

Tyed

From New York Times bestselling author, Penelope Ward, comes a new novelette.The first time I met Jade Jameson, I lost my words and accidentally dropped a beer bottle, smashing it to the ground.The Broadway star sister of my brother's wife had paid us a surprise visit on Christmas. Quite simply, she was the most beautiful woman I'd ever seen: I was mesmerized to make matters worse, my girlfriend was standing right there when it all happened.Jade went back to New York, and we didn't cross paths again for a year-until one night when a Facebook notification lit up my screen, setting off a chain of events that would change my life forever.Jaded and Tyed is a 16,000 word novelette. (The length is shorter than a novella.) It is

The past can be murder on relationships.Isabel Beachwood just lost her dream job. Now she's forced to move out of her precious Victorian apartment, and in with her stepister, bringing back ugly memories of a painful childhood.Ty Griffin is a financial magnate who deals in multi-million dollar mergers and acquisitions. His bespoke suits can't hide a body worthy of a professional athlete. Those intense azure eyes telegraph a keen intellect. And his mouth, the only soft thing about him, is sinfully sensual. But his drive to succeed has all but obliterated any chance for a personal life.Isabel is surprised when, during her moving sale, none other than the white-hot Ty Griffin, CEO of Grandin Financial, buys her prized Carmel-by-the-Sea table. When she finds out he's part of the reason she lost her job, her apartment, and her adorable table, she's incensed. The moment Ty meets the voluptuous and challenging Isabel Beachwood, he's completely enthralled. He's the kind of man who's used to getting what he wants. And he wants Isabel. While their steamy relationship heats up, an insidious danger seems to be shadowing them. It's a treacherous threat that could ruin everything.Soon Ty and Isabel are dealing with an over-protective stepsister, a highly trained German Shepherd, a pain in the butt Welsh Corgi, a jealous gold-digger, an obsessed suitor, a former lover, and Isabel's quirky tech colleagues. All of which turn out to be the least of their problems.Because the past won't die. And it can be murder.

"And why not let the 'hot younger brother' woo you? You are the most amazing, drop-dead gorgeous woman I've ever known and you totally deserve to be wooed." With her thirtieth birthday on the horizon, Jasmine Montgomery has just filed papers to divorce her unfaithful husband. She's spared a weekend of wallowing when she answers the call of her best friend, Laurel Benedetti, to come along for a carefree weekend at the Benedetti family lake house. Joining them will be Laurel's younger brother, Tyson, and a couple of his closest friends, who are celebrating their graduation from college. Aside from having known him since he was in primary school, Jasmine and Tyson have a very brief history: six years prior, a drunken moment's poor decision led to them being caught in a compromising position. Although Jasmine was horrified by her action, Tyson had fallen in love. She hasn't seen him since that night, but the incident still lurked in the back of her mind. Surely he'd forgotten it had ever occurred...or had he? All Tyson knows is that fate has awarded him this weekend as his chance to capture the heart of the woman of his dreams and convince her that age really is just a number.

An Account of Notables and Worthies, the Originals of Characters in the Waverley Novels

Every fly fisher wants bragging rights about landing a 32-inch behemoth of a carp. Even better? Adding extra colour to your tale by hooking the monstrous fish with a fly tied from a tuft of your golden retriever's fur. These are just some of the tips, tricks, and fishing anecdotes packed into Stu Thompson's illustrated fly-pattern book. Thompson, who has been fishing in the province of Manitoba and beyond for more than 55 years, has smartly grouped flies into categories such as chironomids, wet flies, dry flies, and streamers. Every fly pattern is accompanied by detailed photographs and step-by-step instructions for tying flies that work for multiple species of fish. From simple to more difficult (but always effective) the 101 fly patterns in this book were developed, tested, and proven—not only by Thompson but also by his friends across North America and Europe.
