True North is a stand-alone story with a HEA in the North Brothers series, a spin-off of the Hale Street series. Immerse yourself in the North Brothers' world instantly! If you enjoy books by Jill Shalvis, Zoe York, BJ Harvey, Piper Rayne, Molly McAdams, Lori Wilde, Melissa Foster, Bella Andre, Claudia Burgoa, Alexa Rivers, JH Croix, Kait Nolan, Christine DePetrillo, Melissa Chambers, or Amanda Torrey, chances are, you'll love Amy Knupp's Island Fire series. ***** workplace romance, boss-employee romance, heroine who heals the hero's heart, troubled hero, troubled past, sunshine and grumpy, tool belt hero, construction, opposites attract, remodeling company, fake date*

Feeling bewildered in the midst of rapid change? Let Gary Inrig show you a way to find peace, confidence, and stability. With technology, science, and medicine redefining the world in which we live, the old norms of truth, morality, and spirituality are constantly being tested. True North provides a biblical compass to help you navigate, understand, and overcome the ever-changing currents of our society.

Reflects on the topic of the archetype in psychotherapy, focusing on the myth of the hero's journey and how each archetype can be used by therapists to help their patients as well as themselves.

Finding Your Own True North

A Novel

And Helping Others Find Direction in Life

A Journey into Unexplored Wilderness

Life in a small town has always suited Paige Fredrick. She loves going to work near the

courthouse square and riding her bike nearly anywhere she chooses. But after her divorce, she can hear her neighbors' whispers and the gossip mill churning. Everett Mullins has worries of his own as he finds himself back in his hometown, providing temporary care to his ailing mother while trying to run their family farm. A chance meeting reunites him with Paige, his crush from high school. But when he discovers her little white lie, he questions what they've started building. As Paige makes a new life, can she find direction with Everett? Or has too much damage already been done to navigate a romantic relationship built on a lie?

Abandoned by her family in Plague-ridden Dominion City, eighteen-year-old Lucy Fox has no choice but to rely upon the kindness of the True Borns, a renegade group of genetically enhanced humans, to save her twin sister, Margot. But Nolan Storm, their mysterious leader, has his own agenda. When Storm backtracks on his promise to rescue Margot, Lucy takes her fate into her own hands and sets off for Russia with her True Born bodyguard and maybe-something-more, the lethal yet beautiful Jared Price. In Russia, there's been whispered rumors of Plague Cure. While Lucy fights her magnetic attraction to Jared, anxious that his loyalty to Storm will hurt her chances of finding her sister, they quickly discover that not all is as it appears...and discovering the secrets contained in the Fox sisters' blood before they wind up dead is just the beginning. As they say in Dominion, sometimes it's not you...it's your DNA. The True Born series is best enjoyed in order. Reading Order: Book #1 True Born Book #2 True North Book #3 True Storm
Designed to help individuals to define their personal values and integrate them successfully into their daily life.

While many people dream of abandoning civilization and heading into the wilderness, few manage to actually do it. One exception was twenty-four-year-old Elliott Merrick, who in 1929 left his advertising job in New Jersey and moved to Labrador, one of Canada's most remote regions. First published by Scribner's in 1933, True North tells the captivating story of one of the high points of Merrick's years there: a hunting trip he and his wife, Kay, made with trapper John Michelin in 1930. Covering 300 miles over a harsh winter, they experienced an unexplored realm of nature at its most intense and faced numerous challenges. Merrick accidentally shot himself in the thigh and almost cut off his toe. Freezing cold and hunger were constant. Nonetheless, the group found beauty and even magic in the stark landscape. The couple and the trappers bonded with each other and their environment through such surprisingly daunting tasks as fabricating sunglasses to avoid snow blindness and learning to wash underwear without it freezing. Merrick's intimate style, rich with narrative detail, brings readers into a dramatic story of survival and shares the lesson the Merricks learned: that the greatest satisfaction in life can come from the simplest things.

Finding the Essence of Aroostook

A Personal Guide

True North

Bound by Ice

Chronicles the feud between rival explorers Robert Peary and Frederick Cook, who both claimed to have reached the North Pole first, in an account that presents scientific and psychological evidence from their expeditions.

