*The sun is shining in the quiet little seaside town of Sandybridge Sandybridge is the perfect English seaside town: home to gift shops, tea rooms and a fabulous fish and chip shop. And it's home to Grace - although right now, she's not too happy about it. Grace grew up in Sandybridge, helping her parents sort junk from vintage treasures, but she always longed to escape to a bigger world. And she made it, travelling the world for her job, falling in love and starting a family. So why is she back in the tiny seaside town she'd long left behind, hanging out with Charlie, the boy who became her best friend when they were teenagers? It turns out that travelling the world may not have been exactly what Grace needed to do. Perhaps everything she wanted has always been at home - after all, they do say that's where the heart is...*

*For those foolish enough to have read "The Name of this Book is Secret" and too foolhardy to have turned away from "If You're Reading This, It's Too Late", the third book in the series is best avoided. This book contains none of the following: A cursed Aztec artefact, an evil and deranged chef, a secret jungle lair inhabited by cocoa-crazed monkeys, the most dangerous chocolate ever created. Never visit www.keepthesecret.co.uk if you know what's good for you. "What child could resist it? A deliciously dark and chocolatey book full of big chunks of crazy humour and a cast of mouth-watering characters..." "This Book is Not Good for You" is actually very good for you...the teasing, topsy-turvy world created by the scrumptious Mr Bosch is guaranteed to have you laughing all the way to the next instalment." - Lancashire Evening Post*

From the minds of creators Brian Frechi and Ilaria Urbinati comes The Vertical Sea, a tale of a woman learning to push through her struggles in a world where the pressure seems endless. With a good job as an elementary school teacher and India's life seems okay at face value. However, with a chronic mental illness that causes her to have panic attacks regularly, each day can be a struggle. With the threat of having her class taken from her, the pressure is building, and India head on and take action. This wonderful story of perseverance is beautifully and meticulously illustrated by Ilaria Urbinati, and wonderfully written by Brian Freschi, allowing India to be connectable to all audiences.

Six murders. One hundred pages. Millions of possible combinations... but only one is correct. Can you solve Torquemada's murder mystery? In 1934, the Observer's cryptic crossword compiler, Edward Powys Mathers (aka Torquemada), released simultaneously a murder mystery and the most fiendishly difficult literary puzzle ever written. The pages have been printed in an entirely haphazard order, but it is possible - through logic and intelligent reading - to sort the pages into the six murder victims and their respective murderers. Only three puzzlers have ever solved the mystery of Cain's Jawbone: do you have what it takes to join their ranks? Please note: this puzzle is extremely difficult and not for the faint-hearted. From around 1800, shortly before Pasquale Galluppi's first book, until 1950, just before Benedetto Croce died, the most formative influences on Italian philosophers were Kant and the post-Kantians, especially Hegel. In many ways, the Italian period lived in turbulent but creative times, from the Restoration to the Risorgimento and the rise and fall of Fascism. From Kant to Croce is a comprehensive, highly readable history of the main currents and major figures of modern Italian philosophy, a substantial introduction that details the development of the discipline during this period. Brian P. Copenhaver and Rebecca Copenhaver provide the only up-to-date introduction in English to Italy's leading modern philosophers by translating and original texts and by chronicling the lives and times of the philosophers who wrote them. Thoroughly documented and highly readable, From Kant to Croce examines modern Italian philosophy from the perspective of contemporary analysis. After receiving a mysterious message summoning him to a meeting, Geronimo Stilton finds himself back in the Kingdom of Fantasy, summoned by the Elves, who want him to travel to the Great Explanatorium to find an answer to the earth-threatening the Kingdom.

I ragazzi ricchi non socializzano con la domestica. Non s'innamorano della domestica. Non rischiano il tutto per tutto per la domestica. Ora sappiamo che cosa ci troviamo di fronte. Chi ci troviamo di fronte. Ma se è lui ad avere tutte le carte in mano, la verità non conta molto. I padroni della Linwood vogliono che io scappi via. Mi vogliono lontana da qui, in un posto sicuro. Ma non lo farò. Mi rifiuto di abbandonare mia mamma, e i quattro ragazzi, ciascuno dei quali ha rivendicato un pezzo del mio cuore, non mi lasceranno da sola ad affrontare questa minaccia. Hanno giurato di fare qualunque cosa per porre fine a questa situazione. Per tenermi al sicuro. Dato che non faremo marcia indietro, la lotta è la nostra unica opzione. Ma ho giocato a poker abbastanza a lungo da sapere che, a volte, quando si rischia tutto... Si perde tutto.

