

Ultimate Pleasure

During the Middle Ages, the relationship between the Buddha's omniscience and his religious authority was a major issue in Buddhist thought. One of the most extensive and sophisticated discussions on this topic is found in the *Pramanavarttikalankarabhasya*, the magnum opus of the 8th-century Buddhist master Prajnakaragupta. In this study, author Shinya Moriyama combines philological acumen with philosophical analysis to present Prajnakaragupta's innovative ideas, offering an important introduction to his religious thought in its historical context of post-Dharmakirtian Buddhist Epistemology. (Series: *Leipziger Studien zu Kultur und Geschichte Sud- und Zentralasiens / Leipzig Studies on Culture and History of South and Central Asia - Vol. 4*)

69 Ways to Please Your Lover taps anyone's inner lover with sexy secrets and provocative pointers to stimulate both mind and body. There are no long explanations or step-by-step agendas, just a wealth of ways to tickle the erotic imagination. Part one covers techniques, from playing to penetrating. Part two tours the body's many hot spots -- and shows how to arouse them. Part three brings all the five senses into play. Sixty photographs, many hidden in special pages that must be unzipped" to reveal the secrets within, are also included. An ideal gift for self, friend, or lover, hen or stag party, this illustrated guide makes sex more fulfilling and more fun.

Her Ultimate Pleasure

The Ultimate Pleasure Guide for Women

The Ultimate Guide to Fellatio

For many, the word 'pleasure' conjures associations with hedonism, indulgence, and escape from the life of the mind. However little we talk about it, though, pleasure also plays an integral role in cognitive life, in both our sensory perception of the world and our intellectual understanding. This previously important but now neglected philosophical understanding of pleasure is the focus of the essays in this volume, which challenges received views that pleasure is principally motivating of action, unanalyzable, and caused, rather than responsive to reason. Like other books in the Oxford Philosophical Concepts series, it traces the development of the focal idea from ancient times through the 20th century. The essays highlight points of departure for new lines of inquiry rather than attempting to provide a full picture of how the idea of pleasure has been explored in philosophy. The volume begins by showing how Plato, Aristotle, early Islamic philosophers, and philosophers in the Medieval Latin tradition, such as Aquinas, honed in on the challenge of unifying the variety of pleasures so that they fall under one concept. In the early modern period, philosophers shifted from understanding the logic of pleasure to treating pleasure as a mental state. As the studies of Malebranche, Berkeley and Kant show, the central problem becomes understanding the relation of pleasure to other sensory experiences, and the role of pleasure in human cognition and knowledge. Short interdisciplinary reflections interspersed between essays focus on art of 16th and 17th century textbooks and the difficult music of composers like Bach, which demonstrate translation of these concerns to cultural production in the period. As the essay on Mill shows, the 19th century development of scientific psychology narrowed the definition of pleasure, and so its philosophical focus. Contemporary accounts of pleasure, however, in both philosophy and psychology, are now recognizing the limitations of this narrow focus, and are once again recognizing the complexity of pleasure and its role in human life.

Augustine's Confessions is one of the most powerfully evocative autobiographies of the Christian West. It recounts the complex experiences through which this formative theologian came to renounce the compulsive sexual practice of his youth, reinvesting his attention and affection in a disciplined spirituality. The Confessions is explicitly about desire, longing, passion--physical and spiritual. It narrates Augustine's desperate attempt to get, and to keep, the greatest degree of pleasure. Even his conversion to Catholic Christianity is narrated as a seduction to continence, and the model of spirituality he articulated relied intimately and profoundly on his sexual experience. Desire and Delight explores the erotics of asceticism as described by Augustine, noticing the gendered foundation of his model of spiritual aspiration. Going beyond the tormented, self-conscious Augustine of conventual interpretations, one discovers in this book a man impelled by the eros that defines human beings as such: the pursuit up the scale of pleasures to the ultimate Pleasure. The pursuit is analyzed here in the text, context, and subtext, with such intellectual and emotional engagement that the Confessions becomes a text of pleasure.

An insightful imaginative look at the soul - and sex. This book provides fascinating and enlightening insights into the age old mystery of the soul ... and introduces a whole new level of sex - soul sex. The ultimate pleasure. Includes soul sex instructions - what it is, how to do it.

A step-by-step program for maximizing female sexual pleasure offers psychological and physical techniques that rely on a woman's responses and includes careful descriptions, a question-and-answer section, and interviews with men and women. Tour.

The book, 'The Philosophy of health' is an exposition of the physical and mental constitution of man. It briefs about the structure and functions of the body, chiefly with reference to health and disease. The book promotes the perspective of human longevity and happiness and was written by Thoman Southwood Smith. Smith was a minister, physician and social reformer, who considerably improved the health of the poor by linking sanitation with epidemics. He served on the royal commission on children's employment, and was medical representative on the General Board of Health to deal with cholera epidemic of 1848.

