***The 13 essays in this volume explore Stephenie Meyer's wildly popular Twilight series in the contexts of literature, religion, fairy tales, film, and the gothic. Several examine Meyer's emphasis on abstinence, considering how, why, and if the author's Mormon faith has influenced the series' worldview. Others look at fan involvement in the Twilight world, focusing on how the series' avid following has led to an economic transformation in Forks, Washington, the real town where the fictional series is set. Other topics include Meyer's use of Quileute shape-shifting legends, Twilight's literary heritage and its frequent references to classic works of literature, and the series' controversial depictions of femininity.***

Ballads are the kind of songs that Kara McNaughton likes best. Not the clichéd ones where a diva hits her dramatic high note or a rock band tones it down a couple of notches for the ladies, but the true ballads: the punk rocker or the country crooner reminding their listeners of the numerous ways to screw things up. In high school, Kara helped maintain the "Stories of Suburbia" notebook, which contained newspaper articles about bizarre, tragic events from suburbs

all over America, and personal vignettes that Kara dubbed "ballads" written by her friends in Oak Park, just outside of Chicago. But Kara never wrote her own ballad. Before she could figure out what her song was about, she left town suddenly at the end of her junior year. Now, four years later, Kara returns to her hometown to face the music, needing to revisit the disastrous events that led to her leaving, in order to move on with her life. Intensely powerful and utterly engaging, *Ballads of Suburbia* explores the heartbreaking moments when life changes unexpectedly, and reveals the consequences of being forced to grow up too soon.

has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1

fiction from the Balkans, “sly, uncommon stories” by “a major talent” (Jeff VanderMeer, award-winning author of *Hummingbird Salamander*). *Mars* showcases a series of unique and twisted universes, where every character is tasked with making sense of their strange reality. One woman will be freed from purgatory once she writes the perfect book; another abides in a world devoid of physical contact. With wry prose and skewed humor, an emerging feminist writer explores twenty-first century promises of knowledge, freedom, and power. “Bakic’s stories are a dark delight—a treasury of forbidden pleasures, moments of resistance and resilience, and terrifying possibilities.” —*Strange Horizons* “At turns funny, surreal, and grounded in simple language but flung through twisted realities, the stories in this collection are provocative and utterly readable.” —*The Brooklyn Rail* “Skillfully disorienting.” —*BUST* “There’s an immediacy to Bakic’s offbeat worldview, sometimes strange and surreal, sometimes terrifying and upsetting, that pairs perfectly with the madness of the

current political moment.” –Locus Magazine “Bosnian writer Bakic’s debut teems with the oddball narratives of George Saunders, the eerie atmosphere of Edgar Allan Poe, and the feminist intellect of Marge Piercyc. . . Told in a straightforward manner that transports speculative fiction into almost realist territory, Bakic’s collection imaginatively and strikingly examines sci-fi tropes from not only the point of view of women, but also from the voice of an effortlessly gifted writer whose future is much brighter than that of those depicted in her stories.”

*The Boys stands alone. A delightful, warm and fascinating story of a good life in show business.” — Malcolm Gladwell Happy Days, The Andy Griffith Show, Gentle Ben—these shows captivated millions of TV viewers in the '60s and '70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. “What was it like to grow up on TV?” Ron Howard has been asked this question throughout his adult life. In The Boys, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing Opie on The Andy Griffith Show and Richie Cunningham on Happy Days offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as Gentle Ben and Star Trek petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint as a busy character actor—the Howard brothers delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint’s teacher, sage, and moral compass. Jean became their loving protector—sometimes over-protector—from the snares and traps of Hollywood. Love between a teenage girl and a vampire can be a beautiful thing. Then again, it can get a little ugly. Just ask Stella Crow. Stella is a clumsy but otherwise ordinary girl whose life takes a radical turn the moment she meets Edweird. Though perfect on the outside, Edweird Sullen is remarkably unrefined on the inside. He also happens to be a one hundred year old vampire, trapped in the body of a teenage boy, who has yet to finish high school. Nonetheless, Stella is unconditionally smitten with him. But not everything is rosy in this gloomiest of towns.

Edweird's enemies have sworn to put a tragic end to their romance. Against all odds, the bond between Stella and Edweird is nearly strong enough for their love to survive. Most love stories between an impossibly handsome vampire and an ungainly young woman have a magical ending. This one - not so much.
