Increase students' ability to comprehend spoken Spanish; express their ideas & opinions; and analyze cultural perspectives while challenging fixed beliefs and cultural stereotypes. These outcomes motivated the respected author team of Así lo veo, the first Intermediate Spanish program to use a documentary, filmed specifically for the program, as the basis for instruction and learning. Since a documentary captures real situations and personal perspectives it is the perfect vehicle for increasing student engagement. With Así lo veo, the documentary motivates the presentation of content-vocabulary, grammar, and culture—and by extension, the learning. Specifically, Así lo veo documents how six Spanish speakers view timely, provocative themes. Because these are everyday people, not actors, they bring unscripted, real language as well as fresh ideas to the context of Learning Spanish.

This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Lake Superior's windswept rock, clear water, and wooded shores create some of the most stunning landscapes in Minnesota, Wisconsin, Michigan, and Ontario. Over two years, sportsman, writer, and world traveler Greg Breining set out to circle this great lake by kayak, a means of travel that allowed him to visit the lake's places of rare beauty and solitude, experience its wildly varied

moods, and see its remote historic sites and isolated communities. Wild Shore is a tale of outdoor adventure, odd characters, humorous stories, and quiet reflection.