Gary Inrig throws a lifeline into the uncharted waters of the new millennium. He blends true stories of remarkable courage and integrity with practical applications from God's Word. And always, Inrig points the reader to the only constant in swirling seas of change - the Lord Jesus Christ.

The challenges we face these days are so great that we cannot rely entirely on ourselves, our communities, or our organizations to support us and help us stay on track. We need a small group of people with whom we can have in-depth discussions and share intimately about the most important things in our lives—our happiness and sadness, our hopes and fears, our beliefs and convictions. For the past thirty-five years, Bill George and Doug Baker have found the answer in what they call True North Groups. "At various times," George and Baker write, "a True North Group will function as a nurturer, a grounding rod, a truth teller, and a mirror. At other times the group functions as a challenger or an inspirer. When people are wracked with self-doubts, it helps build their courage and ability to cope." Drawing on recent research in psychology and sociology, George and Baker explain why True North Groups are so critical to helping us develop the self-awareness, compassion, emotional intelligence, and authenticity required to be inspired human beings and inspiring leaders. They cover every detail from choosing members, establishing norms, and dealing with conflicts to evaluating progress and deciding when it's time to restructure. True North Groups provides a wealth of practical resources, including suggested topics for the first twelve meetings, advice on facilitating groups, techniques to evaluate group satisfaction, and much more. For the millions of people who are searching for greater meaning and intimacy in their lives, this book will help them to grow as leaders and as people—and to stay on course to their True North.

'A great web of interconnecting sagas' - The Scotsman 'True North is a wonder-voyage - an immrama - out into the landscape of the northern regions, but also into the mindscape of those many travellers who have been drawn irresistibly northwards over the millennia. Fluent, subtle, tough and often beautiful, True North stands alongside Peter Davidson's *The Idea of North* and Joanna Kavenna's *The Ice Museum* as a significant recent addition to the Arctic canon' - Robert Macfarlane 'A deep empathy with the land and its history runs like a golden thread through every chapter of True North.' - Sara Wheeler, *The Spectator* Gavin Francis is an accomplished teller of traveller's tales. His nuanced, often witty, observations of the people and places he encounters mean True North really gets under the skin of Europe's magical north' - *Sunday Herald* The stark, vast beauty of the remote Arctic Europe landscape has been the focus of human exploration for thousands of years. In this striking blend of travel writing, history and mythology, Gavin Francis offers a unique portrait of the northern fringes of Europe. His journey

begins in the Shetland Isles, takes him to the Faroes, Iceland, Greenland, Svalbard and on to Lapland. Following in the footsteps of the region's early pioneers, Francis observes how the region has adapted to the 21st century, giving an observed insight into the lives of people he encounters along the way. As with all the best travel writing, "True North" is an engaging, compassionate tale of self-discovery, whilst blending historical and contemporary narratives in the tradition of Bruce Chatwin and Robert Macfarlane.