A New Heroine. An Old Evil. An Unforgettable Adventure. A thrilling new supernatural adventure series. Fuses the excitement, action and extraordinary worlds of Harry Potter, I Am Number Four and Buffy the Vampire Slayer with an inspirational new teen heroine. Oksa Pollock is a normal thirteen-year-old girl, starting a new life in London. New lives, new friends, a new school and new adventures. But bizarre things start happening around Oksa she finds she can produce fire from her hands, move objects with her mind, and even fly. Finally the truth emerges...her family fled Edefia, their magical, hidden homeland years ago. And more than that: Oksa is their queen... Oksa will be thrown into a wilder adventure than she could ever have imagined. She must triumph over her enemies. The whole of Edefia is counting on her.

The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler's List fame. Rena Finder was only eleven when the Nazis forced her and her family -- along with all the other Jewish families -- into the ghetto in Krakow, Poland. Rena worked as a slave laborer with scarcely any food and watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena's nightmares were not over. She and her mother were deported to the concentration camp Auschwitz. With great cunning, it was Schindler who set out to help them escape. Here in her own words is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

Amy Lennox doesn't know quite what to expect when she and her mother pick up and leave Germany for Scotland, heading to her mother's childhood home of Lennox House on the island of Stormsay. Amy's

grandmother, Lady Mairead, insists that Amy must read while she resides at Lennox House—but not in the usual way. It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. As thrilling as Amy's new power is, it also brings danger: someone is stealing from the books she visits, and that person may be after her life. Teaming up with fellow book jumper Will, Amy vows to get to the bottom of the thefts—at whatever cost.

Of all the mysteries that Hazel and I have investigated, the Case of the Deepdean Vampire was one of the strangest. It was not a murder, which was a pity - but I did solve it very cleverly, and so I decided it ought to be written down, so that other people could read it and be impressed. Camilla Badescu is in the fifth form, and has pale skin, dark hair and red lips. She comes from Romania (which is practically Transylvania). She doesn't eat at meals. And she seemed to have an unhealthy influence over another pupil, Amy Jessop. Now, I do not believe in vampires - I am the Honourable Daisy Wells, after all. But when I heard the rumour that Camilla was seen climbing head-first down a wall, I knew it was time to investigate...

The Third Adventure in the Kingdom of Fantasy

Atlas Obscura

***“This middle grade series starter is tailor-made for Harry Potter’s fans.”—Kirkus Reviews For fans of the Land of Stories and the Wings of Fire Series, this first enchanting adventure from acclaimed novelist Scarlett Thomas is set in a wondrous realm where magic most decidedly exists, a growing evil lurks, and a group of children is destined to save the world. Effie Truelove believes in magic, as does her grandfather Griffin (although he refuses to do any magic, let alone teach Effie how to use it). After a mysterious incident leaves Griffin close to death, Effie is given an unusual silver ring and told she must look after her grandfather’s library of rare and powerful books. But then the books fall into the hands of shady scholar Leonard Levar, and Effie is propelled into the most dangerous adventure of her life. Now, Effie and her friends—nerdy Maximilian, rugby-mad Wolf, helpful Lexy, and eccentric Raven—must discover their true powers if they are to get the books back. And Effie alone will have to travel to the Otherworld, where she will uncover the true meaning of the strange old book called Dragon’s Green...***

The time of Carnival represents a “wild” time at the end of winter and pointing to the beginning of a new season. It is characterized by the irruption of border figures, animal masks, characters which recall the world of the dead and which bring within themselves the germ of a vital force, of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops. This wild domain shows itself under the shapes of a contiguity between human and animal: the costumes, the masks, refer to a world in which the characteristics of the human and those of the animal are fused and intertwined. Among these figures, in particular, emerge those of the Wild Man, the human being who takes on animal-like attributes and aspects, and of the Bear, the animal that, more than all the others, gets as close as possible to the human and seems to reflect a deformed image of it. Such symbolic images come from far off times and places to tell a story that belongs to our common origins. The bear assumes attributes and functions alike in very different cultural contexts, such as the Sámi of Finland or North-American hunter-gatherers, and represents a boundary between the world of nature and the human world, between the domain of animals and the difficult construction of humanity: a process continued for centuries, perhaps millennia, and which cannot still be said complete.

Palezmo, Sicily, 1978. The Christian Democrat leader Aldo Moro has just been kidnapped in Rome by members of the notorious Red Brigades. Two months after his disappearance on 9th May, Moro is found dead in the boot of a car. A trio of eleven-year-old schoolboys, Nimbo, Raggio, and Volo, avidly follow the news of the abduction as their admiration for the brigatisti grows. When the boys themselves resolve to abduct a classmate and incarcerate him in a makeshift 'people's prison', the darkness within their world, and the world of the novel, becomes all-pervasive. A vivid and hellish description of Sicily in the late seventies, Time on my Hands is an unforgettable novel from a significant new voice in Italian fiction.

In 1872 Phileas Fogg wins a bet by traveling around the world in seventy-nine days, twenty-three hours, and fifty-seven minutes.

