GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. Adulthood Is a Myth presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

In October 2009 Lemon Andersen's County of Kings, produced by Spike Lee and the Culture Project, premiered at the Public Theater garnering glowing reviews from such prestigious publications as the New York Times, New Yorker, Variety, Associated Press, and the Village Voice. Within just a few short weeks of its limited run, the compelling staged-memoir is now available in print. County of Kings is a jarring and poignant coming-of-age memoir told in a unique voice that seamlessly flows from compelling prose to hard-edged poetry without skipping a beat. The poetic and often times gritty narrative paints a vivid portrait of Lemon's difficult, yet at times humorous experiences growing up in New York City. Published independently by County of Kings Publishing, which also published Lemon's first book Ready Made Real, this memoir promises to be the Down These Mean Streets for the hip-hop generation. This is the kind of memoir that redefines the genre while telling a true tale of an all-American community from the 1980's to the present. - Publisher.

In the summer of 1807, the Explorer, a ship from Her Majesty's Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship's treasure. Abel returns to England with the Explorer and finds accommodation at the inn run by the three fugitive captain's daughters. Well before he can recover his memory, however, he will discover something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol' fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain's library. An uplifting, enthralling escape.

A cosmic and comic retelling of the origin of everything.

An insightful collection of teachings about death and dying to help face life's greatest mystery calmly and with equanimity. Lifetimes of effort go into organizing, designing, and structuring every aspect of our lives, but how many people are willing to contemplate the inevitability of death? Although dying is an essential part of life, it is an uncomfortable topic that most people avoid. With no idea what will happen when we die and a strong desire to sidestep the conversation, we make all kinds of assumptions. Living Is Dying collects teachings about death and the bardos that have been passed down through a long lineage of brilliant Buddhist masters, each of whom went to great lengths to examine the process in minute detail. Renowned author and teacher Dzongsar Jamyang Khyentse responds to the most common questions he's been asked about death and dying--exploring how one prepares for death, what to say to a loved one who is dying, and prayers and practices to use as a handhold when approaching the unknown territory of death. Whether you are facing death today or decades from now, preparing for it can help to allay your worst fears and help you appreciate what it means to be truly alive.

The Bedroom

Strong As a Bear

Poetry. Bilingual Edition. Translated from the Italian by Luigi Bonaffini. THE BEDROOM [La camera da letto] is Bertolucci's best-known work, so popular that the poet once read it to television viewers on a seven-hour program. It is a narrative poem that traces the history of the poet's family across seven generations with directness, precision and attention to everyday details, major events and fantastic surprises. Paolo Legazzi writes in his introduction: "THE BEDROOM is a sort of a multi-novel, or a distillation of very diverse narrative forms and intuitions: a Bildungsroman and fairytale, an epoch novel, a novel-chronicle, a dramatic novel and a picaresque novel. An experimental work in the most authentic sense of the word..." "Nothing of time's essence escapes or is neglected by the author's ravenous sensibility, no less active in recording the multiple places in which existence rests (the city and the countryside, the sea and the plane, the Po river and the Maremma) in an exuberant display of forms, lights, perspectives, tonalities..."--Luigi Ferrara

In 1970, Unica Zurn, the companion and lover of the Surrealist artist Hans Bellmer, threw herself from the sixth floor window of their apartment in Paris. Her suicide was the culmination of thirteen years of mental crises which are described with disarming lucidity in The Man Of Jasmine, subtitled Impressions from a Mental Illness. Zurn's mental collapse was initiated when she encountered in the real world her childhood fantasy figure "the man of jasmine": he was the writer Henri Michaux, and her meeting him plunged her into a world of hallucination in which visions of her desires, anxieties and events from her unresolved past overwhelmed her present life. Her evolution to "reality" was constantly interrupted by alternate visionary and depressive periods. Zurn's compelling narrative also reveals her uneasy relationship with words and language, which she attempted to resolve by the compulsive writing of anagrams. Anagrams allowed her to dissect the language of everyday, to personalise it, and to make it reveal hidden at its core astonishing messages, threats and evocations. They formed the basis of her interpretation of the split between her inner & outer lives and underpin the texts included in this selection. The Man of Jasmine is certainly one of the greatest descriptions of mental collapse, but it is much more. Zurn's familiarity with Surrealist conceptions of the psyche, and her extraordinary self-possession during the most alarming experiences are allied to vivid descriptive powers which make this a literary as well as a psychological masterpiece.

Deliver Us

The Big Book of Slumber

Originally published in 1963, and today considered a landmark in twentieth century Italian literature, Luigi Meneghello’s Deliver Us is the memoir, not of an extraordinary childhood, but of the very ordinary one the author shared with most of his generation, when Italy was a rural country under the twin authorities of Church and Fascism. His boyhood begins in 1922, the year of Mussolini’s March on Rome, and ends when Meneghello, 21, goes up into the hills to join the partisans. Called a romanzo—a story, although not a novel, as that term usually suggests—the book is a genre all of its own that mixes personal and collective memory, amateur ethnography, and reflections on language. Meneghello’s sharp insights and narrative skill come together in an original meditation on how words, people, places, and things shape thought itself. Only loosely chronological, Deliver Us proceeds by themes—childhood games, Fascist symbols, religious precepts, and the rites of poverty, of death, of eros, and of love. Meneghello’s ironic musings and profoundly honest recollections make an utterly unsentimental human comedy of that was the whole world to his dawning consciousness. A love story between a vampire and a werewolf by the creator of the enormously popular Sarah’s Scribbles comics. Vamp is three hundred years old but in all that time, she has never met her match. This all changes one night in a bar when she meets a charming werewolf. FANGS chronicles the humor, sweetness, and awkwardness of meeting someone perfectly suited to you but also vastly different.