True North #3

Choosing God in the Frustrations of Life

A History of One Small Corner of the Adirondacks

An evocative and personal history of a unique historic place in the Adirondacks. In 1968 Fran and Jay Yardley, a young couple with pioneering spirit, moved to a remote corner of the Adirondacks to revive the long-abandoned but historic Bartlett Carry Club, with its one thousand acres and thirty-seven buildings. The Saranac Lake-area property had been in Jay's family for generations, and his dream was to restore this summer resort to support himself and, eventually, a growing family. Fran chronicles their journey and, along the way, unearths the history of those who came before, from the 1800s to the present. Offering an evocative glimpse into the past, Finding True North traces the challenges and transformations of one of the world's most beautiful, least-celebrated places and the people who were tirelessly devoted to it. "Fran Yardley is a superb storyteller, and this is a superb story—of a camp and of a marriage, illuminating a key corner of the slightly out-of-time paradise that is the Adirondacks." — Bill McKibben, author of Radio Free Vermont: A Fable of Resistance "Fran Yardley has given us an emotionally moving book, combining memoir and Adirondack history. With a singular and powerful voice, in a tightly organized narrative, she deftly weaves together two distinct strands: her own remarkable story and the history of Bartlett's Carry." — Philip Terrie, author of Seeing the Forest: Reviews, Musings, and Opinions from an Adirondack Historian "Fran Yardley—storyteller, actress, writer, and stalwart Adirondacker—takes us behind the balsam curtain to a truly magical place on the Saranac Lakes. Finding True North is the tale of families, forests, tragedy, and triumph told from the heart with deep insight. It's a terrific, immersive read." — Elizabeth Folwell, editor-at-large, Adirondack Life "Gifted storyteller Fran Yardley has harnessed her many voices to the printed page in this remarkable memoir. Yardley interweaves her firsthand experience hinged to historic documentation with her imagination as she reveals the lives and ways of those who went before and coexisted with her and Jay Yardley at Bartlett Carry. Finding True North is a must-read love story about Adirondack place and people." — Caroline M. Welsh, Director Emerita, Adirondack Museum "In Finding True North, Fran Yardley has produced an immediate and necessary addition to the body of Adirondack literature and history. Long in the making, it is beautifully written, authoritative, and moving." — Christopher Shaw, author of Sacred Monkey River: A Canoe Trip with the Gods and former editor of Adirondack Life "Author and master storyteller Fran Yardley tells of the early history of the aquatic Adirondack crossroads known as Bartlett Carry, the later history of the place as a club for families eager to swap conventional orbits outside the mountains for the natural world within, and the reinvention of the place by the author and her visionary late husband, Jay. The stories that flow together here touch the heart and bring the reader to tears and laughter. For lovers of the Adirondacks and particularly for those keen on understanding how the past shapes the present and the future, this is a must read." — Ed Kanze, author of Adirondack: Life and Wildlife in the Wild, Wild East The great escape of the African slaves out of bondage in the South in the 1850s and 1860s is told through the dramatic, danger-filled story of one young man, Tice, who flees from his master's plantation in Maysville, Kentucky. After he swims the Ohio River to Ripley, Ohio, Tice is connected to a network of people who rush him northeastward, ever northeastward toward New Brunswick, Canada. All along the way he is pursued by the ruthless Morgan, his master's foreman. Christian and Jewish families, even Henry David Thoreau, help the God-fearing, 19-year-old Tice who they find likeable, friendly and even funny despite his life of misery. Near the end of Tice's journey, one teenage boy in an "underground railroad" family becomes particularly close to him and another escaping slave who has renamed himself "Freeborn." This boy, Caleb Chadwick, is instrumental in the penultimate leg in Tice and Freeborn's escape when he takes them via horse-drawn wagon from Vassalboro to Bangor, Maine. As the slaves board a canoe to escape upriver, Morgan catches up and, in a battle to the death, the righteous prevail. "True North" is a prequel to "The Last Aliyah," when Tice's and Caleb's descendants team up as part of a modern-day "underground railroad" to help Jews escape America when the United Nations—with American acquiescence—bans Jewish emigration to Israel.

Wes Emerson is at the pinnacle of his career. The Australian actor has more fame, money, and adoring women than he knows what to do with. Too much. What better place to decompress, than an exclusive lodge in Alaska's Far North? But when his brother backs out at the last minute, and a snarky New York nurse snags the vacancy, she challenges everything Wes knows of himself. ?Lena Hamilton didn't plan on a forced leave of absence from work, nor did she expect to wind up in Alaska. Trapped in the crossroads of ambition and self-preservation, the Manhattan trauma nurse has two weeks to decide the future of her career. When Lena finds herself at a remote lodge with THE Wes Emerson, her job is the last thing on her mind. While she can't control her body's response to the panty-melter, she'll be damned if she opens her heart. Fiercely independent, Lena is nothing like the women Wes is used to. She calls his every bluff, pushing buttons he didn't know he had. And as the growly alpha inside Wes begins to pace, Lena doesn't just rattle his cage, she bites back, making him want things he'd sworn off for years. When they land at the mercy of the Alaskan wilderness, Lena and Wes quickly learn Mother Nature doesn't pull her punches. They find their True North in each other, but can they make it out alive?