Da quando Agatha e Sophie sono fuggite dall'Accademia del Bene e del Male sono diventate autentiche celebrità: hanno infranto le regole e vissuto la Fiaba fino in fondo, si sono conquistate il Lieto Fine che volevano e sono tornate, cosa mai successa. E ora fanno ciò che ci si aspetta da loro. Agatha si lascia imbellettare e vestire di rosa da Sophie che, ormai incapace di tenere a freno la cattiveria, è sempre più insopportabile. Finché l'amica, esasperata, si pente di avere scelto quel Lieto Fine e si rende conto di volere un principe per la sua storia. Basta quel piccolo momento di debolezza perché tutto ricominci da capo. Agatha e Sophie si ritrovano all'Accademia, dove però tutto è cambiato. Che fine hanno fatto le due scuole del Bene e del Male? E dove sono finiti tutti gli eroi, i principi, i maschi? La saga più amata dai blogger italiani: «Io non amo questo libro. Lo venero.» Francesco Bonelli, LIBRI CIBO PER LA MENTE «Una lettura imperdibile!» LA FENICE BOOK «È uno di quei libri che non può assolutamente mancare nelle librerie!» Rory, IL COLORE DEI LIBRI «Una serie favolosa!» PARANORMALBOOKSLOVER «È stupendo! Non vedo l'ora che esca il seguito!» Alessia Nolli, SCRIVERE MI PIACE «Si piazza in alto, in altissimo nella classifica dei miei libri preferiti.» OMBRE-ANGELICHE L'Archivio Storico dell'Accademia Nazionale d'Arte Drammatica custodisce un ingente patrimonio documentario che consente di indagare le forme, i modelli e l’organizzazione del sistema pedagogico che la Scuola promosse a partire dalla riforma sollecitata da Silvio d’Amico. Il periodo qui documentato è compreso tra il 1935, anno di nascita della Scuola, e il 1941, anno del discioglimento della Compagnia dell’Accademia, in cui debuttarono gli allievi attori e registi diplomatisi nei primi corsi. I loro nomi, nella maggior parte dei casi, non sono noti. In modo particolare, si è impresso nella memoria, e negli studi storiografici, quello di Orazio Costa (1911-1999), così come Ave Ninchi (1915-1997) occupa un posto di primo piano nell’immaginario collettivo. La ricostruzione e l’analisi di alcune delle esperienze con cui si misurarono gli allievi e le allieve della neo-nata Accademia – i saggi, i viaggi di istruzione in Europa, le prime tournée – delineano una microstoria. Singole esperienze di formazione, nascenti percorsi artistici finora poco conosciuti e spettacoli di “sperimentazione” inscenati in un piccolo teatrino, riuscirono a influenzare i mutamenti della storia del teatro italiano fino al secondo Dopoguerra, contribuendo alla costruzione di un nuovo modello pedagogico, attorico e registico, seppure fortemente in debito con la tradizione capocomicale.

Molly and her kittens live in feline luxury at their very own cat café in the Cotswolds village of Stourton. People flock from far and wide to visit the café, lured by delicious baked goods and adorable cats. For owner Debbie, Molly and her kittens, life is good. Or so they thought? When Debbie's sister Linda turns up unannounced and heartbroken, Debbie insists she stay at the café. What Debbie doesn't realize is that Linda's arrived with an unwelcome guest - a dog called Beau. However, there's one thing the cats hate in their café - dogs. With Christmas approaching, Molly feels as if her home and family are both under threat. But fate has another surprise in store for the cat café's residents, which leaves both Debbie and Molly floundering. Suddenly Molly's future is far from certain...

It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, Atlas Obscura celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders—the dazzling glowworm caves in New Zealand, or a baobab tree in South Africa that's so large it has a pub inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thuras and Ella Morton, ATLAS OBSCURA revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair traveler as the die-hard adventurer. Anyone can be a tourist. ATLAS OBSCURA is for the explorer.

Riley, an orphan boy living in Victorian London, has achieved his dream of becoming a renowned magician, the Great Savano. He owes much of his success to Chevie, a seventeen-year-old FBI agent who traveled from the future in a time pod and helped him defeat his murderous master, Albert Garrick. But it is difficult for Riley to enjoy his new life, for he has always believed in his heart of hearts that Garrick will someday, somehow, return to seek vengeance. Chevie has assured Riley on numerous occasions that Garrick was sucked into a temporal wormhole, never to emerge. The full nature of the wormhole has never been understood, however, and just as a human body will reject an unsuitable transplant, the wormhole eventually spat him out. By the time Garrick makes it back to Victorian London, he has been planning his revenge on Riley for half a century. But even the best-laid plans can go awry, and when the assassin decides to include Chevie in his retaliation, the three are tossed once more into the wormhole with no idea where—or when—they will end up.

THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix, starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Cate Blanchett, and many more! A dark and enchanting fantasy adventure for those who prefer fairytales with a twist. The first in the bestselling series.