Has your sex life become dull and repetitive or even turned into a boring routine? Learn to spice it up with the addition of dirty talk! Both men and women love to hear what their partner wants to do for them, or what will be done to them before it's done. Hearing the words moaned, screamed, whispered, or growled heightens the sensations and can take the love making to a whole new level. However, dirty talking is not as "easy" as people make it seem. It's not just a matter of using every swear word the sailors taught you. There is an art and even a science to shocking the senses. Effectively dirty talking is a careful balancing act of expressing desire, of smart communication between two different lovers, and letting yourself feel the emotion of the moment. In this guide, you will learn exactly how to talk dirty and how to do it right. You will discover what dirty talking is, the science of it, as well as the art of putting your own creative spin on the age-old hobby of talking your lover off. It takes you, step by step, from getting in the mood, during foreplay, during love making, to afterglow. You will know what to say and how to say it in every situation. And more importantly, you will be comfortable and sound confident when you talk dirty. In addition, you will get 157 dirty talk examples that are field tested and proven to work. You can use and analyze them in case you want to improve upon them. Both for-man and for-woman examples are included. The guide also shows you how these phrases can be adapted to different erotic role play scenarios and fantasies. Master the art of dirty talking and you will always be ready for a hot, wild, & exciting night!

Imagine: An explosive vaginal orgasm that doesn't require a perfect sex partner. An orgasm without exhaustion or convoluted gymnastics. An orgasm that you control. Thanks to Barbara Keesling, Ph.D., this type of sexual fulfillment can now be any woman's reality. Dr. Keesling has identified the cul-de-sac -- an area of extreme sensitivity in the vaginal canal that enables any woman to have a Super Sexual Orgasm! Normally hidden beneath the uterus and just beyond the cervix, the cul-de-sac is so extraordinarily rich in sensitive nerve endings that the slightest contact can trigger a powerful, consuming, instantaneous orgasm. To reveal this secret and bring this ultimate sensation into your sex life, Dr. Keesling has devised a series of simple exercises designed to tighten the PC muscle, lift and flatten the uterus, and expose the usually hidden cul-de-sac. These exercises can work for all women -- from the highly orgasmic to the silent majority who have been suffering snoregasms. The cul-de-sac will become a woman's best-loved secret, for it will allow her to have consistent, euphoric orgasms that she can fully control. Dr. Keesling also includes sensual exercises for women to practice after they have mastered the Super Sexual Orgasm and exercises for couples to practice together, so that women can fully incorporate Super Sexual Orgasm into their lives in a mind-body-spirit approach. Barbara Keesling, Ph.D., is the author of Talk Sexy to the One You Love, How to Make Love All Night and Sexual Pleasure. She has taught human sexuality and psychopathology at several southern California universities. "What is the one word that is pivotal to female sexuality? Control. What I'm saying is this: Women want to have control of their sexual energies. They want to fully enjoy every scintilla of their lovemaking, from sensual caressing to supersonic climaxes, and once you discover the magic of Super Sexual Orgasm, you will be able to decide if you want to have your explosive climax at the beginning of intercourse or wait till your partner is on the verge of orgasm or have multiple explosive orgasms or have it all! All of this is available to you. You will have the control. Isn't this what you want?" -- Barbara Keesling, Ph.D.

Become her orgasm machine. If you want to know how to overwhelm a woman with abundant pleasure to the point that she is unsure whether to pass out or ask you to marry her, then this is the book for you. Thanks to the hard work of literally dozens of sexual female contributors, this book is an amalgamation of the best way ways to bring women ultimate pleasure and orgasm through manual, oral, and actual sexual intercourse techniques. Who is better to teach the world on how to pleasure women than a group of young sexual horny women? Let Staci and Taryn walk you through what girls really want and how they want it. Don't be ignorant when it comes to the bedroom, women, and their bodies. Women want to be with a guy or girl who knows how to bring them total sexual ecstasy. Read this book, become a Sex Genius today, and let the women of the world bow down to your newfound sexual prowess. Taryn Mitchell and Staci Rhodes are real life twenty-something sexy ladies who've got it all: brains, beauty and bods. After dozens of unsatisfying sexual encounters with men & women in their early adult lives, they decided to embark on a mission to increase the overall orgasm count for women worldwide. They created a focus group with their friends and begin polling and researching and assembling their best sexual experiences in an effort to create a tell-all guide that would instruct men & women the best techniques to bring overwhelming pleasure and orgasm to women. After literally 10 years of research and planning, these authors are thrilled to finally launch the first edition of Sex Genius: Pleasure Her. Taryn is a responsible adult living in NY working in advertising/marketing when she is not teaching the world how to give better orgasms to women. Staci is also an adult although less responsible who runs a thriving sex shop somewhere in Brooklyn.

****FINALIST, USA Best Books 2010 Awards – Spirituality & Self-Help: Relationships The quest for lasting love is one of life's essential pursuits, in some ways the most essential. But it's also a quest that's impossible to separate from spiritual and sexual needs. In Eros Ascending, author John Maxwell Taylor offers a wide-ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness. Based on Taylor's twenty-three-year experience with Taoist practices, the book presents an engaging analysis of love, relationships, and sexuality from spiritual, romantic, and sexual perspectives. Taylor melds essential ideas by Jung, Gurdjieff, and Taoist Master Mantak Chia with science, biology, spiritual tradition, and current popular culture to shed new light on this eternal yet misunderstood subject. Not just for couples, the book is equally useful for single people who want to understand the methods for "learning to love yourself" in preparation for a fulfilling, long-term relationship. Taylor draws on his eclectic background as a successful playwright, composer, actor, and musician in this persuasive plan for converting ordinary sexual energy into food for the soul.*