A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading

a large organization, The Discover Your True North Fieldbook will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, Discover Your True North by Bill George. It shares the most powerful insights that coauthors Nick Craig, Bill George, and Scott Snook have learned from helping more than 10,000 leaders discover and live up to their fullest potential. Each chapter contains potent exercises that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an authentic leader. We offer an identity-based approach to leader development. Rather than telling you how to lead, the Fieldbook guides you through an intimate process of personal discovery. By understanding your life story and sharpening your personal narrative, you will discover the unique leader you were meant to be. On the way, you will work through the same lessons taught to MBA students at Harvard Business School, as well as senior executives in many Fortune 100 companies. The Discover Your True North Fieldbook will help you: Become more self-aware and self-accepting Locate that sweet spot at the intersection of your passions and strengths Identify and lead from your core values when it matters most Build a robust support team to guide you through difficult times Discover your leadership purpose, the essence of who you are, your True North Stay grounded by integrating all aspects of your life Grow as a global leader Help others become authentic leaders To help you actually live your True North, this Fieldbook concludes by offering a rigorous, step-by-step process that generates a customized, behaviorally anchored Personal Leadership Development Plan. This plan not only summarizes and integrates everything you've learned completing this Fieldbook, but does so in a way that supports immediate action and impact. Welcome to your journey toward authentic leadership. Welcome to your True North. Visit www.DiscoverYourTrueNorth.org to learn more.

A Life Inside the Music Business

A Novel of the Underground Railroad

A Powerful Path to Personal and Leadership Development

Trusting True North

My One True North

Melting sea ice and rumbling volcanoes. Sled dogs racing through unnamed valleys. These were the images that came to mind when Molly Rettig moved to Fairbanks, Alaska to work as a reporter at the local newspaper. An avid environmentalist, she couldn't wait to explore the vast, untamed spaces that had largely been paved over on the east coast. But when her 72-year-old neighbor, Clutch, invites her on a tour of his gold mine—an 800-foot tunnel blasted into the side of his house—she begins to question many of her ideas about Alaska, and about herself. In *Finding True North*, Rettig takes us on a gripping journey through Alaska's past that brings alive the state's magnificent country and its quirky, larger-than-life characters. She meets a trapper who harvests all she needs from the land, a bush pilot who taught himself how to fly, and an archaeologist who helped build an oil pipeline through pristine wilderness. While she learns how airplanes, mines, and oil fields have paved the way for newcomers like herself, she also stumbles upon a bigger question: what has this quest for Alaska's natural resources actually cost, and how much more is at stake? This is a book about all the ways wild places teach us about ourselves. Rettig writes both playfully and honestly about how one place can be many things to many people—and how all of it can be true.

True North is the inspirational Canadian Chapter of Jill Ker Conway's life story, which began with her much love, bestselling memoir, *The Road from Coorain*. Beginning with her departure from Australia, Jill Ker Conway tells of her romance with Harvard House Master John Conway, of coming to grips with his manic-depressive disorder, and of their move to Canada in 1964 where she became the first female vice-president at the University of Toronto. In this vibrant memoir, we watch as a most private woman makes of herself a public persona in Canada.

A Kirkus Reviews Best Children's Book This thrilling and terrifying true story of the 1879 search for the North Pole follows the frightening fates of the USS Jeannette crew as disaster strikes -- and the men battle to survive two years bound by ice. In the years following the Civil War, "Arctic fever" gripped the American public, fueled by myths of a fertile, tropical sea at the top of the world. *Bound by Ice* follows the journey of George Washington De Long and the crew of the USS Jeannette, who departed San Francisco in the summer of 1879 hoping to find a route to the North Pole. However, in mid-September the ship became locked in ice north of Siberia and drifted for nearly two years before it was crushed by ice and sank. De Long and his men escaped the ship and began a treacherous journey in extreme polar conditions in an attempt to reach civilization. Many—including De Long—did not survive. This true story for middle graders keeps readers on the edge of their seats to the very end. Includes excerpts from De Long's extensive journals, which were recovered with his body; newspapers from the time; and photos and sketches by the men on the expedition. Because of the strong influence which her grandfather, an abolitionist, has in her life, fourteen-year-old Lucy assists a fugitive slave girl in her escape.

