Do Right, Fear Nothing. Sam Hopkins is a good kid who has fallen in with the wrong crowd. Hanging around with car thieves and thugs, knows it's only a matter of time before he makes one bad decision too many and gets into real trouble. But one day, Sam sees these friends harassing an eccentric schoolmate named Jennifer. Finding the courage to face the bullies down, Sam loses a bad set of friends and acquires a very strange new one. Jennifer is not just eccentric. To Sam, she seems downright crazy. She has terrifying hallucinations involving demons, the devil, and death. And here's the really crazy part: Sam is beginning to suspect that these visions may actually be prophecies—prophecies of something terrible that's going to happen very soon. Unless he can stop it. With no one to believe him, with no one to help him, Sam is all alone in a race against time. Finding the truth before disaster strikes is going to be both crazy and very, very dangerous. "The adrenaline-charged action will keep you totally immersed." —RT Book Reviews

Jay Crownover's New York Times and USA Today bestselling Marked Men series continues with the much anticipated story of southern charmer and certified criminal Asa Cross. Starting over in Denver with a whole new circle of friends and family, Asa Cross struggles with being the man he knows everyone wants him to be and the man he knows he really is. A leopard doesn't it change its spots and Asa has always been a predator. He doesn't want to hurt those who love and rely on him, especially one luscious arresting cop who suddenly seems to be interested in him for far more than his penchant for breaking the law. But letting go of old habits is hard, and it's easy to hit bottom when it's the place you know best. Royal Hastings is quickly learning what the bottom looks like after a tragic situation at work threatens not only her career but her partner's life. As a woman who has only ever had a few real friends she's trying to muddle through her confusion and devastation all alone. Except she can't stop thinking about the sexy southern bartender she locked up. Crushing on Asa is the last thing she needs but his allure is too strong to resist. His long criminal record can only hurt her already shaky career and chasing after a guy who doesn't respect for the law or himself can only end in heartbreak. A longtime criminal and a cop together just seems so wrong . . . but for Asa and Royal, being wrong together is the only right choice to make.

Quilty as Charged is not a history or how-to-guide; it is a collection of many small stories, including Gillespie's, stitched together in the fashion of quilting, separate scraps made into a cohesive cloth.

"You've done better." With one uncharacteristically sassy tweet to her longtime celebrity crush, Zoe Miller's life turns upside down. Ultimate lister Chase Covington doesn't just respond to Zoe's tweet, he does the unthinkable: he messages Zoe directly. Now she must decide between walking away or meeting her crush in person. Chase knows better than to trust anyone from the Internet, but Zoe's saucy charm has totally caught his interest--and her girl-next-door personality is keeping it. He's been burned enough to know he needs to keep her close. But his feelings for Zoe might be a lot more than just an online flirtation. He just has to convince her... When the press gets wind of Zoe and Chase's secret relationship, their romance turns into tabloid headlines. Will they be able to hold on to their Hollywood love story?

Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. But there's a new player in the game, and she's much too innocent, much too soft...and standing directly in his way. Dovie Pryce knows all about living a hard life and the tough choices that come with it. She's always tried to be good, tried to help others, and tried not to let the darkness pull her down. But the streets are fighting back, things have gone from bad to worse, and the only person who can help her is the scariest, sexiest, most complicated ex-con *The Point* has ever produced. Bax terrifies her, awakening feelings she never thought she'd have for a guy like him. But it doesn't take Dovie long to realize . . . some boys are just better when they're bad.

But when I take a nanny job to be near my pregnant sister, I swear to myself I'll walk the straight and narrow, which means I cannot fall for my insanely hot boss. I don't want to be tempted by that rugged rancher. By his chiseled muscles or southern charm or the way he snuggles his kids at bedtime. Ethan Carter won't get the key to my heart, no matter how much I want him. Ethan... Between us, she's the last thing I need as I finalize my hellish divorce. What sane man trying to rebuild his life wants a hot nanny with long, sexy hair, curves for miles, and a smart mouth? A perfectly kissable, pouty mouth that I shouldn't notice. NEW COVER Touring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again... ***Because of language and adult situations not suitable for readers under 17***