Sarah Andersen's hugely popular, world-famous Sarah's Scribbles comics are for those of us who boast bookstore-ready bodies and Netflix-ready hair, who are always down for all-night reading-in-bed parties and extremely exclusive after-hour one-person music festivals. In addition to the most recent Sarah's Scribbles fan favorites and dozens of all-new comics, this volume contains illustrated personal essays on Sarah's real-life experiences with anxiety, career, relationships and other adulthood challenges that will remind readers of Allie Brosh's Hyperbole and a Half and Jenny Lawson's Let's Pretend This Never Happened. The same uniquely frank, real, yet humorous and uplifting tone that makes Sarah's Scribbles so relatable blooms beautifully in this new longer form.

Years after their respective returns from Wonderland, Neverland, and Oz, the trio meet here, at Cheshire Crossing—a boarding school where girls like them learn how to cope with their supernatural experiences and harness their magical world-crossing powers. But Alice, Wendy, and Dorothy—now teenagers, who’ve had their fill of meddling authority figures—aren’t content to sit still in a classroom. Soon they’re dashing from one universe to the next, leaving havoc in their wake—and, inadvertently, bringing the Wicked Witch and Hook together in a deadly supervillain love match. To stop them, the girls will have to draw on all of their powers . . . and marshal a team of unlikely allies from across the magical multiverse. Advance praise for Cheshire Crossing “Deliciously funny . . . a shrewd and spirited adaptation that will leave audiences hoping for another installment. . . . In the century between 1870 and 1970, about twenty-seven million migrants left Italy to work and live abroad. As a result, the worldwide Italian diaspora reportedly numbers more than sixty million people. Until now, however, there has not been an anthology devoted to the literature of the Italian diaspora that places it in a global context. This landmark volume presents a truly international selection of works by more than seventy Italian-language poets who are writing in countries from Australia to Venezuela. Their poetry is collected here into eleven geographical regions. The history and current state of Italian-language poetry in each region receives a critical overview by a knowledgeable scholar, who also introduces each poet and provides a bibliography of his or her work. All poems appear on facing pages in both Italian and English. Poets of the Italian Diaspora is part of a long-range project, by the editors and contributors, to expand the boundaries of the Italian literary canon.

[A Graphic Novel]

Edward Bunker's life is beyond the imaginings of most fiction writers. He was born in Hollywood, California, the son of a stagehand and Busby Berkeley chorus girl, whose early divorce propelled him into a series of boarding homes and military schools. From the age of five he repeatedly ran away, roaming the city streets at night. A proud and confident loner, he was expelled from school at the age of 152, resulted in a series of altercations with the authorities. He became the youngest ever inmate of San Quentin at the age of seventeen, and there he learned survival skills and faced down the toughest prisoners in the system. He was befriended by Mrs Louise Wallis, a former star of the silent screen and wife of movie mogul, Hal W. Bogart, Cagney, Edward G. Robinson and George Raft. She introduced Bunker to her circle of friends, including Jack Dempsey, Tennessee Williams, Aldous Huxley and William Randolph Hearst, whose guest he was at San Simeon. A parole violation resulted in a spell crossing America as a fugitive on the FBI's most wanted list. His eventual cap prison. Encouraged by the example of Dostoevsky, Cervantes and Caryl Chessman, and by the kindness of Mrs Wallis, he determined to write his way out of prison. Bunker's first published novel, No Beast So Fierce, viewed by many including Quentin Tarantino as the finest crime novel ever written, changed his fortunes. It was filmed as Stripped Bare to the Bones. He has written three other novels, The Animal Factory, Little Boy Blue and Dog Eat Dog, (all published by No Exit) admired by writers as diverse as William Styron and James Ellroy. He received an Oscar nomination for the screenplay of Runaway Train, and has appeared in a score of films, most notably his legendary role as Mr Blue Eyes in the blistering narrative is a memoir like no other.

Harold is turning seven years old. He's never had a real birthday party. His parents are too grumpy. But this year is going to be different. Thanks to an amazing man named Mr. Ponzio, something incredible is going to happen on Harold's birthday - and it's going to be absolutely extraordinary

Morrigan Moore has always been moody, but her new home is the worst. Her novelist mother has dragged her to the countryside, drawn by the lost myth of the King of Crows, a dark figure of theft and deceit, and the Scarecrow Prince, the only one who can stand against him. When Morrigan finds herself swept up in the legend, she'll have to fight for her freedom. Scarecrow Prince's mantle, and to stand and fight. For her town, her family, and her own future.