Keepsake

The Discover Your True North Fieldbook

Finding Your True North

A True North Novel

Bountiful

What happens when a bad-boy celebrity rocker meets a small-town bestselling novelist? Find out in this first book in the sizzling new True series by Liora Blake, and check out First Step Forward, the first book in Liora's all-new Grand Valley series! While most novelists would consider jetting off to Hollywood for a TV interview rather exciting, small-town Montana writer Kate Mosely finds it all a bit exhausting. After losing her husband in a car accident where she was behind the wheel, Kate has finally found her bearings in the world again, rebuilding a simple but stable life. And even if that means a lot of lonely nights watching old movies and quiet days writing obituaries for her hometown newspaper, Kate's not sure she's ready for her life to change—again. Until she

shares the stage—and a whole heap of carnal gazes—with rock star Trevor “Trax” Jenkins. Despite his intimidating on-stage bravado, underneath it Kate discovers a man with a Rilke poem tattooed on his arm, an appreciation for cronuts, and a snarky wit that matches her own. As she and Trevor explore their heated chemistry, the scarred parts of Kate’s heart begin to heal, making room for a love so passionate it makes her want long-forgotten things equal parts naughty, heart-swelling, and joyful. But when a searing exposé in a trashy gossip magazine sends Kate running, will it threaten their chances at forever?

True North shows how anyone who follows their internal compass can become an authentic leader. This leadership tour de force is based on research and first-person interviews with 125 of today’s top leaders—with some surprising results. In this important book, acclaimed former Medtronic CEO Bill George and coauthor Peter Sims share the wisdom of these outstanding leaders and describe how you can develop as an authentic leader. True North presents a concrete and comprehensive program for leadership success and shows how to create your own Personal Leadership Development Plan centered on five key areas: Knowing your authentic self Defining your values and leadership principles Understanding your motivations Building your support team Staying grounded by integrating all aspects of your life True North offers an opportunity for anyone to transform their leadership path and become the authentic leader they were born to be. Personal, original, and illuminating stories from Warren Bennis, Sir Adrian Cadbury, George Shultz (former U.S. secretary of state), Charles Schwab, John Whitehead (Cochairman, Goldman Sachs), Anne Mulcahy (CEO, Xerox), Howard Schultz (CEO, Starbucks), Dan Vasella (CEO, Novartis), John Brennan (Chairman, Vanguard), Carol Tome (CFO, Home Depot), Donna Dubinsky (CEO/cofounder, Palm), Alan Horn (President, Warner Brothers), Ann Moore (CEO, Time, Inc.) and many others illustrate the transitions that shape the type of leaders who will thrive in the 21st century. Bill George (Cambridge, MA) has spent over 30 years in executive leadership positions at Litton, Honeywell, and Medtronic. As CEO of Medtronic, he built the company into the world’s leading medical technology company as its market capitalization increased from \$1.1 billion to \$60 billion. Since 2004, he has been a professor at the Harvard Business School. His 2004 book *Authentic Leadership* (0-7879-7528-1) was a *BusinessWeek* bestseller. Peter Sims (San Francisco, CA) established “Leadership Perspectives,” a course on leadership development at the Stanford Graduate School of Business and cofounded the London office of Summit Partners, a leading investment firm. Their Web site is www.truenorthleaders.com.

Revised edition of the author's *Finding your true north*, 2008.

One of the all-time greats in Canadian music recounts his life and times in the business from the 1960s to the present. Whether acting as a producer, record label owner, or manager of great singer/songwriters and bands, Bernie Finkelstein, recipient of the 2006 Juno Special Achievement Award, has played a pivotal role in bringing great Canadian music to the rest of the world. Bernie Finkelstein has been a prominent figure in the Canadian music industry for nearly five decades. Now, a couple years after selling his beloved True North label and only recently stepping down from his role at MuchFACT, which has given out more than \$63 million in grants to Grammy-winning acts like Sarah McLachlan, Nelly Furtado and Arcade Fire, Bernie is finally ready to talk. In this wildly entertaining and outspoken memoir, the producer, label owner, and artist manager opens up about his childhood, breaking into the Greenwich Village scene with The Paupers at age 19, discovering Bruce Cockburn, producing the “loudest band in the world,” Kensington Market, managing and producing Murray McLauchlan, Blackie & The Rodeo Kings, and Rough Trade, winning 40 Junos, and much more.

