mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously

wounded stranger.
In his arms is the
lifeless body of a
small child. Hours
later, the girl stirs,
takes a breath and
returns to life. Is it a
miracle? Is it magic?
Or can science
provide an
explanation? These
questions have
many answers,

some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer

the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter,

But the return of a

past losses, no
matter how precious
the child herself, this
girl cannot be
everyone's. Each
family has mysteries
