You already have the skills required to play the game so playing is really just about breaking the ice. Play today!

"I loved it." —Stephen King From Jason Reulak, Edgar-nominated author of The Impossible Postress, comes a wildly inventive spin on the classic horror story in Hidden Pictures, a supernatural thriller about a woman working as a nanny for a young boy with strange and disturbing secrets. Fresh out of rehab, Mallory Quinn takes a job as a babysitter for Ted and Caroline Maxwell. She is to look after their five-year-old son, Teddy. Mallory immediately loves it. She has her own living space, goes out for nightly runs, and has the stability she craves. And she sincerely bonds with Teddy, a sweet, shy boy who is never without his sketchbook and pencil. His drawings are the usual fare: trees, rabbits, balloons. But one day, he draws something different: a man in a forest, dragging a woman's lifeless body. Then, Teddy's artwork becomes increasingly sinister, and his stick figures quickly evolve into lifelike sketches well beyond the ability of any five-year-old. Mallory begins to wonder if these are glimpses of a long-unsolved murder, perhaps relayed by a supernatural force. Knowing just how crazy it all sounds, Mallory nevertheless sets out to decipher the images and save Teddy before it's too late.