Discovering God's Way in a Changing World

First-Hand Stories of the Booms that Built Modern Alaska

Finding True North

True North #2

A Memoir

Another standalone romance in Sarina Bowen's USA Today bestselling series! Lark Wainright used to be fearless. She led her life as a series of adventures, each one more exhilarating than the last. But her last overseas adventure was one too many. She’s safe now, but her family is still consumed with worry and her nights are filled with terror. When her best friend offers her a stay at the orchard in exchange for help at the farmers’ markets, Lark jumps into her little car and heads to Vermont. But her night terrors don’t stop. Desperate to keep her fragile state a secret, she relies on the most soft-spoken resident of the Shipley Farm to soothe her when her dreams prove too much. Zachariah is a survivor, too. It’s been four years since he was tossed aside by the polygamist cult where he grew up. He’s found a peaceful existence on the Shipley’s farm. He’s good with animals, and he’s good with his hands. But getting thrown away by your own people at nineteen leaves a mark on a guy. He doesn’t always know what to make of a world where movie quotes are the primary means of communication. Before hitchhiking to Vermont, he’d never

watched TV or spoken on the phone. Actually, there are a lot of things he's never done. Zach and Lark slowly grow to trust one another. One night they become even closer than they'd planned. But Lark may still be too broken to trust anyone. When she pushes Zach away, he will have to prove to himself that he's good for more than farm labor. Praise for the True North series: "Utterly fantastic. Well-written romance that runs the full gamut of emotions. Oh, and did I mention steamy? This series has it all." — Red Hot & Blue Reads "I'm crazy about this series. In love with Jude and Sophie, the Shipley's, just the whole family dynamic. EVERYTHING IS WOW." — Angie's Dreamy Reads "A world that pulled me in and had me wishing I could read all day!" — Shh Mom's Reading "5-stars, Top Pick! This story will break your heart and stitch it back together again." — Harlequin Junkie "Another fantastic book by Sarina Bowen! I couldn't turn the pages fast enough." — The Book Hookup "Smart, funny and super sexy, Bittersweet is full of the kind of writing that makes Sarina Bowen one of my favorite author crushes." —Author Sarah Mayberry For fans of: Melanie Harlow, Corinne Michaels, Meghan March, Lauren Blakely, Julia Kent, Elle Kennedy, Tijan, CD Reiss, Kendall Ryan, Vi Keeland, Penelope Ward, Jana Aston, K Bromberg, Katy Evans, Jessica Hawkins, Kristen Proby, Penny Reid, Helena Hunting, Sally Thorne, Kristen Ashley, Helen Hoang, Kylie Scott, Christina Lauren, Jana Aston, Sawyer Bennett, Lexi Ryan, Karina Halle, Skye Warren, Kennedy Ryan, Jodi Ellen Mapas, Zoe York, Kristan Higgins, Jill Shalvis. Keywords: virgin hero, survivors, cult members, kidnapping, contemporary romance, PTSD, Vermont, coming of age.

One of the all-time greats in Canadian music recounts his life and times in the business from the 1960s to the present. Whether acting as a producer, indie record label owner (True North), or manager of great singer/songwriters and bands, such as Bruce Cockburn, Sarah McLachlan, Rough Trade and k-os, Bernie Finkelstein is a sterling example of a Canadian music management legend.

Northern Maine retains qualities of life that many people long for in today's world. The pace can be slower, nature is close, the beauty is breathtaking, and the people are authentic. Kathryn Olmstead, a transplant from Michigan more than forty decades ago, considers it a place mysterious to those who have not been there and unforgettable to those who have. Her collection of essays gleaned from her years writing for Echoes magazine and the Bangor Daily News share her introductions to rural life and wildlife in an attempt to reveal the universal in the particular--the night sky and ice-out, the people and their cultural roots, and the intimacy with nature in every season. The title True North describes the quality of life portrayed in Olmstead's essays--an orienting point, internal and geographic, that keeps a person on track in a world sometimes at odds with nature and with basic human goodness. Combined they affirm that traditional values are still alive in places like Aroostook County, Maine.

True North Vincent feels lost and uneasy after the fear of a virus closes the border, meaning her mom can't return home from Canada. With her father working long hours as a nurse helping people who are sick with the virus, she's left at home with her grandma, who doesn't have the energy to keep up with True's adventures, or her older sister, always focused on her phone, or Georgie, her younger brother, whose severe asthma makes him more vulnerable to the virus. True is lonely and sometimes gets angry because she feels forgotten and unheard. True's mom tries to talk to her by phone, but True refuses; she just wants her mom home in-person, not just her voice. True finds escape and comfort in working on her maps, a skill she learned from her mother who is a cartographer. Not only does it fulfill her remote learning class assignment, but it helps to pass the time in isolation. She also creates an elaborate treasure map for Georgie that spans the entire thick forest beyond her backyard. While exploring, True finds the new kid, Kyler, playing tenderly with a litter of newborn kittens in an old barn. Kyler knocked out Dakota Sullivan's tooth during a fight and has a reputation of being a bully, so True waits until he's gone before approaching the kittens. The smallest kitten, the runt of the litter, looks sickly and has been abandoned by the mama cat. True names her Teacup; she knows exactly how it feels to not have a mom around when you need her most. As Teacup's health worsens, True attempts to nurse the cat back to health by herself. Just when True thinks she and Kyler could be friends over their concern for Teacup, he starts acting strange and doesn't return her calls. To make matters worse, True's dad gets sick and must stay at the hospital, and then Georgie gets lost in the forest, and then their elderly neighbor gets the virus. True feels even more scared and alone. Running out of her own fixes and remedies, True reaches out and realizes that her family does care about her and wants to offer support and guidance to help her find her way through the unexpected challenges the virus and life bring.

Waylaid

Tice's Story

A True North Pole Survival Story

Ten Admirals and the Voyage of Character

Sailing True North

Bestselling author Bill George (True North 150,000 copies sold) and long-time corporate executive Doug Baker have participated for decades in a unique small group of peers dedicated to personal growth and leadership development. In this book they provide the first practical guide - including detailed instructions, rules, and resources - for anyone to start and manage such a group on their own.

Another epic love story in the USA Today bestselling series! Skye Copeland is on paid leave from her broadcasting job after accidentally drawing a wiener on the traffic map. As if it's her fault the traffic pattern created a perfect schlong? Skye isn't laughing. She needs this job. And that's the only reason she's willing to chase down a story in her least favorite place—that hell on earth known as Vermont. A quick trip. In and out. Much like - never mind. She can sneak into the town that once tried to break her, get the story and slide back into the good graces of her producer. Easy peasy. But things go sideways the moment she steps over the county line. Her stepsister is running from a violent drug dealer. And the cop on the case is none other than Benito Rossi, the man who broke Skye's teenage heart. His dark brown eyes still tear her apart. And even as she steels herself to finally tell him off after twelve years, the old fireworks are still there. Things are about to go boom. For fans of: Melanie Harlow, Corinne Michaels, Meghan March, Lauren Blakely, Julia Kent, Elle Kennedy, Tijan, CD Reiss, Kendall Ryan, Vi Keeland, Penelope Ward, Jana Aston, K Bromberg, Katy Evans, Jessica Hawkins, Kristen Proby, Penny Reid, Helena Hunting, Sally Thorne, Kristen Ashley, Helen Hoang, Kylie Scott, Christina Lauren, Jana Aston, Sawyer Bennett, Lexi Ryan, Karina Halle, Skye Warren, Kennedy Ryan, Jodi Ellen Mapas,

Keywords: Vermont, sexy romance, foodies, lumbersexuals, big families, lumberjacks, not quite cowboys, Western romance, mountain men, friends to lovers, enemies to lovers, alpha male, grumpy hero, second chance romance, New England romance, policemen, hard cider, protector hero, ex military romance, free romance, steamy kisses and homemade ice cream, rural settings, small town romance.

It's a tale as old as time: the bad boy meets the good girl. He makes a daring proposition. Then the boy gets a mysterious head injury and loses a year of his life... The first time I meet Rickie, I don't know what to make of him. The second time we meet, he doesn't remember the six hours we spent together. Or standing me up afterward. I'm not the same, either. I've got secrets. I've told lies. Bad boys aren't my type, anyway. Even the ones with troubled gray eyes. But now we're roommates. Cue the awkward moments in the hallway when he's wearing only a towel and a smile. He's determined to win me over, and his talented hands weaken my resolve. It's all fun and games until my past rears its ugly head and his secrets come to light, shaking our fragile connection, maybe even breaking it... Note: this is Daphne Shipley's story. Contents include Vermonty ice cream flavors, nerdy awkwardness, tattoos, and a playboy grandpa. ***

For six years Bailey Lockhart has lived alone in the Alaskan bush, supporting herself from the cockpit of a floatplane. She is the only white woman in a land owned by the local Ingalik tribe; her closest neighbor is a fellow bush pilot and activist named Kash. Bailey and Kash are drawn to each other, but their fiercely independent natures keep them apart. When two Easterners hire Bailey to pilot them into the bush, a series of events is set in motion that will upset the delicate racial balance of the land and lead to violence. As the truth behind the couple's arrival becomes apparent, the refuge Bailey has created for herself shatters. Forced to face the demons of her unresolved past, she is given a chance to free herself at last from the secret that haunts her. Marked by spare, resonant prose and imbued with an indelible sense of place, True North tells a powerful story of adventure and survival. It is a welcome debut by a gifted new voice in literary fiction.

Fireworks

From one of the most distinguished admirals of our time and a former Supreme Allied Commander of NATO, a meditation on leadership character refracted through the lives of ten of the most illustrious naval commanders in history In *Sailing True North*, Admiral Stavridis shares lessons of leadership and character from the lives and careers of history's most significant naval commanders. He also brings a lifetime reflection to bear on the subjects of his study--naval history, the vocation of the admiral, and global geopolitics. Above all, this is a book to help you navigate your own life's voyage: the voyage of leadership of course, but more important, the voyage of character. *Sailing True North* helps us find the right course to chart. Simply as epic lives, the tales of these ten admirals offer up a collection of the greatest imaginable stories. Moreover, spanning 2,500 years from ancient Greece to the twenty-first century, *Sailing True North* is a book that offers a historical world through the prism of our greatest naval leaders. None of the admirals in this volume were perfect, and some were deeply flawed. From Themistocles, Drake, and Nelson to Nimitz, Rickover, and Hopper, important themes emerge, not least that serving your reputation is a poor substitute for serving your character; and that taking time to read and reflect is not a luxury, it's a necessity. By putting us on the shoulders of historic leaders in the maritime sphere he knows so well, James Stavridis gives us a compass that can help us navigate the story of our lives wherever that voyage takes us.

Every day we face some kind of frustration: flat tires, flooded basements, wounding words, a broken body, a troubled marriage—troubles of all shapes and sizes and can happen when we least expect it. While everyone struggles, few people have learned to struggle well. But it is possible! Frustrations arise when we look to people and things of this world to fill our desires, rather than to the only One who can help us. True North offers a unique, biblical paradigm that gives understanding and help to turn to God in the frustrations of life. Frustrations cause us to “go south” and react in the flesh. We grumble and grasp. God calls us to “go north” and respond to hardship with wisdom and redemptive love. Combining biblical insight with personal stories, practical help, and compelling examples, authors Gary and Lisa Heim encourage readers to turn from self-centered grumbling and grasping to Christ-centered gratitude and giving. As they read stories of hardships and trials, successes and profits, readers will see how frustrations can actually help them grow in their personal lives, in their marriages,

parenting, and in their ministries. Believing that learning to live for God through all of life's frustration is an intentional activity for ever Heims also provide discussion questions at the end of each chapter to help readers apply biblical truths to situations where frustration Perfect for use in ministry settings or as a handbook for personal growth, Truth North shows readers how to embark on the life-giving of walking with God.

Life has always been difficult and dangerous for those living on and around the Turtle Mountain Reservation. Everyone has a story. Everyone has a secret. Everyone thinks they're only connected to their neighbors by the isolated, peculiar town they share. Orphaned Sioux Ida Florence Shay is determined to escape the life before her, but her course of action only draws her into a world of increasing conflict and deeper pain. Young Fawn Breen appears as if she is from a different century. With her primitive, animalistic father as her only companion, she is forever after herself when she is thrust into society. Harold Peavey is an idealistic young man who finds his views of the world in severe conflict around him, facing ostracism by his community when he refuses to abandon his beliefs. Enduring mistakes, tragedies, secrets, and long grudges spanning the 1930s-1960s that have permanently marked them, these three Great Plains farm families clash together as they survive and find their way in an ever-changing world.
